We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Bapist Conventions, according to the following Articles:

Article I. NAME

The name of this body shall be the LIBERTY BAPTIST ASSOCIATION.

Article II. MEMBERSHIP

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure.

Article III. MEETINGS

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV. COMPOSITION OF MEETINGS

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or major fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the association from the number elected by the churches.

Article V. OFFICERS AND THEIR ELECTION

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Chorister, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. Officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (By-Law 8, section 2, (6)), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

(This is not to be interpreted as in conflict with ARTICLE II, Section 2).

Article IX. AMENDMENTS

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

Amendment to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one member-at-large from each Baptist church in the fellowship of the Association.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become pastor of a baptist church in regular standing in its association, which church shall have requested in writing his ordination before the call of the Ordaining Council shall be approved.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and cooperation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a baptist church of the same faith and order.

4. The new church, having been duly organized and constituted, may at the next annual Association present a letter to the Association, including with this letter a copy of the Articles of Faith and the Church Covenant adopted by the body, as well as a report of the work since time of organization as it regards all phases of our Baptist Program of Missions, Evangelism, Education, Social Service, Training and Worship.

5. The previously appointed council of 3 pastors and 3 laymen will examine the letter and reports of the newly organized church, and will recommend to the Association its acceptance or rejection as the case may be.

Resolution in Regard to Program Committee

That the Program Committee consist of the officers of the Association, pastors of the entertaining churches and three persons named by the Moderator during the session of the Association.

Resolution in Regard to Messengers

That the names of messengers printed in minutes include only those actually attending the Association from the delegations elected by the churches.

REPORT ON PUBLIC MORALS

Rev. W. H. Walton, who brought the report on Public Morals, asked that his report be accepted without being read, and it was so moved.

REPORT ON PUBLIC MORALS

As we consider Public Morals and their attendant evils, we must keep in mind that all sins are not condemnatory sins. Some are besetting sins which may be committed by us and in turn mean condemnation to some who are weaker than we. All sins are not commission; some are omission. Such sins are committed by us who condemn the transgressor instead of the trangression.

Yes, we look at strong drink as sin number one. And we may be judging rightly. Some one has said there are five outstanding evils, namely: Strong drink, Narcotics, Divorce, Juvenile Delinquency, and Desecrating the Lord's Day. Please let me hasten to add the sixth one. The love of money is the root of all evil. According to the catalog of tragedies mentioned by Evangeline Booth we will have to contribute almost all evils to Strong Drink. Yet when we look beneath the surface, we will see that money is back of it all.

North Carolina consists of one hundred counties, of which only 50 think they can afford to operate without the revenue of beer and wine. In reality what is the cause for this evil? One court counsel reports that 70% of its cases are caused by alcohol. Dr. W. C. Reed believes 75% of Child care to be the result of alcohol. While the world is going mad for pleasure the poison serpent is being decorated and served to us on a silver charter. Surely it is time for our people to remove their shaded glasses and see what is happening in our world, and come to know that sin will not go unpunished.

Still, as of old, man by himself is priced.

For thiry pieces Judas sold himself, not Christ. Hats off to Davidson County for showing her color in taking the stand against beer and wine.

We do not destroy poison oak by bruising it's limbs, neither do we kill the snake by beating at its tail. But we find the root and the head and work from there. We do not heal the alcoholic by putting him on the road for sixty days. We do not solve the Youth Problem by placing the child in a reformatory school. We do not reunite a broken home by taking its children to our State Orphanage. If sin is the cause, why not remove the cause, and not be embarrassed by punishing people for doing what about half of our world wants them to do? Why not remove the stumbling blocks?

There is a solution. If the eight and one half million Southern Baptists plus all the other faiths, plus all other sober thinking people would take a stand and stand, we could solve many evil problems.

May we hear the Lord speak on this subject. "Resist the devil and he will flee from thee." "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from Heaven, and will forgive their sin, and will heal their land."

Respectfully submitted,
W. H. Walton

The Moderator at this time introduced the speaker, Rev. A. Leroy Parker, pastor Asheboro Street Baptist Church, Greensboro, who brought the address on Public Morals.

MISCELLANEOUS BUSINESS SESSION

Rev. Pegram, pastor Park Place Church, read names of committee, of which he was chairman, to meet at noon hour.

After this announcement Rev. Roger Williams told the association that lunch had been prepared in the gymnasium and would be served there. After this, we were favored with special music led by Carey Davis.

ANNUAL SERMON

Rev. W. N. Brookshire, pastor New Friendship Church, preached the annual Associational sermon.

At the close of the sermon the morning session was adjourned.

TUESDAY AFTERNOON SESSION

After a period of music led by Carey Davis, the moderator, Rev. J. Roy Clifford, called the meeting to order at 1:30 o'clock.

Rev. Robert Nation, pastor Wallburg Church, conducted the devotions.

REPORT ON SUNDAY SCHOOL

The Report on Sunday School was brought by Rev. Robert S. Harrell, pastor Jersey Church; after reading the report Rev. Harrell introduced L. L. Morgan, secretary of church planning, Raleigh, who spoke concerning planning and building churches.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

During the past year there has been a serious attempt to revive our associational Sunday School program of work. After being elected your superintendent, I conferred with Mr. Carroll and Mr. D. P. Brooks relative to setting up the organization necessary to carry out the work and also to project a plan of activities for the year. The following were asked to serve as officers and leaders: W. N. Brookshire, Assoc. Supt. in charge of training; Leonard Rollins, Assoc. Supt. in charge of evangelism and enlargement; W. H. Lewis, Assoc. Supt. in charge of Vacation Bible Schools; Mrs. Corbitt Shoaf, Cradle Roll Supt.; Mrs. Frank Colvin, Nursery Supt.; Mrs. J. T. Jackson, Primary Supt.; Mrs. Charles Hawkins, Junior Supt.; Miss Frances Royal, Intermediate Supt.; Mrs. Betty Stanfield, Young People Supts.; and Lester V. Honeycutt, Adult Supt.

Two general meetings were held for all Sunday School workers in our association, the first on April 23 at Rich Fork, and the second on June 25 at the First Baptist Church, Lexington.

The year was climaxed with a Bible Teaching Clinic, Sept. 17-24, which was well attended and favorably received.

While the results have not been phenomenal, it is hoped that some little progress has been made toward getting our associational Sunday School work back on its feet. May we all work diligently during the coming year to help this part of our work advance.

Respectfully submitted,
Robert S. Harrell
Assoc. S. S. Supt.

REPORT ON BAPTIST HOSPITAL

Next on program was the report on the Baptist Hospital which was sent in by Rev. D. P. Brooks, who could not be present. The associational clerk, J. Wade Jarratt, read the report, which was adopted. After which, the moderator introduced Rev. W. J. Stephenson, pastor First Baptist Church, Salisbury, who brought an address on the hospital.

REPORT ON BAPTIST HOSPITAL

Teaching, preaching and healing, the precepts of Christ's ministry, are the objectives of our Baptist Hospital. Thirty-seven of the 41 churches in the Liberty Association shared in the support of this ministry, with gifts totaling $3,431.88 this year.

The year 1955 was the best in the history of the hospital. The churches gave the largest Mother's Day Offering ever. More than 115,000 days of bed-patient care were rendered to almost 15,000 sick people. More than 100,000 visits were made to the clinics and offices of the medical staff. With the completion of the new south wing, the hospital is larger and has better facilities and staff.

A small concrete building is now under construction to house a cobalt machine, which is much more safe and effective in the treatment of certain types of cancer than any x-ray machines in use. No other hospital in the state has equipment equal to these new machines. The hospital has the best x-ray department in the South. Many other departments have been improved and new departments added.

The most urgent need is a new nurses' home so that the nursing school can be enlarged. The parking problem is acute.

Costs in all hospitals have increased steadily and seem likely to continue. All who can do so should carry hospital insurance. If our churches will

continue to increase their gifts through the Mother's Day Offering, the hospital will continue to expand its services to the sick in the name of the Great Physician.

Respectfully submitted,
D. P. Brooks

REPORT ON THE BAPTIST TRAINING UNION

The report on the Baptist Training Union was given by Rev. Fred A. Duckett, pastor First Church, Denton, which was adopted.

ASSOCIATIONAL TRAINING UNION REPORT

The Baptist Training Union is to the Sunday School and WMU what the denominational college and seminary is to the pulpit — a supply line of leadership. There is an alarming amount of ignorance among our constituency today as to what Baptists believe and why. The purpose of the Training Union is to train in church membership. In other words, it endeavors to lead every church member to "be ready always to give an answer to every man that asketh you a reason of the hope that is in you" (I Peter 3:15), and to translate that hope into Christian action.

Training Union work in this association was somewhat retarded this year by the fact that we were without the services of a Director for several months. The writer accepted this position in February.

Perhaps the highlight of the year was the "M" Night service at First Baptist, Lexington, on December 5, 1955. Goals for the 1956 program was presented, and Mrs. C. Gordon Maddrey, State WMU President, delivered an inspiring message, using the 1956 theme: "Prepared Unto Every Good Work." There were 790 in attendance, only 10 short of the goal. Twenty-one pastors and twenty-six directors attended.

As the May Officers and Leaders Council held with First Church, Denton, Mr. James P. Morgan, State Training Union Director, spoke. The June Mass Meeting at Center Hill featured a challenging message by Rev. Isaac Terrell on the subject, "Our Best Required."

At present Liberty Association has 29 churches with Training Unions, 10 without. Our goal for the new year is two-fold: (1) more active participation on the part of members of churches with Training Unions; (2) the organization of a Union in each of the other ten churches.

Our leaders of tomorrow are our trainees of today. Through the program of the Training Union let every church member be "prepared unto every good work."

Respectfully submitted,
Fred A. Duckett,
Associational Director

REPORT ON CHURCH MUSIC

In the absence of Mrs. Moore, Rev. Guy Moore, pastor Erlanger Baptist Church, brought the report on church music.

REPORT ON CHURCH MUSIC

"O come, let us sing unto the Lord; let us make a joyful noise to the rock of our salvation." Psalm 95:1.

Carlyle said, "The meaning of song goes deep. Who is there that, in logical words, can express the effect music has on us? A kind of inarticulate, unfathomable speech, which leads us to the edge of the infinite and lets us for moments gaze into that."

As far back as history goes, music has been in religious ceremonies; as civilization advanced, higher forms of music were developed. Music education through schools, radio, television, private study and fine music recordings available have brought the public to a greater appreciation of good music. The churches must bring their standards of music to these high levels of appreciation if they expect to minister fully to the average individual. To accomplish this task in our churches outside help is often needed.

Our State Convention is in the position now to aid each church in its

music program through the church music department lead by Mr. Joseph Stroud

As we look over the reports that have come in from the churches in the Liberty Association we are pleased with the interest that is being shown in the music program. Most of the churches have organized adult choirs. Many have two or more choirs. Several are giving special programs at Easter and Christmas.

In some churches both piano and organ are used during the worship service, others use only one instrument.

As we enter this new church year may we strive to have the most worshipful music ever. God deserves our best in worship, music and praise. Pray that we will not fail Him.

Respectfully submitted,
Mrs. G. C. Moore

MISCELLANEOUS BUSINESS

Rev. Chas. F. Leek, pastor First Church Thomasville, brought a report of the missions committee and its findings concerning Burton Street Church, which had applied for admission into the Liberty Association. He stated that the committee had examined the church covenant and the articles of faith and had found all in order. After a motion and second, the association voted to receive Burton Street Church into membership and full fellowship. The moderator called the pastor, Rev. Sammy Shoaf, and the messengers to the front and welcomed them into the Liberty Baptist Association with its privileges and its responsibilities.

Rev. J. O. Walton, pastor Churchland Church, read the report of a committee who had studied the problem of the association in regard to churches entertaining the meetings. The committee will study a plan arrangement to have a time, place and preacher. By this plan each church in the association would share in entertaining the association.

With the passing of the years it has become increasingly difficult for the committee on Time and Place and Preacher to have in hand at the Annual meeting of the Association invitations for the entertainment for the coming year. It is felt that this condition is not due to lack of interest on the part of our churches; but rather to two things: First, many churches consider themselves to be too small numerically to undertake such task. Second, churches generally seem not to give proper consideration to the matter before the time of the meeting, and consequently their messengers do not feel that they have authority to invite the Association, and obligate their fellow members.

In view of the existing condition, the Liberty Pastors in regular meeting, appointed this committee to study the records and bring some resolution to this meeting.

Investigation has revealed that this is a problem faced by other associations than our own.

A study of the Liberty Associational records reveals the following facts:

In the one hundred and twenty-four years that the Liberty Baptist Association has been organized, one church, Abbotts Creek, has entertained the meeting seventeen times. On the other hand seventeen churches have not entertained at all. Four other churches have entertained it ten times each. The remainder of the churches have entertained the meeting from one to eight times.

In the light of the foregoing, the committee maks the following suggestions:

That the Association appoint a special committee to make a further study of the matter; that consideration be given the plan now being used in some other associations; which plan is the grouping of churches. This plan, if

adopted, will enable several churches to share both the burden and pleasure of entertaining. It will also enable us to know well in advance where the Annual meeting will be held.

Here is an example of what we have in mind:

The committee appointed will study the churches numerically and geographically. It will work out certain groupings of churches. These groups will in turn entertain the meetings. Each group could know well in advance when its time would be.

It would seem wise to have it understood that, in case No. 3 or 4 decides to make a change, they would be privileged to do so.

Also, is should be provided that, during the years, if any church or group should desire to entertain at a special time for a special purpose, they be permitted to work out suitable arrangements with the other groups and the committee on Time and Place.

Respectfully submitted,
J. O. Walton, Chairman,
Robert Bowen,
Roger Williams
Committee.

This plan was adopted.

Brother Carey Davis led the congregation in singing ALL HAIL THE POWER OF JESUS NAME.

REPORT ON THE ASSOCIATIONAL DEACONS' ORGANIZATION

Next on program was the report of the Associational Deacons' Organization, which was brought by Mr. J. T. Folds, and was adopted. Mr. Folds brought a short message and announced the time and place of the next meeting of the organization.

The First Meeting of the Associational Year of the Deacons organization which should have been held in October 1955 was not held.

The Second Meeting was with the Thomasville First Church January 30, 1956. Mrs. Worth Grant brought a very inspiring message on the work of our missionaries in Japan. There were 14 Pastors, 75 Deacons, and 67 visitors present, 24 churches were represented.

The Third Meeting was with the Churchland Church, April 30, 1956. Dr. McGee brought a very able and informative message on the work of our Baptist Hospital. There were 9 Pastors, 65 Deacons, and 5 visitors present, 18 churches were represented.

The Fourth Meeting was with the Greenwood Church July 30, 1956. Dr. J. S. Hopkins brought a message that was a challenge to Christians everywhere. His subject was "Our Biggest Challenge, That of Winning the Unsaved". There were 14 Pastors, 78 Deacons, and 39 visitors present, 23 churches were represented.

Of the three meetings held the average attendance was less than one-third of the Pastors and less than one-fourth of the Deacons. In the over-all of our association are we as deacons and pastors going to be so unconcerned about our deacons organization that it can be said of us that while we were asleep that Satan crept in and destroyed our organization.

Proverb 24:33, 34: Yet a little sleep, a little slumber, a little folding of the hands to sleep so shall thy poverty come as one that travelleth and thy want as an armed man.

Respectfully submitted,
J. T. Folds

The moderator then asked for suggestions concerning the Seminary Extension Department. After reading the action of the Executive Committee, he called for a motion — Rev. J. O. Walton suggested that the association did not know enough about the facts

to express its views. Rev. Harrell asked if the Executive Committee had accepted the offer. He was told that they had.

At this time Dr. Powell moved that the association accept action of the Executive Committee and let the Seminary put on the course. The motion was accepted.

REPORT ON CHRISTIAN EDUCATION

The report on Christian Education was given by Dr. F. M. Powell.

Granted our Redemption, the Baptist imperative today is EDUCATE! And the alternative, largely and effectively, is ceasing to be! One does not refer to mere erudition, but to the compelling desire to so learn God's will and work, that one increasingly may become an attractive as well as faithful witness for Christ.

The ideal certainly would be that, all our youth might be in our Baptist Colleges, and that every school be endowed, equipped and staffed second to no other, anywhere, and possessing THE PLUS which only the Christian Teacher and Emphasis can provide.

One recognizes that there is no Christian Mathematics, Sciences, Literatures, Philosophies, etc., per se, but one is convinced that it a pedagogical travesty for anyone to assume the prerogative to teach these or any other subjects, who neglects or repudiates essential Christianity! One also believes that the hour has struck when our Baptist Institutions of Learning, courteously but firmly, should stress their Christian genius and values as their supreme asset and worth, not as a sort of after thought or something for which to apologize!

Our seven Baptist Colleges in North Carolina, Wake Forest, Meredith, Mars Hill, Campbell, Gardner-Webb, Chowan — all thoroughly loyal and publicly committed to the Cooperative Program, to the Nine Year Program of our State Convention, and to every phase of essential Baptist Faith, have needs, specific and long over due, which we can ignore, only at our own and their immediate and future peril.

Hence we would urge a renewed loyalty, a more regular and adequate support, and constant thankful, intercessory concern, not only for all the Baptist schools of our state, but also for all those of our Southern Baptist Convention, and thus foster Christian Education around the globe.

Respectfully submitted,
F. M. Powell

After reading the report, Dr. Powell introduced the speaker, Dr. E. H. Campbell, president Campbell College, Buie's Creek.

The afternoon session adjourned at 3:30 o'clock with a prayer by Rev. Bennie Crawford.

TUESDAY EVENING SESSION

At 7:30 the vice moderator, Rev. Guy Moore, pastor Erlanger Church, called the meeting to order. Rev. Bennie Crawford, pastor Reeds Church, conducted the devotions.

Mr. Smith Crow, Jr. was not present, and having not sent a report on the Baptist Brotherhood, the next item was called for.

REPORT ON CHRISTIAN LITERATURE

The report on Christian Literature was given by Mrs. W. T. Stanfield.

When our thoughts turn to the Christian Literature of 1956, we can be justly proud that the Southern Baptist Convention is spreading before us one of the finest arrays of Christian Literature in all of its history.

However, we are currently faced with an ever-growing problem of cheap, trashy and filthy literature rolling off the presses in our country to fill the

homes and minds of our people. This unwholesome literature is so easily accessible at such a nominal cost, so brightly colored, boldly illustrated, and widely advertised in every newsstand that it is a constant competitor for our reading time. With so much good reading at our fingertips the churches of Liberty Association need to make it their business to put 2 or 3 Christian publications in each home and suitable places.

Biblical Recorder, Charity and Children, and **Home Life** should be made available to everyone. Then there are **The Commission, Home Missions, Royal Service, The Window, Tell,** and **Ambassador Life** proclaiming missions. The **Sunday School Builder,** The **Training Union Magazine,** the long list of graded quarterlies, **Open Windows,** and **The Student** (for college youth) should be a definite item in the church budget. As a part of our Educational Program we have too long overlooked the Church Library. What could be more important than opening in the church a library filled with only select reading material from fiction to the fine arts?

Then lest we forget, **The Bible** should be the center of our reading campaign. The time is ripe for placing the best literature available in the hands of our people.

Respectfully submitted,
Mrs. Bill Stanfield

J. Marse Grant, Editor of the "Charity and Children," delivered an address entitled "Baptist Publications".

REPORT ON THE W. M. U.

A report on the W. M. U. was brought by Mrs. Paul Kesler, superintendent of the W. M. U.

"Laborers together with God." 1 Cor. 3:8.

This is the W. M. U. Watchword. Surely the members of this organization have been working with Him during this year as we take note of that which has been accomplished.

Woman's Missionary Union now has an enrollment of about 2,850 women and young people. Out of 39 churches in our Association we have a Missionary Society in 33. Seven of these have no young people's organizations. Eleven of these have a fully graded union. Five churches have organized one or more of their young people's organizations this year. Reports from the local W. M. U. show a continued interest in Mission Study. An Associational Mission Study class was held with First Church Lexington last November. Mrs. J. T. McRae, Missionary to the Far East, taught the book drawing from her own experience there in the field. Five hundred women and Y. W. A. members attended. Later in the month she taught a class for G. A.'s and R. A.'s at New Friendship. Four hundred fifty boys, girls and adults were in attendance.

The Stewardship report shows a small increase in tithers over last year. Our gifts to the special offerings do not show a definite increase. These are weak places in our work which should be strengthened in the coming year. More women and young people are engaged in community missions. Reports reveal that many more of our women are attending State Leadership Institutes, Associational W. M. U. meetings and State Conventions. For this we are grateful.

The young people's work has progressed during the year. In April, Mrs. Mock Hedrick, Y. W. A. Counselor, had seventy Y. W. A.'s present for a Y. W. A. House Party. Young People whose lives are dedicated to Mission Service were the featured speakers.

In May a Sunbeam Rally was held at First Church Lexington. One hundred fifty Sunbeams were present for the program presented by Miss Beverly Neilsen.

The latter part of May featured a G. A. Rally with only forty-five in attendance with Missionary Bud Spencer, Japan, speaker.

Mills Home was host to an R. A. Conclave in August with 130 Counselors and boys in attendance. Rev. A. L. Parker was guest speaker. All of these special meetings were well planned and most of them well attended.

The goal of Liberty W. M. U. is a Society closely followed by Young People's organizations in every church. Why this goal? Because we wish to

share with everyone the love we have for, and the knowledge we have of, missions.

Respectfully submitted,
Mrs. Paul Kesler

REPORT ON FOREIGN MISSIONS

Rev. J. O. Walton, pastor of Churchland Church, brought a report on Foreign Missions.

It is true that we cannot keep Foreign Missions on the forward march if we do not keep the home fires burning brightly. Let this be well understood and properly appreciated.

At the same time let us remember that the whole world is in the eternal plan of God; that each person who offers himself for dedicated service is offering such service to One Who has set the whole world before us as our Christian objective.

Last year each church member in the Southern Baptist Convention gave an average of $39.51 for all causes. This figure sounds right good, and it is a fairly good average, considering the many who gave nothing. But when we look at the part that Foreign Missions got, the picture looks quite different. Foreign Missions received just $.63 of the $39.51.

Our Secretary, Baker James Cauthen, throws out this challenge: Suppose that our church dollar could be divided on a fifty-fifty basis? Fifty cents to be used at home. Fifty cents to be used for the rest of the world. Twenty-five cents could go for state missions. Twenty-five cents could go for Southern Baptists Convention causes. Then 12½ would go to Home Missions; 12½ for Foreign Missions. If this had been done last year we would have received $4.94 per person instead of $.63. Or instead of 5½ millions for Foreign Missions last year, we would have received more than 41 millions.

Be it well understood that every church has world-wide responsibilities. The obligation to evangelize the world it not optional, but it is inherent in our allegiance to Christ.

Although there has been a tremendous growth in giving during the past years, the proportion given to Foreign Missions has not grown accordingly. A larger proportion shared with the whole wide world will help to bring in the Kingdom of our Saviour; and will bring immeasurable blessings to those who give of their means, and also to those who receive the Gospel message.

Respectfully submitted,
J. O. Walton,
Churchland

Prepared September 12, 1956.

After the report on Foreign Missions, special music was rendered by a men's chorus directed by Brother Carey Davis. Dr. Eugene L. Hill of the Foreign Mission Board, Richmond, Va., brought the closing address. At the close of the address, Rev. J. Roy Clifford asked Rev. Sammy Shoaf, pastor Burton Street Church, to dismiss the session with prayer.

WEDNESDAY MORNING SESSION

After a music prelude under the direction of Mr. Carey Davis, the moderator, Rev. J. Roy Clifford, called the meeting to order at 9:35. The devotions were conducted by Rev. Raymond Crow, pastor Greenwood Church.

REPORT ON BAPTIST ORPHANAGE

Rev. Charles Young, pastor Center Hill Church, brought the report on the Baptist Orphanage. The report was adopted.

Continually our Orphanage is moving forward in its ministry of child care. In 1955 there were 58% more applications than in 1950. 824 applications

passed over the desk of the General Superintendent. To many of these the Orphanage had to say no.

During the past year a new Church building and a new parsonage have been completed at Kennedy Home. A contract will be let sometime this fall for a new Boys' Cottage and a swimming pool at Kennedy Home. Please remember that all these buildings are erected with special gifts or bequests.

Today more than 51,000 copies of Charity and Children are mailed out each week. It is the duty of each and every one of us to encourage our people to read it.

Let us always bear in mind the fact that the income for the Orphanage from Church budgets, one-a-month offerings, and the Cooperative Program is fixed and will be the same each year. Therefore, the only way for the Orphanage to get more money to meet the ever-increasing needs for child care is through a greater Thanksgiving offering. May we of the Liberty Baptist Association be thankful enough this Thanksgiving to fill our obligation to God and the homeless children of North Carolina.

Respectfully submitted,
C. S. Young

After reading the report, Rev. Young introduced Rev. W. C. Reed, Superintendent of Mills Home Baptist Children's Home, who brought an address on this institution.

REPORT ON N. C. BAPTIST HOMES

Rev. C. M. Pegram brought the report on the North Carolina Baptist Homes, but asked that his report be adopted without reading. The report was adopted and the time given to Rev. J. M. Hayes, Superintendent of Home For The Aging at Winston-Salem.

NORTH CAROLINA BAPTIST HOMES FOR AGING ASSOCIATIONAL YEAR, 1956

The Homes are in their sixth, and greatest, year of operation.

Construction of the Administration and Dormitory Building began in February. It should be completed by the end of the year, and ready for occupancy by February 1, 1957.

North Carolina Baptists have good reason to be proud of this new building, which, when completed and equipped, will add one-half million dollars to the total values of the Homes. What is more encouraging, there is reason to believe that the total cost of the new building will be paid for by the time it is occupied, if our 3,200 Baptist churches will respond with a generous Special Day offering on the third Sunday of February, 1957.

The added facilities of the new building will make it possible to care for 100 residents—20 at Resthaven, 36 at Albemarle Home, and 44 in the new building. Of this number, less than 10 will be part-time helpers. Moreover, a greater ministry to our aging residents will be possible because of the extra facilities in the new building. Among these will be ample space for craft shops, sun parlors, library, infirmary, and other additional features. In fact, the new building was planned and is being constructed to provide a well-rounded program with the most up-to-date facilities.

The Special Day offering this year, to date, is $88,400.03, including personal and corporation gifts. This amount will be increased by churches late in reporting their gifts. It is encouraging to know that the number of churches responding increases each year.

Resthaven and the Albemarle Home have been filled to capacity. When a vacancy occurs, which is rare, there is always a waiting list.

Effort was made in Winston-Salem during June and July to raise $100,000 for the new building. In addition to the money raised, the response on the part of a large number of splendid business men to help with the campaign was most inspiring. The aroused interest in the program of the Homes will bring increasing results for years to come.

There has been a larger number of building memorial gifts. They ranged from $300 to $3,000 — $300 to furnish, $1,000 to endow, and $3,000 to pay cost of constructing, a room.

A trustee, Mr. Don G. Matthews of Hamilton, gave, in addition to $3,000 to construct a room in the new building, $1,378 to pay cost of excavating a lake on the grounds of the new building.

Your Homes are putting forth their best efforts to render a ministry of security, comfort, congeniality, and Christian love to our residents.

North Carolina Baptists should keep in mind that their special offering and the share of the Nine Year Program received by the Homes help to make this ministry possible to all who come to the Homes, and, especially, to a large number who could not come but for such help.

There are some rooms left to be memorialized. Also, a limited number of cottages may be built on the Park Road site. If interested, contact James M. Hayes, general superintendent, N. C. Baptist Homes, Kentucky Avenue, Winston-Salem, N. C.

"Cast me not off in the time of old age; forsake me not when my strength faileth" (Psalm 71-9).

REPORT ON STATE MISSIONS

State missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

Over 60% of the people in North Carolina are lost—and need a Savior. State Missions provides a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities; also to plan for and promote united evangelistic efforts on a State and Associational-wide scale. Since the organization of this Department, Baptisms have averaged 8,000 a year more. North Carolina Baptist churches, last year, baptized more people than any other state except Texas.

Last year about 160 pastors received better training at Fruitland and about 35 at Caswell. Refresher courses are offered from time to time at Mars Hill for the benefit of all pastors and their wives—trained or untrained.

The total State Mission budget needs are $500,000. The goal for State Missions Day on October 28 is $123,000. Remember, this day for Missionary Baptist churches in North Carolina is the oldest of our Mission emphases. It has consistently undergirded our total World Missions program.

Therefore, will you as an individual and your Sunday School and church do your part so that the first part of The Great Commission might be obeyed.

Respectfully submitted,
Billy G. Freeman

After a period of music by Carey Davis and a group of pastors, Rev. A. E. Spencer, missionary to Japan, brought the address. At the close of the message, the morning session was adjourned with a prayer by Rev. Robert Taylor, pastor Glennanna Church.

WEDNESDAY AFTERNOON SESSION

After a hymn led by Rev. J. O. Walton, pastor Churchland Church, Rev. Robert L. Bowen, pastor Rich Fork Church, conducted the devotion.

Next, Dr. Powell was called to explain action of committee on obtaining a house for the associational missionary. The moderator called for a motion, and Rev. J. O. Walton made a motion that a committee be appointed to study the situation and put the matters before the churches and see what would be contributed.

John Penninger seconded the motion. Before voting, Rev. Fred A. Duckett offered a submotion that the association record its willingness to build or buy a house. After a discussion and the reading of the Executive Committee minutes, the submotion was carried. The Moderator stated that a committee would be appointed.

Rev. W. N. Brookshire, pastor New Friendship Church, brought a report on Resolution Changes that the committee recommended. This would mean bringing certain resolutions in harmony with the constitution.

RECOMMENDATIONS OF THE FINANCE COMMITTEE:

1. Ask the Baptist State Convention to continue its same support for another year.
2. Empower the Executive Committee to make adjustment in Associational Missionary's salary during the year, with original recommendation coming from Missions Committee. Anticipated increase in income would have to precede such adjustments.
3. Urge our churches to assist in the Associational Program to the extent of 6¢ per month, per resident member or 72¢ a year. More support must be given to our program in the Liberty Association if we are to make continued progress.

Sam J. Smith made a motion to adopt the two standing resolutions. The motion was carried.

REPORT ON MINISTERS RETIREMENT

S. B. Wilson, who was to bring the report on Ministers Retirement, was not present, and the report was handed to the clerk after being adopted without being read.

(Report on Ministers Retirement)

RELIEF AND ANNUITY BOARD FOR 1956

The 38th year of service for the Relief and Annuity Board closed in July of this year. Organized in 1918 with a $100,000 grant from the Sunday School Board, the Board worked continually to enlarge its services to Southern Baptist pastors and layworkers.

THE OPERATION OF THE PLAN IN NORTH CAROLINA

As of July this year, 787 individuals are participating in the Minister's Retirement Plan. Of these 232 are carrying the Widow's Supplemental Annuity Plan, Beginning with the first of January 1956, a new plan, the Southern Baptist Protection Plan is being offered. It is more flexible and includes the widow's benefits. One hundred thirty-two pastors and layworkers have joined this plan (Southern Baptist Protection Plan) during the first seven months of 1956. It will be to the advantage of our younger pastors who are in the Minister's Retirement Plan to transfer to the Southern Baptist Protection Plan. Until January 1, 1957 full credit for Minister's Retirement Plan dues can be transferred without deduction. Let it be stressed that the Southern Baptist Protection Plan includes widow benefits should a member die before 65 years of age.

With the co-operation of the churches and the State Convention all pastors and layworkers now have the opportunity to provide for their families in case of death and for retirement income in the sunset years. Dues are payable in the Southern Baptist Protection Plan by the member at the rate of 5% of the "salary base" up to a maximum salary of $4,000. This is matched by a 5% contribution from the church and 5% by the Convention.

At the present time we have 80 age annuitants. There are 4 ministers receiving disability benefits and 36 widows receiving benefits, all under the

Minister's Retirement Plan which was first offered in 1940. All of these have paid into the PLAN and are receiving benefits in proportion to their dues and the matching contributions by the church and the Convention. The amounts received vary from very small amounts up to $125 monthly. The individual amount received by the annuitant or disabled worker depends upon the "salary base" on which he has paid and the number of years he has participated in the Plan. The monthly benefits amount to $4,869.66 or a total of nearly $60,000 per year.

Another phase of the work of the Relief and Annuity Board is "direct relief" in grants to retired ministers and/or their widows who have not had the opporunity of participating in any Annuity Program. There are 64 of these old soldiers of the cross receiving a total of $10,948 annually, and 97 widows are receiving $11,340 for a grand total of $22,488. This comes from the Relief and Annuity Board Cooperative Program receipts. It is to be understood that the individual amount is necessarily small and that the recipient has paid no dues whatsoever. This is purely and simply aid in the name of a compassionate Saviour to those who by reason of age or disability have been unable to provide for the years of retirement.

Since the middle of February, Ottis Hagler has been devoting part of his time to the enlistment of our workers and churches in the Retirement Plans. He will be glad to help in any way possible. Contact him at 119 Hillsboro Street, Raleigh, North Carolina.

The address on this subject was brought by Ottis J. Hagler, of the State Board, Raleigh.

REPORT ON AMERICAN BIBLE SOCIETY

The report on the American Bible Society was brought by Rev. Troy Clement, and was adopted.

A Chinese college student, during World War II when Bibles were scarce in his country, made this request: "We students want to know Jesus. We must have this Book". Another thoughtful Chinese student, talking with his missionary teacher, said: "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart".

People must have the Bible because is presents Christ, the one hope of men and nations. They must have the Bible in their own language because it speaks to their hearts as no other language can speak.

The American Bible Society aids in Bible translation, publishes the scriptures, without note or comment and distributes them without profit, usually below cost. For the blind it supplies Scriptures in raised-letter systems and on Talking Book records. The Bible Society serves every form of Southern Baptist mission work around the world.

During 1955 the American Bible Society distributed throughout the world almost 15 million volumes of Scripture. It helped to publish Bibles in Russia by giving Russian Baptist leaders mats made from our printing plates, which they are using to print 50,000 Russian Bibles. It helped the Japan Bible Society publish the full Bible in every-day language easily understood by all the people. This opens the Book to many millions of new readers. The Bible Society donated 1,397,100 Scripture Volumes to our Armed Forces, providing a vital link between the home churches and the men in service.

In 1955 Southern Baptist churches again broke their record by giving $115,631 to their Bible Society. The help of every Baptist church is needed.

Respectfully submitted,
Troy Clement

REPORT OF HISTORIAN

The report of the Historian was brought by J. Marse Grant and was adopted.

The past associational year was marked by sound growth in the Liberty Association rather than any spectacular developments.

The following new pastors came into the association: Robert Nation, Wallburg; Bennie Crawford, Reeds; Robert L. Bowen, Rich Fork; Roger E. Williams, Mills Home; and Raymond Crow, Greenwood.

One new church was organized—the Burton Street Church in Thomasville which has been received into the association. The Rev. Sammy Shoaf was called as the church's first pastor.

With the coming of Burton Street Church into the association, there are now a total of forty churches in the Liberty Association.

Construction activity which has flourished since the end of World War II leveled off considerably in the past year. Among the projects inaugurated were the beginnings of new parsonages at Denton and Mountain View and an educational building at Erlanger Church. The Glennana Church has purchased a beautiful lot as a site for a future building.

One of the noteworthy events during the year was an observance September 2 honoring Miss Sallie McCracken on the 60th anniversary of her coming to Mills Home. Her work in the Liberty Association during these 60 years has been most outstanding.

REPORT ON EVANGELISM

The report on Evangelism was brought by Rev. Leonard Rollins, pastor Coggins Memorial Church. The report was adopted.

Every consistent Bible student must agree that evangelism is the heart of our ministry. The Scripture teaches that God has a part and that Christians have a part in helping others to become Christians. There are two quotations from Christ which should always be linked together: "For the Son of man is come to seek and to save that which was lost" (Luke 19:10) and "As my revelations of the divine purpose are inseparably linked together.

Last year Southern Baptists baptized 416,867, which was one baptism for 20 church members. North Carolina Baptists baptized last year 35,607, which was one baptism for 22 church members. Liberty Association, with 32 Churches reporting 447 baptisms, averaged one baptism for every 24 church members.

It is estimated that there are 1,500,000 lost people in North Carolina, all of whom must be won to Jesus Christ in our generation or perish forever. To even approximate doing this we must win far more people to Christ in the days ahead than we have in the past. In the light of this tremendous responsibility, the following suggestions are offered for consideration.

1. That every church in the Liberty Association form and maintain a functioning church council on evangelism.
2. That we co-operate fully with our associational chairman of evangelism in any plans that he might propose.
3. That we request the Department of Evangelism of our Convention to assist us in conducting an Evangelistic Clinic in our association eary next year.
4. That we look with renewed favor upon the idea of having a Simultaneous Crusade in our association every year as set forth in **The Southern Baptist Program of Evangelism.**

The need is urgent, the time is immediate, the harvest is already overdue.

Respectfully submitted,
Leonard Rollins

MEMORIAL SERVICE

In the absence of Rev. C. S. Young, Rev. Robert L. Bowen conducted the Memorial Service. After the names of the departed were read, Rev. J. O. Walton led the congregation in singing the first stanza of "The Sweet Bye And Bye".

REPORT ON HOME MISSIONS

The report on Home Missions was brought by Rev. Robert Taylor. His report was accepted and adopted without being read.

HOME MISSIONS IN 1956

By John Caylor

The 1956 Report of the Home Mission Board indicated that 1955 was a year of "unprecedented growth and achievement." Special emphasis was placed

on evangelism. The Convention-wide crusade, led by C. E. Matthews and other members of the Home Mission Board's evangelistic staff, in cooperation with all other agencies and state leadership, netted the greatest results in baptisms in the history of the Convention. The Board's income for the year was $3,134,340.86.

Church loans were made to 237 churches and surveys made with approval for loans to be consummated later. At the end of the year 604 loans in the sum of $5,826,970.03 were outstanding.

Statistics for 1955 indicated at the close of the year, 1,493 missionaries (including 388 summer student missionaries), a gain of 151 in personnel; 37,475 professions of faith; 105,426 sermons and addresses by missionaries; 4,423 dedications for special service; 725 new missions started; 410 new churches constituted ;and 430 Southern Baptist chaplains in service. There were 15,249 conversions reported by chaplains, not listed in missionary statistics.

Advancement in 1956

During 1956 changes in personnel included the selection of Leonard Sanderson as secretary of the Department of Evangelism; Leland H. Waters as executive assistant; J. T. Gillespie to direct the Rural Church Program; M. Wendell Belew in City Missions, the downtown church, and the church-centered mission program; and William B. Mitchell succeeded Frank H. Halbeck in the Department of Jewish Evangelism.

Major emphasis in the "4-Year Conquest for Christ" for 1956 is on church extension, with a goal of 2,666 new churches. Surveys reveal that there is specific need for 10,000 new churches now. New Churches and new meeting-houses in which to worship mean more workers, more converts, and more money for the promotion of world missions. The Board is girding its forces in preparation for the Convention's emphasis in 1957 on World Mission Year.

Robert Taylor

William B. Mitchell of the Home Mission Board, Atlanta, Ga., brought the address on Home Missions.

There being no further business, the one hundred twenty-fourth session of the Liberty Baptist Association was closed with prayer.

We are very happy to report two very fine Leadership Conferences during the year. One at Stoner's Grove October 18 at 10:00 o'clock and the other at Carolina Avenue Church October 25 at 7:00 o'clock. Each of these meetings were well attended and much enthusiasm shown. The night meeting was most gratifying as the attendance was better.

Constitution and By-Laws **(Adopted September 29, 1954)**

PREAMBLE

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Bapist Conventions, according to the following Articles:

Article I. NAME

The name of this body shall be the LIBERTY BAPTIST ASSOCIATION.

Article II. MEMBERSHIP

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure.

Article III. MEETINGS

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV. COMPOSITION OF MEETINGS

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or major fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the association from the number elected by the churches.

Article V. OFFICERS AND THEIR ELECTION

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Chorister, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. Officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (By-Law 8, section 2, (6)), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

Article VI. TRUSTEES AND THEIR ELECTION

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

Article VII. THE EXECUTIVE COMMITTEE

This Committee shall be composed of all associational officers, the associational Missionary (Ex-officio,) each active pastor, Church treasurers, and one lay member choseen by each member Church from its membership and certified to the Association in its annual report. This Committee shall elect annually from its number a chairman, vice-chairman, and a secretary, neither of whom shall be an officer of the Association.

Article VIII. POWERS AND PRIVILEGES

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with ARTICLE II, Section 2).

Article IX. AMENDMENTS

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

BY-LAWS

By-Law I. PARLIAMENTARY RULES

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Kerfoot's "Parliamentary Law" shall be followed as the Association's rules for conducting its deliberative assemblies.

Section 6. THE COMMITTEE ON RESOLUTIONS

This Committee shall be composed of five members. It shall draw up and present to the Association resolutions of appreciation and any other resolutions it may deem expedient. Also, all resolutions and recommendations for consideration presented at the annual meeting shall be referred to this Committee.

Section 7. THE FINANCE COMMITTEE

It shall study the Association's financial needs for an adequate program, present a budget to the Association for the following year, devise plans for securing the cooperation of the churches in the raising of the budget, audit the Treasurer's books at the close of each Associational year, and make a written report to the annual meeting.

Section 8. THE COMMITTEE ON MEMORIALS

This Committee shall be composed of five members. It shall bring a suitable report at the annual meeting and shall lead in a memorial service in memory of those reported by the churches to have died since the last annual meeting.

By-Law IX. AMENDMENTS

Amendment to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one member-at-large from each Baptist church in the fellowship of the Association.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become pastor of a baptist church in regular standing in its association, which church shall have requested in writing his ordination before the call of the Ordaining Council shall be approved.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and cooperation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a baptist church of the same faith and order.

Director of Graded Choirs: Miss Lucille Reed
Director of Publicity and Promotion: Mrs. Edgar Bridges
Director of Congregational Activities: Rev. and Mrs. Fred Duckett
Director of Training: Rev. Benny Crawford
Director of Instrumental Activities: Mr. Carey Davis Pastor—Advisor: Rev. Guy Moore

These have served faithfully during the year in trying to promte better music in our churches.

On Nov. 20th an Associational Music Conference was held and Mr. Joseph Stroud, State Secretary of the Department of Church Music, spoke on the "Purpose, Program and Plan of the Music Department."

The Music Education Committee met twice during the year and on March 31st a Hymn Sing was held at the Mills Home Church.

The committee starteed off the new associational year with a meeting on Sept. 1st at the Denton Church.

Plans are being made for an associational music planning meeting on Tuesday night, Oct. 8th at Erlanger Church.

Perhaps the highlight of the year will be our School of Music to be held during the week of Oct. 13th at the First Baptist Church of Lexington. Your

Pastor and Music Director will be receiving detailed information about these meetings. Pastors, choir directors, choir members, music committes, accompanists and all others who aree interested in church music, make your plans now to attend thesee two very important meetings.

REPORT ON AMERICAN BIBLE SOCIETY

Rev. Roger Williams, pastor of Mills Home Church, brought a report on the American Bible Society. The report:

REPORT ON AMERICAN BIBLE SOCIETY

"The Bible Speaks Today" is not just a slogan. It is the experience of millions of people around the world. It is a challenge to action. The Bible must speak to more people in the Southern Baptist World Missions — and in all the years ahead.

If the people of the world are to know Jesus Christ,
the one hope of men and nations, they must have the Bible.
Each person must have the Bible in his own language
because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary

uses it in all his work. The Bible itself is missionary. It can go where the human missionary cannot go. It can stay when he must leave — and keep on speaking to a man's heart.

The American Bible Society helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost.

Of all Denominations, we Southern Baptists stand to profit most through the distribution of Bibles. However, we gave only 1½ cents per member for this work last year, while United Presbyterians, for example, gave 7 times as much.

Send all gifts to our Baptist State office, and make them "for the American Bible Society."

Respectfully submitted,
Roger E. Williams Jr.

This report was adopted.

The moderator recognized Dr. J. C. Canipe, president of the Baptist State Convention; also Rev. Troy Clement and Rev. Billy Freeman of the Rowan Association.

The moderator asked the chorister, Carey Davis, to lead the congregation in singing a hymn.

REPORT ON RELIEF AND ANNUITY

Rev. W. N. Brookshire brought a report on relief and annuity. This report was adopted.

The report:

RELIEF AND ANNUITY REPORT

When the Relief and Annuity Board was established some thirty-nine years ago, its purpose was "to provide relief, support, benefits, and annuities for ministers of the Gospel of Baptist churches and their widows and orphans within the bounds of the Southern Baptist Convention." In seeking to accomplish this purpose considerable change and expansion have taken place during recent years.

Beginning the first of January 1956 the Ministers' Retirement Plan in North Carolina was closed to new ministers, and the new Southern Baptist Protection Plan was made available in its place. This plan is uniform throughout the Southern Baptist Convention. Members of this plan, participating churches, and the Convention contribute to the plan at the rate of 5 per cent each. The maximum salary basis is $4,0000.00. A member may participate on a reduced salary basis if hee so desires.

Although the original North Carolina Ministers' Retirement Plan is closed to new members, there are many who are still active membres of the plan. Beginning January 1, 1957 dues for the Ministers' Retiement Plan have been sent diect to the Dallas office of the Relief and Annuity Board.

Anyone who is an active member of either of the Retirement Plans is eligible to participate in t he Family Benefit Endorsement. This is an additional protection for the family in case of the member's death.

Some few ministers and widows are receiving grants under the direct relief program. Funds for this aid are received from the Cooperative Program.

Respectfully submitted
W. N. Brookshine

At this time, Mr. J. O. Stroud, secretary of the Department of Church Music, was introduced by Mrs. Guy Moore. After the address, Mrs. Moore made a motion that the report be adopted, and it was so ordered.

ANNUAL SERMON

After a period of music led by Carey Davis, and after hte scripture reading and prayer by Rev. W. H. Walton, pastor of Abbotts Creek Church, the Rev. Clarence Jenkins from the Oak Hill Memorial Church preached the Annual Associational Sermon.

At the close of the sermon, the morning session was adjourned with prayer led by the host pastor, Rev. Fred A. Duckett.

AFTERNOON SESSION

The afternoon session was opened by a period of music led by Carey J. Davis.

Due to the absence of Rev. W. E. Sampson, the moderator asked Rev. Sammy Shoaf, pastor of Burton Street Church, to conduct the devotion.

REPORT ON STATE MISSIONS

In the absence fo Mrs. Marse Grant, Mr. Grant brought an oral report lilustrating with posters the work of the State Mission Board. The report was adopted.

At this time, Dr. E. L. Spivey, secretary of the Department of State Missions, brought an address.

REPORT ON TRAINING UNION

Mr. W. H. Buchanan brought the report on the Training Union; this report was adopted.

The report:

ASSOCIATIONAL TRAINING UNION REPORT

For many year industries have seen the importance of training and have invested large sums in colleges, universitis, and trade schools through endowments, scholarships, and other means. In receent years industries have learned the value of In-Plant or On-The-Job training. Our great denomination has its' colleges and seminaries. It also has an On-The-Jobs training program. This program is the Baptist Training Union. The name Baptist Training Union is not just a catchy label,, but is a name which(properly describes the purpose of the organization.

In this day when so many ects and Isms are flying the Baptist banner it is important that all our members be informed as to what we are, what we believe, and how we operate. The Baptist Training Union is designed to do just this. Several of our churches in the Liberty Baptist Association are not providing their members with this needed program. However, I am glad to report that some of these are contemplating organiziing a Trainig Union and at least one church is in the process of organizing one.

The Quarterly Executive Committee meetings, Officers and leaders Conferences, and Mass meetings hav been educational, informative, and spiritual. Night was held at the First Baptist Church, Lexington, N. C., December 3, 1956. This was t he high-light of the training union year. Reverend Ralph L. Cannon, pastor, Southside Church, Winston-Salem., brought an inspiring message "Serving the Lord Christ." Six hundred ninety-four were present. Twenty-six churches were represented with twenty-two pastors and twenty-three Training Union directors present.

Realizing that our purpose is to train leaders for today and tomorrow our goal for the new year is an active, energetic, and efficient training union in every church of our association.

Respectfully submitted,
Horace W. Buchanan
Associational Director

REPORT ON SUNDAY SCHOOL

The report was brought by Rev. Fred Jurney, Associational Sunday School Superintendent. This report was adopted.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

Jesus established the church. He commanded in Matthew 28-19-20 which in part says, " Teach them to observe all things whatsoever I have commanded.', A properly functioning Sunday School guarantees the Bible taught. Effective Bible study leads naturally to intensive effort toward reaching people and winning them to Christ and into Christian service. This year our Lilberty Baptist Association reports 40 Sunday Schools with an enrollment of 10,171 and 12 churches observed January Bible Study, 28 churches had training courses with 493 awards, 34 churches had Vacation Bible School withe an enrollment of 3,885. This report is not as good as we would like it to be and we would like to make the following recommendations for the coming year:

1. That we major in our Sunday school war on more people in Bible study, more effective Bible teaching, more people won, developed, and enlisted.
2. That the Sunday school leadership in each church in our association be urged to establish a goal of 125 enrolled in Sunday school for each 100 church members, provide a training program which would include January Bible Study Week Preparation Week and also Operation Home Study.
3. That a new Sunday School be started this year, move up the pattern of origanization by starting new classes and departments.

State-wide there were 3,266 Sunday Schools. The enrollment at the close of 1956 was 736,635. There were 2,764 Vacation Bible Schools reported during 1956 and there were 35,900 training awards earned in the 1,192 churches last year.

Respectfully submitted,
Rev. Fred Jurney, Associational
Sunday School Superintendent

Following the report, Dr. Herman Ihley, secretary of the Sunday School Department, brought an address on the subject of "Ye Are Witnesses."

REPORT OF COMMITTEE ON ENTERTAINING THE ASSOCIATION

Rev. Fred Duckett read the report of the 1957 committee on entertaining the association, as printed in 1956 minutes on page 28, which was adopted at last year's session. He then presented the report of the committee for 1957 with the plan for entertainment of hte association. Rev. Duckett moved the adoption of this report. In the discussion, Rev. Chas. F. Leek, chairman of the Committee on Time, Place, and Preacher, stated that Southside and Liberty Churches had invited the association to meet with them in 1958.

Rev. Crow suggested that the association accept the invitation to meet with these churches in 1958. However, there was a motion, passed that the two committees have a conference and bring their recommendations at tomorrow's session.

A motion was passed that five minutes be alloted for miscellaneous business. Rev. Hemphill reopened his report on constitutional changes. After he read the suggested changes, the report was adopted.

Report of a special committe appointed by the Executive Committee of the Liberty Association to study a proposed Constitutional Change.

We reccomend that Article seven of the Constitution and By-laws be changed to read as follows;

Article VII. THE EXECUTIVE COMMITTEE

This Committee shall be composed of all associational officers, the associational Missionary (Ex-officio,) each active pastor, Church treasurers, and one lay member chosen by each member Church from its membership and certified to the Association in its annual report. This Committee shall elect annually from its number a chairman, vice-chairman, and a secretary, neither of whom shall be an officer of the Association.

Respectfully submitted,
Carl Hemphill, Chairman
Raymond Crowe
R. H. Kelly

The body of associational messengers voted to reject the constitutional changes recommended by Rev. Raymond Crow.

REPORT ON PUBLIC MORALS

The report on Public Morals was brought by Rev. W. H. Lewis, and after a brief discussion, the report was adopted.

The report:

REPORT ON PUBLIC MORALS

Pertinent facts pertaining to the public morals were revealed from the records in the Sherriff and Welfare Departments.

Let us look at some of their statics. There have been 834 arrest in Davidson County in the past eight months. Of this number 98 were fellonies, four were murders. These figures exclude the arrest made in Denton and Thomasville. The Welfare Department assisted approximately 950 children or an average of 245 cases per month over the same period of time.

The majority of these cases are the results of liquor and laziness. All of these spiritually delinquent people live with in the shadows of our forty Baptist Churches;; not one family lives mroe than ten miles from one of them. Not only that, but there are 151 churches of other denominations who should share this great responcibilty with us.

The two departments mentioned above were not only willing to assist in compilling this information, but are anxious for our help. Therefore, "Let us arise up and biuld" a better community through the cooperation of the local church and these departments.

If we neglect these and other moral problems they will cause the downfall of many of the ideals, hopes, and aspirations for which we have labored.

Christians should know that our Saviour made no distinction between moral and spiritual problems. All moral problems have their roots in the hearts of the people who need either spiritual or psycholical guidence or both. Let us help them now, tomorrow may be to late.

We would do wel to consider the question Cain ask God, in Genesis 4:9; "Am I my brother's keeper."

Respectfully submitted,
W. H. Lewis

REPORT ON CHRISTIAN LITERATURE

The report on Christian Literature, to be brought by Mrs. Edgar Bridges, was presented by Rev. Leonard Rollins. The report was adopted.

The report:

REPORT ON CHRISTIAN LITERATURE

With the passing years, the Southern Baptist Convention has continued to offer more and better Christian Literature and 1957 has been no exception, even though there is an ever-growing problem of cheap, trashy and filthy literature easily available. In view of this, the churches of Liberty Association need to make it their urgent business to put several Christian publications in each home and other suitable places.

Biblical Recorder, Charity and Children, and **Home Life** should be there for everyone. Then there are **The Commission, Home Missions, Royal Service, The Window, Tell, Ambassador Life,** and **The Brotherhood Journal** proclaiming missions. **The Sunday School Builder, The Training Union Magazine, Open Windows, The Student** (for college youth), and the long list of graded quarterlies should be a part of the church budget. Let us remember too, the need for a good Church Library. Only 13 churches in our Association last year reported a Church Library. What could be more important than to make easily available the best in fine literature?

Always, lt us be careful to make The BIBLE the center of our reading as we lead our people to realize a new its significane in our lives.

Respectfully Submitted,
Mrs. Edgar Bridges

An address on the subject was brought by Rev. C. W. Bazemore, associate editor of the Biblical Recorder. At the close of the address, the meeting was adjourned with prayer led by the moderator, Dr. J. Roy Clifford.

TUESDAY EVENING SESSION

The evening session of the Liberty Baptist Association convened at Denton Baptist hurch on Tuesday evening at 7:30. After a period of music led by Carey J. Davis, Rev. Roy Smith, pastor of Jersey Church, conducted the devotion.

REPORT ON DEACON'S ORGANIZATION

At 7:40, Mr. R. E. Muth from Mills Home brought the report on the Deacons' Organization. After a motion and a second, this report was adopted.

The report:

REPORT OF THE ASSOCIATIONAL DEACONS' ORGANIZATION

The programs of our Deacons Organization for the past year were informative and an inspiration to us. The quality of the programs is a credit to the efforts of our Program Chairman, Mr. H. W. Buchanan, of Erlanger Church.

The first meeting of the year was held at the Carolina Avenue Church with Rev. Roger E. Williams, Jr., Pastor of Mills Home Church, bringing the message on "The Deacon Understanding the Problems of the Pastor." Churchland was host for our second meeting in January with Mr. H. W. Buchanan speaking on the subject of "The Deacon." The April meeting was held at Mills Home Church with Mr. Beamer Barnes bringing the message on "The Law and Enforcement." The last meeting was held in June with Lilberty as the host Church. Rev. W. R. Grigg, head of the Department of Work with the Negroes, spoke on this newest phasee of our State Convention's activities.

The attendance at our meetings has not been what should be. Several of our Churches were not represented at any of the meetings held during the year. I would urge all of the Deacons and Pastors to support the Organization and the new officers by their attendance at our quarterly meeetings during the new associational year.

I wish to express my appreciation to the officers of our group for their cooperation. They are as follows:

B. J. May, Jr. ..... Vice President
Eric E. Morgan, Jr. ..... Sec & Treas.
John Lopp, Jr. ..... Chorister
Kenneth Lawerence ..... Pianist

REPORT ON BROTHERHOOD

The report on the Brotherhood was called, but Smith Crow, Jr. was not present and had not sent a report.

Rev. Carl Hemphill announced the coming of Horace Easom to the association in November for a week's work with the Brotherhood.

ADDRESS BY DR. J. C. CANIPE

Dr. J. C. Canipe, president of the Baptist State Convention, brought an address on "The Tithing Program".

At this time we were favored with special music by the Abbotts Creek Church choir, led by Carey Davis.

REPORT ON EVANGELISM

Rev. Fred Duckett, pastor of Denton Church, brought the report on Evangelism. The report was adopted.

The report:

REPORT ON EVANGELISM

The late Dr. L. R. Scarborough defined evangelism as "going with Christ after the lost." Any Church that does not make that the center of its enterprise has forfeited all right to being called a true New Testament Church.

Evangelism concerns itself with carrying ou the Great Commission of Chirst (Matthew 28:19-20.) As disciples of Jesus, we are comissioned to make other disciples; as the body of Christ we are to baptize those who gladly believe; as the redeemd of God we are to teach others that they might grow in grace and in the knowledge of our Lord and Saviour Jesus Christ.

During the past year 37 of our Churches in the Liberty Baptist Association reported 480 baptisms. The population of Davidson County and North Carolina is increasing at a far more rapid pace than at which we are winning people to Christ and baptizing them into the fellowship of our churches. In other words unless we greatly accelerate our soul winning during the next five years we will actually lose ground in the field of evangelism. It is far too little to maintain a "status quo."

In view of th e urgency of the hour in the field of evangelim the following suggesttions are offered:

1. That each Church in our Association conduct two revivals this year.
2. That one of these of be a simultaneous effort on the part of all our Churches.

3. That we encourage an increased attendance at our State Evangelistic Conference, especially among th laity of our Churches.
4. That each Church set up a funetioning council of evangelism.
5. That we challenge every member of our Churches to be a personal soul winner.
6. That we begin to make definite plans now to participate 100% in the 1959 World-wide Simultaneous Revival Crusade to be held April 12-26, 1959.

Soul winning is not optional for the individual Christian or for a Church. The same Christ who says, "Come," also says "Go". May this be a year that will be remembered as one in which wee went with Christ after the lost and won them. "Say not ye, There ar yet four months and then cometh the harvest? Behold, I say unto you, lift up your eyes and look on the fields, for they are white already to harvest."

Respectfully submitted,
Fred A. Duckett

Rev. Duckett now introduced Rev. Julian S. Hopkins, secretary of the Department of Evangelism, Baptist State Convention of North Carolina.

After the address by Rev. Hopkins, the evening session was adjourned with prayer, led by Dr. J. C. Canipe.

WEDNESDAY MORNING SESSION

September 25, 1957

Center Hill Baptist Church

At 9:20 Wednesday morning at Center Hill Church after a musical prelude, the moderator, Dr. J. Roy Clifford, announced the beginning of the second day session of the Liberty Baptist Association. Rev. R. H. Kelly, pastor of Liberty Church conducted the devotion.

REPORT ON HOME FOR AGING

Rev. Raymond Crow, pastor of Greenwood Church, brought the report on "Homes for the Aging." After a motion and a second Rev. Crow introduced the speaker. In the absence of Rev. J. M. Hayes, Mrs. Ethel Fulghum, supervisor of Rest Haven in Winston-alem, brought the message.

The report was adopted.

The report:

REPORT FOR N. C. BAPTIST HOMES FOR AGING

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at Resthaven and Alemarble Home. It, also, added half a million dollars to the value of the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, N. C. to

give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This Fourth Home will probably add space for approximately forty additional residents.

Two Wills have been probated in Forsyth County in which the Homes were remembered with sizeable gifts when received. Word has come of other Wills in which the Homes will share.

A total of about Eighty-Five thousand dollars has been received from the February Special Day Offering.

The Baptist State Convention authorized the Homes to borrow one hundred, seventy-five thousand dollars for finishing and equiping of the new building on the Reynolds Park Road, fortunately it was not needful to borrow but one hundred thousand dollars, which should be paid within the year 1958 with a generous Speical Day offering on the third Sunday of February, and continued gifts from othe sources.

The residents, and all connected with Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptist of our state in thanking God for His favor and blessings year by year.

Respectfully sumbitted,
Raymond E. Crow

REPORT ON CHILDREN'S HOMES

J. N. Penninger, Jr. brought the report on Children's Homes. After a motion and a second, that this report be adopted, the vice-moderator, Rev. Leonard Rollins, introduced the speaker, Rev. W. C. Reed, superintendent of Mills Home.

This report was adopted.

The report:

REPORT ON BAPTIST CHILDREN'S HOMES

It has been another busy year at our Baptist Children's Homes. In 1956 only about 20% of the 813 applicants could be admitted. Many of the other 644 were placed with relatives or some other agency where their needs are being met while others are still on the waiting list.

No on knows exactly how many children the Baptist of North Carolina should care for annualy. Last year 751 were cared for, an increase of 15 over the previous year. It is planned, to gradually increase the "Foster Home Program," until we are caring for our share of the dependent children.

At their annual meeting in May 1957, the Board of Trustees, voted unanimously to recommend to the Baptist State Convention in November, that the Indian orphanage at Pembroke, which cares for 15 or 20 children, be made a part of our North Carolina Baptist Child care program. It is now inadequately supported by the Burnt Swamp Association. The only was for us to meet this and the many other challenging needs is through special gifts and to increase our Thanksgiving offerings.

Through special gifts and bequests a new swimming pool has been built, and a boys cottage is under construction at Kennedy Home. It is expected that contract for another Boys Cottage at Millis Home will be let within the next year.

Charity and Children continues to keep us informed on all phases of our Baptist Program, and in promoting God's Kingdom. It is now going to about 52,000 homes each week.

Respectfully Submitted,
J. N. Penninger, Jr.

REPORT ON BAPTIST HOSPITAL

The report on the Baptist Hospital was brought by Rev. Guy C. Moore, who asked that the report be adopted without being read in order to give more time to Dr. W. K. McGee, who brought an address on the hospital. The report was adopted.

The report:

REPORT ON N. C. BAPTIST HOSPITAL

Our North Carolina Baptist Hospital is a vital force in promoting the health and happiness of the people of North Carolina and surrounding states, and the possibilities for expansion of its service is unlimited. It is an institution dedicated to service of those who need medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

The 1957 report sent out from our Baptist Hospital reveals that a new record was set during the past year in its ministry to the sick. During that year 15,784 patients received 123,000 days of bed care, 61,000 visits to the out-patient clinics were mae and 60000 to the private clinics. Service patients came from 92 of the 100 counties of our state. It provides

medical care and service of the highest order for our people in North Carolina, whatever their financial circumstances may be.

About 35 cancer patients each day receive treatment provided by the new Cobalt machine. Ourp lastic surgeon is doing highly skilled work, and our heart surgeon has performed some of the newest and most difficult heart operations known. In this great medical center specialized medical care is rendered in twenty-five diffrent fields of medicine and surgery.

If a person wishes to go to the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. The out patient department is open to people who are not able to pay the full cost of their medical care. In cases of emergency or the need for immediate hospitalization, a local physician should always call or write the hospital in order that he may give the medical information required before the proper arrangements can be made. If a person will not be able to pay his full hospital bill when he leaves theh ospital, definite financial arrangements should be made when he is admitted and not left until later.

Let us help meet the physical and spiritual need of our people by supporting our Baptist Hospital. The needs for help grow great each year. Give generously of your prayers, your love, and your money.

Respectfully submitted,
Guy C. Moore

REPORT ON CHRISTIAN EDDUCATION

Rev. J. O. Walton, pastor of Churchland Church, brought the report on Christian Education, but asked that the report be accepted without being read in order to give the speaker more time. His request was granted. Rev. Walton then introduced Dr. Budd E. mith, president of Wingate Junior Clolege, who brought the address.

The report:

CHRISTIAN EDUCATION

Our hearts and souls are on fire: Wingate is planning to serve tomorrow, and this will be assured through the Christian stewardship of North Carolina Baptists and friends.s The school's influence will be reflected in growth, and by tangible evidences such as buildings—from a three-room wood structure to a campus valued at a million dollars;; and, from fifteen students to six hundred and fifty. The needs are great—particularly for faculty salaries, faculty housing, teaching facilities, and recreational facilities.

Campbell has developed in equipment, personnel and services through seventy years and today increasingly makes its facilities available to Baptist organizations.

Campbell College merits the continuing support of North Carolina Baptists: it's academic offerings excellent, its campus life wholesome, its teachers loyal to the Christian ideal, its students encouraged to go on for advanced training that they may more completely serve all phases of Baptist growth.

PURPOSE

Chowan, seeks to give to all students who enroll an understanding and appreciation of the ideals of religion fundamental to a positive, Christian philosophy of life.

OFFERINGS

The student may receive an Associate of Arts degree by completing two-year courses leading to Bachelor of Arts and Bachelor of Science degrees. These include pre-engineering, forestry, agriculture, music, business, dentistry, medicine, medical technology; also one- and two-year terminal courses in shorthand and accounting fields and in graphic arts.

Gardner-Webb is a junior college with a communiyt service idea at its heart. Based on the assumption that an institution to bee strong must have its roots deep in the soil where it islocated, Gardner-Webb holds that the

churches need the college as much as the college needs the churches. They are indispensable to each other, and only together can carry out the total program of the Kingdom.

The fundamental purpose of Mars Hill College is to produce sane and capable Christian leaders in all walks of life; consequently, Mars Hill men and women live and serve in many parts of the world. ThTis achievement would have been impossible but for the fact that the college has so charted its course as to make continuous progress spiritually, educationally, and materially.

The Board of Trustees of Meredith College, in a recent reaffirmation of policy, stated that Meredith should be primarily concerned "to deepen and broaden the Christian experience of its students and to prepare them for maximum service in the Christian enterprise." The effectiveness of this commitment involvees the active support of the Baptist churches of the State, where dedicated and intelligent leadrship is of primary importance.

Wake Forest College occupied in 1956 its new campus in Winston-Salem. There increased enrollment and expanded facilities merit increased financial support if the college is to meet the heavy student demands of the immediate future.

High academic standards, a faculty of Christian men and women, well-planned campus activities, and adequate living facilities for 2,00 students—all reaffirm the College's objective: to train educated Christian leaders for the years ahead.

Respectfully submitted,
J. O. Walton

This report was adopted.

At this time the moderator recognized and welcomed the visitors from our five Baptist colleges.

REPORT OF HISTORIAN

The historian, Mr. Marse Grant, brought his report, which was a brief, but very interesting history of the association from its beginning to the One hundred and Twenty-fifth Anniversary, which we are now celebrating. Mr. Grant stated that this history had been prepared primarily by Miss Sallie McCracken of Mills Home.

HISTORY OF LIBERTY BAPTIST ASSOCIATION 1832-1957

Prepared by Miss Sallie McCracker and Presented by J. Marse Grant

The Abbotts Creek Association was organized on November 12, 1825, and was composed of churches from both the Sandy Creek and the Pee Dee Associations. This organization was held at Liberty Meeting House, in Davidson County and embraced a number of churches in the general section of the state. Things moved on smoothly for a few years. We quote one sentence from their minutes: "The utmost harmony, unanimity and brotherly affection prevailed." This statement came just three years before the body was rent in twain by disensions on account of t h spirit of missions.

An unfortunate situation took place at the meeting in Randolph County in 1832. Two letters were presented from Lick Creek Church, each purporting to be from the church. The clerk read the letter from the majority claiming to be the church in which the messengers were named. These messeengrs were instructd not to sit with any persons who were advocates of the Baptist State Convention. Moderator Isaiah Spurgeon announced that he was inexperienced in the duties of the chair and asked for advice from somebody more experienced. They proceeded to read the letters from the other churches and then the Association could decide which should be received and the

minority, if neceessary might retire. There were objections to this course and several other plans were proposed but all were unsatifactory. Finally, the Rules of Decorum were called for read: "Ashley Swain said the last rule forbid the Association to interfere with the affairs of an independent church."

As the majority had declared that all who held with the Bible Societies, Missionary work and Sabbath School were out of their fellowship, the minority withdrew to avoid being excluded. One man said he was disowned on the ground that he had attended the Baptist State Convention and given a dollar to send the gospel to mission work in Burma.

The retiring members assembled in a tent and organized their own association and named it Liberty. This meeting was held at Mt. Tabor Meeting House in Randolph County, September 24, 1832. William Burch was chosen Moderator and Peter Owen was named Clerk.

In the same year, November, 17-19 the first regular meeting of the Liberty Association was held with Jamestown Church in Guilford County. All seven of the churches included in the organization were represented.

A constitution and Rules of Decorum were adopted at the first meeting.

In the 1833 meeting there were nine churches represented from Stokes, Montgomery, Guilford and Davidson counties. The offering amounted to $9.32. One church gave $1.43 ¾ and one gave .56¾, rather unusual amounts.

In the next few years efforts were made to have preaching in as many of th e churches as possible, though many of the preachers were forced to enter other avocations in order to earn a livelihood.

Ministers were appointed to ride two months each as missionaries to the various churches.

In 1845 there was a resolution approving the organization of the Southern Baptist Convention.

In 1851 it was reported that two of the churches now had Sunday Schools.

At the 1852 meeting four brethren were appointed to take the stand on Sunday, the hours for preaching 8, 10, 2, 8.

The work of Matthew Yates, missionary to China from North Carolina was commended for support.

Greensboro was admitted in 1856, but later seeming to be in active, a committee was appointed to go and examine their condition and recommendation given that Greensboro church worshipping at Cumberland "purify themselves." In 1859 a committee that had been appointed found the church extinct, so it was dropped. In the 1871 meeting Rev. J. B. Richardson appealed for help in building a church for Greensboro. Offering was taken amounting to $19.50. (Today at Greensboro)

Thomasville was admitted in 1859.

The church at Jamestown came in on the organization of the association, but it had some trying experiences during its early days. They had a pastor bitterly opposed to missions. Much of his conduct was unbecoming a Christian. Nine who were left after he took most of the membership to Abbotts Creek were recognized as sthe true Jamestown Church so when the Liberty Association was formed the next year they joined.

In 1859 the name of Jamestown was changed to High Point. There was a gradual growth till 1896 when it joined the Piedmont Association and since then has become one of our leading churches in North Carolina.

In 1880 Rev. J. B. Boone spoke in the interest of Salisbury and an offering was taken to help in the erection of their church amounting to $40.00.

In 1881 Lexington joined through the influence of Rev. Henry Sheets, who, when passing through the town, was asked to preach for them which he did on several occasions. Later the church was organized and help asked for the erection of the church. This church has ben replaced recently by a beautiful new building and houses one of our outstanding groups in the Liberty Association.

Jersey Church is the mother of several of the other churches , Lick Creek, Holloways, Reeds Cross Road and perhaps others. Our history records Jersey Church as firt being organized in 1957 by people who came down from New Jersey, but was later absorbed in another church. The present

church has the date of its constitution as October 16, 1784. This church once belonged to the Charleston association, later the Yadkin and finally t the Liberty.

In 1795 Jersey church received a title to a deed conveying two acres of land from George Reed for a lot on which to build a meeting house, the purchase price paid wass five shillings. This church later to be called Reeds Cross Road remained an arm of Jersey church for forty years. Jersey church has a very interesting history. Connected with its oganization were some very outstanding men, one of them being Rev. John Gano, who was for 26 years pastor of the First Baptist Church in New York. He was also chaplain in George Washington's army. It is reported that Washington, when he had listened to one of his discourses on the mode of baptism, walked up to the preacher and said: "I am thoroughly convinced that baptism is a burial and a resurrection and I ask baptism at your hands." He further stated: "I do not expect to change my church; my family belongs to an Episcopal church, but Iwish to submit to everything that I am satisfied Christ requires at my hands" and Mr. Gano immersed him in the presence of a small group.

Another man connceted with the Abbotts Creek organization was Rev. Daniel Marshall, whose second marriage was to Miss Martha Stearnes, the sister of Rev. Shubal Stearnes.

New Friendship church was another organization fostered by the Abbotts Creek church. It was organized in January 1827 by Rev. W. C. Dowd, who was a member of Friendship church in Moore County, so the church was named New Friendship. Mr. Dowd did a great service through this section.

In 1864 the minutes were not printed on account of the Civil War but were written out in a beautiful hand by Rev. Henry Sheets, the Clerk. No meeting was held in 1865 on account of the war, most of the males being in service.

Collection was taken up in the 1867 meeting to aid Thomasville and High Point churches, amounting to $28.25.

All through the years besides the emphasis on missions, temperance was stressed as well as education. The 1885 session, among other things appointed a committee to arrange for the erection of a High School at Reeds Cross Roads to be an auxiliary to Wake Forest College.

In 1887, Rev. R. A. Moore was appointed associational missionary and the following year made an encouraging report of his work .

The pulpits in the early years were boxed up affairs about three or four feet high, sometimes higher if there were galleries where the slaves sat. If a preacher were low in stature he could not be seen when seated) in the box. On one occasion a stranger was to occupy the pulpit. He arrived early and went immediately to the box and was shut out from sight of the congregation as they gathered. Everybody was eager to see the new preacher and anxiously awaited his coming. Thee hour arrived for the service; he arose from his seat, only his head showing and announced his text: "Here Am I, Be Not Afraid."

Announcement was made of a splendid school near by, the Thomasville Baptist Female Institute, with Professor H. W. Reinhart as President. This school shed a wholesome influence over the surrounding country, it was located where the Ragan Knitting Mill is now in operation.

In 1883 it was suggested that the Women organize missionary societies.

Another suggestion in 1884 that the effort to establish an Orphan Home at Thomasvillt be endorsed. In this year Rich Fork church was organized mainly through the influence of Mr. J. H. Mills, first Superintendent of the Baptist Orphanage. Mr. Mills is buried in the Rich Fork cemetery.

In 1886 the orphanage reported 40 children in the institution, it having been opened Nov. 11, 1885.

At this 1887 meeting **Charity and Children** was recommended along with other periodicals.

In 1892 the session was held at High Point. Rev. R. T. Bryan missionary to China was present and preached. Afterward it was voted to try to raise one cent a month per person in each church during the next year for missions.

Recommendation of Sunday School Literature of our Southern Baptist Convention caused some opposition, as they had been using that of the American Baptist Publication Society and some were loath to make a change.

In 1901, The Relief and Annuity Board was started and the pastors urged to join.

In 1903 the Liberty-Piedmont Institute was started at Wallburg. This was one our Baptist Schools being established in various sections and met with outstanding success during its duration.

In 1906, the History of the Liberty Association was written by Rev. Henry Sheets, the Clerk, and was put on sale the next year.

When the 75 Million Campaign was launched the Liberty Association was allotted $75,000.00. Some of the churches overpaid their allotments but some fell short of theirs.

In 1923 t he Baptist Hospital at Winston-Salem was opened for service and its facilities and unsefulness have been greatly enlarged since that date.

The 100th anniversary was celebrated at hte 1932 session. Sam J. Smith, Clerk, gave a historical sketch of the association, its background, its work and advancements through these hundred years which was printed in the 1932 minutes and makes most intersting reading. The Centennial address was delivered by Dr. W. L. Poteat of Wake Forest College. His subject: "Achievements of the Last Century." Rev. Arthur Gallimoree, who had gone from this association as missionary to China in 1918 was present and brought a message concerning his work and also presented to the association a gavel made of olive wood from the Mount of Olives, Jerusalem. The association in 1932 was made up of 26 churches several having joined other associations where they were located, as High Point, Salisbury and others. On its 100th anniversary the association reported contributions for all purposes, $61,683.40. This year the amount will approximate $500,000.00.

For the next ten years the work advanced along all lines. In 1948 an associational missionary, Rev. Van Carroll began work.

In 1954 Religious Extension course was put on by Gardneer-Webb College and was repeated in 1955. This was under the supervision of Rev. Lawson Allen, Vice President of the college.

This year missionary Van Carroll resigned and his position has not been filled as of the present date.

At this time, Sam J. Smith requested time to discuss the history of the association. There was a motion passed that he be granted five minutes. Mr. Smith stated that Rev. Eli Carroll had been instrumental in the beginning of the association, and Mr. Smith made a motion that a committee be appointed to raise funds to place a suitable monument at his grave. The motion ws passed. The moderator stated that this was a job for the Nominating Committee.

After worship in music, the host pastor, Rev. Charles Young made announcements.

After an introduction by the moderator, Dr. Stewart A. Newman, a member of the faculty of Southeastern Baptist Thheological Seminary at Wake Forest, brought an address.

At the close of the address, the moderator stated that Mr. G. W. Miller, moderator of the one hundredth session of the Liberty Baptist Association, was present, and he asked Mr. Miller to dismiss the session with prayer.

AFTERNOON SESSION

After a period of worshipful music, Rev. B. J. Bradshaw,

pastor of Floyd Church, conducted the devotion.

In the Miscellaneous Business session, Rev. Fred Duckett asked the members of the association to express their appreciation to the retiring moderator for his distinguished service as moderator of the Liberty Baptist Association for the past two years. Dr. Clifford expressed his appreciation for the fine cooperation he had received.

Rev. Carl Hemphill made some corrections in the constitutional changes which had previously been adopted.

REPORT OF RESOLUTIONS COMMITTEE

Rev. Fred Jurney brought a report on Resolutions, which was adopted.

The report:

THE REPORT OF THE RESOLUTION COMMITTEE

The Liberty Baptist Association wishes to express heartfelt gratitude to the host churches to this 125th annual session, the Denton First and the Center Hill churches, for their concern and provisions for the comfort of their guests, the meals provided and the Christian fellowship which enriched our lives.

Gratitude and commendation are expressed to the moderator for his unretiring ministry to this Association and his Christian spirit of understanding. REPORT OF ASSOCIATIONAL MISSIONS COMMIITTEE

The report of the Associational Missions Committee was brought by Rev. Robert L. Bowen. This report was adopted.

The report:

REPORT OF ASSOCIATIONAL MISSIONS COMMITTEE

Your Asssociational Missions Committee has met five times this years. Along with the Associational Missionary the Committee has picked out locations and disucussed posiblities of nearby churches making a survey of area to determine fesibility of beginning a Mission Sunday School. We trust these plans shall materialize this coming year.

Since our Associational Missionary left the first of August, the Committee was instructed by the Executive Committee to began seeking for another Missionary. The Committee has met twice on this matter and earnestly covet your prayers as we seek for God's man for this work.

We would like to recommend that all our churches continue to send their contributions for our Associational Missions Program regularly. It is embarrassing to your Committee to interview a prospective Missionary without

sufficient funds for an Associational Program.

Respectfully Submitted,
Robert L. Bowen, Chairman

REPORT OF WOMAN'S MISSIONARY UNION

The report of the Woman's Missionary Union was brought by Mrs. Paul Kesler. This report was adopted.

The report:

REPORT ON WOMAN'S MISSIONARY UNION

"We've A Story to Tell to The Nations," is the title of the hymn of Girls Auxiliary. It is also the message that Liberty W. M. U. is endeavoring to place upon the hearts of women and young people. We are doing this through Mission Study, Prayer, Community Missions, and Stewardship. More women and young people studying and reading books on missions with every member reading at least one book during the year is our goal. Praying daily for those on the calendar of prayer promoting Intercessory Prayer Leagues Seasons of Prayer, study of a book on prayer. Alcohol Education and Christian use of the ballot along with soul-winning have been our community missions emphasis for the year. Better Stewardship has been placed upon our hearts and we are seeking to help every member become a tither and a better steward of time and talent.

Many special meetings have been conducted during the year for the promotion of the work. These meetings along with State and Regional meetings have been well attended

Plans are in the making for a great year in W. M. U. Many changes have come about in the work which will strengenth and enlarge our efforts for missions. Every woman and young person enlisted is our goal. A big goal yes but we are not forgetting that "we are laborers together with God."

Respectfully Submitted,
Mrs. Paul Kesler, Supt.

REPORT ON HOME MISSIONS

Rev. Bennie Crawford brought the report on Home Missions; the report was adopted.

The report:

HOME MISSIONS IN 1957

At the beginning of 1957 t he Home Mission Board reported 1,180 Missionaries, an increase of 81 over the previous year. Professions of faith reported were 39,485, an increase of 1,983 over the previous year.

Income for the Board in 1956; from Cooperative Program, $2,027,369.87; Annie Armstrong Offering, $1,574,890.61, from designations, $127,261.01. Total, $3,730,027.49.

New personnel added to headquarters were Clovis A. Brantley, William B. Mitchell and Wendell Belew.

The Board will continue to emphasize the "30,000 Program" and cooperate with other agencies in bringing it to complete fruition.

Increase loan funds are greatly needeed to serve minority groups; Indians, Negroes and language groups. The Board has set a goal of 1,050 missionaries for serving these groups by 1964.

City Mission Program is to be enlarged with the entry by the Board into a new major city every year. Rural church program also will continue to have major emphasis. Special emphasis wlil be placed on the needs of the deaf, the Jews, migrants, broken homes, and juvenile delinqueents.

Promotion and education made great demands on the Board's staff

because of increased interest in filmstrips, motion pictures, maps, mission study books, tracts, the magazine and schools of missions.

There are 421 Chaplains on active duty, reporting 11,074 professions of faith.

Home Missions were instrumental in starting 729 new missions and constituting 296 new churches.

The greatest need of the Board is expressed in the simple statement. We need your prayers and personal interest, a larger portion of the church budget dollar, a wider interest in tithing, missionary volunteers committed to home missions, and a share in every Southern Baptist's consecration.

Respectfully submitted,
Bennie Crawford

MEMORIAL SERVICE

The Memorial Service was conducted by Rev. Robert Taylor. After a prayer and the reading of the names of the deceased, Carey Davis led in singing the hymn "Sweet Bye and Bye."

REPORT ON FOREIGN MISSIONS

The report on Foreign Missions was brought by Rev. Robert Bowen, pastor of Rich Fork Church. This report was adopted.

The report:

FOREIGN MISSIONS REPORT

"Onward, Christian soldiers, marching as to war." This is the battle hymn of Southern Baptists. Do we grasp the significance of these words as we face the challenge of Christ to "Go ye, into all the world, and make disciples of all peoples."? Our hearts were made to rejoice, and also tremble at the challenge as the report was given at the Southern Baptist Convention in May. Let us take a brief look at ourselves in this tenth year of our Advance in World Missions.

"Prior to 1948 we had missionaries in 20 countries and territories. Since January 1, 1948, when the Advance Program began, our Missionaries have entered twenty-two areas. After having to withdraw from China, Hungary, Manchuria, and Romania they are in thirty-eight countries and territories.

Our stewardship picture for last year shows 8,708,823 of us located in 30,834 churches giving a total $372,136,675 to all causes. Of this $12,474,638 went to Foreign Missions. Total per member gifts were $$42.73 with $35.27 locally and $7.46 to all outside causes, or 1.43 per member to Foreign Missions; this being fifteen cents over the previous year.

Since 1845 there has been 2,245 missionaries appointed. 808 of these have been appointed since January 1, 1948, with a present total of 1,154. The Advance Program Goal is 1,750 by 1963. This calls for a minimum of 130 per year including this year designated as World Missions Year."

Baker James Cauthen states: "When a church sees one of its own young people standing for appointment as a missionary it has come to one of its finest hours of achievement. The gift of a missionary to a needy world is beyond any other gift." The challenge is great, so is our God.

Respectfully submitted,
Robert L. Bowen

Dr. E. Luther Copeland, a member of the faculty of Southeastern Baptist Theological Seminary at Wake Forest, brought hte closing address on "World Missions."

There being no further business, after remarks by the moderator, Dr. J. Roy Clifford, the One Hundred Twenty-fifth Session of the Liberty Baptist Association was adjourned with prayer led by Rev. W. N. Brookshire.

LIBERTY BAPTIST ASSOCIATION CONSTITUTION AND BY-LAWS
(Adopted September 29, 1954)

Preamble

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

Article I. Name

The name of this body shall be the LIBERTY BAPTIST ASSOCIATION.

Article II. Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure.

Article III. Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV. Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or major fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the association from the number elected by the churches.

Article V. Officers and Their Election

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Chorister, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. Officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee On Nominations (By-Law 8, Section 2, (6)), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

Article VI. Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee On Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

Article VII. The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex-officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. Article VIII. Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

Article IX. Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

BY-LAWS

By-Law I. Parliamentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Kerfoot's "Parliamentary Law" shall be followed as the Association's rules for conducting its deliberative assemblies.

The Missions Committee shall then report to the Association, at its next annual meeting, its findings and recommendations for Associational action.

Section 2. The Vice-Moderator shall preside in the absence, or at the pleasure, of the moderator and shall be a member of the Executive Committee.

Section 3. The Clerk shall send annual report forms to the member churches at least a month before the Association's annual meeting; distribute at the annual meetings mimeographed copies of the composite record of the member churches taken from their annual reports; make an accurate record of the proceedings of the Association; superintend the printing and distributing to the member churches copies of the minutes within sixty days after the annual meeting; keep in file and turn over to his successor the printed minutes and other records and documents of the Association; and shall be a member of the Executive Committee.

Section 4. The Treasurer shall receive and bank all funds of the Association in the name of the Association; disburse the same upon instructions from the Association, its Executive Committee or as designated; render a mimeographed itemized report of receipts and disbursements for distribution at the annual meeting of the Association; keep his books always available and in shape for the examination of the Executive Committee or any member of the Association; shall be a member of the Executive Committee, and be a member of the Finance and Missions Committees.

His selection shall be upon recommendation of the Missions Committee and on vote by the Association in annual meeting, or between meetings of the Association, by its Executive Committee. He shall be a member of all committees and organizations of the Association in a serving and advisory capacity. The relationship between the Association and its Missionary may be terminated by either party upon the giving of reasonable notice.

Section 2. The Associational Missionary shall, under direction of the Missions Committee, promote the work of the Association and Denomination, cooperating with the churches, their pastors and officers, and the associational committees and organizations. He shall also make a written report to the Missions and Executive Committees in their quarterly meetings.

By-Law VII. Trustees

The Trustees' duties shall be to hold title to property for the Association and to handle the legal matters of the Association with the Association's fore-knowledge and approval; and to comply with the Constitution and By-Laws of the body, and with State laws as they affect the Association.

By-Law VIII. Committees And Their Duties

Section 1. THE EXECUTIVE COMMITTEE:

(1) The duties of this Committee shall be to act for the Association in all matters of business and activities between annual meetings, to call the Association in special session when necessary, to fill any vacancies that may occur between annual meetings among the Associational officers, the Executive Committee, or the Committee On Nominations. It may elect the Associational Missionary when a vacancy occurs in accordance with By-Law V, Section 1. It shall present a written report to the Association in annual meeting for its approval.

(2) The Executive Committee shall meet quarterly, the first meeting being as soon as possible after the annual meeting of the Association for organization, on call of the Moderator of the Association (By-Law IV, Section 1), and the last meeting being as near as possible to the next annual meeting of the Association for approving its report to the annual meeting.

Section 2. THE COMMITTEE ON NOMINATIONS:

This Committee shall seek to avoid duplications and to distribute as widely as possible the obligations and privileges of service called for in this section. The duties of this Committee shall be:

(1) To contact and nominate to the next annual meeting of the Association, on the last day, the officers of the Association and its standing committees, naming their chairmen (Associational Missions, Order of Business, Place and Preacher, Resolutions, Finance and Memorials); these committees serving for the year following their election.

(2) To nominate trustees according to Article VI of the Constitution.

(3) To nominate such other special committees as may be authorized unless otherwise provided.

(5) To fill vacancies which may occur between annual meetings of the Association on committees and among Persons To Bring Annual Reports which are nominated by this Committee On Nominations.

(6) This Committee's nominations, however, shall not preclude other nominations from the floor.

Section 3. THE ASSOCIATIONAL MISSIONS COMMITTEE:

(1) This Committee shall be composed of the following associational officers: Sunday School Superintendent, Training Union Director, Woman's Missionary Union President, Brotherhood President, Superintendent of Evangelism, Treasurer and also the chairman of the Executive Committee, and four pastors of member churches to be elected by the Association at its annual meeting for 1, 2, 3 and 4 years respectively on a rotating system. After this election one new pastor shall be elected each year to serve for a period of four years. It shall supervise and work with the Associational Missionary in promoting the work in the Association, and lead and assist in organizing new churches.

(2) It shall meet once a quarter to receive a written report from the Associational Missionary and make helpful suggestions to him concerning his work.

(3) If such advice is sought, it shall advise any group seeking to organize a new church, or seek to help any member church desiring assistance in its problems.

(4) It shall also perform the duties prescribed for it in By-Law III and By-Law V, Section 1.

Section 4. THE COMMITTEE ON ORDER OF BUSINESS:

This Committee shall be composed of three members and the Moderator, Clerk, Chorister, host Pastor or Pastors. It shall prepare a printed program for the annual meeting of the Association which shall be sent to all persons on the program and to all pastors at least thirty days before the annual meeting. It shall in the opening of the annual meeting of the Association present the printed program for adoption and serve through the session when adjustments in the order of business become necessary.

Section 5. THE PLACE AND PREACHER COMMITTEE:

This Committee shall be composed of five members. It shall receive or solicit invitations for the place or places of meeting for the next annual meeting of the Association, and shall recommend the place or places. It shall also recommend the preacher and alternate for the annual sermon.

Section 6. THE COMMITTEE ON RESOLUTIONS:

This Committee shall be composed of five members. It shall draw up and present to the Association resolutions of appreciation and any other resolutions it may deem expedient. Also, all resolutions and recommendations for consideration presented at the annual meeting shall be referred to this Committee.

Section 7. THE FINANCE COMMITTEE:

This Committee shall be composed of five members and the Treasurer. It shall study the Association's financial needs for an adequate program, present a budget to the Association for the following year, devise plans for securing the cooperation of the churches in the raising of the budget, audit the Treasurer's books at the close of each Associational year, and make a written report to the annual meeting.

Section 8. THE COMMITTEE ON MEMORIALS:

This Committee shall be composed of five members. It shall bring a suitable report at the annual meeting and shall lead in a memorial service in memory of those reported by the churches to have died since the last annual meeting.

By-Law IX. Amendments

Amendment to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one member-at-large from each Baptist church in the fellowship of the Association.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an association pastor, a mission pastor, or an educational director of a Baptist church in regular standing in the association, or those who have felt a call to the mission field, the chaplaincy of our armed services, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and co-operation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later group to be constituted into a Baptist church of the same faith and order.

There was a motion passed that the messengers present and others who would come later be the ruling body to transact the business of the annual session.

Rev. Raymond Crow was appointed to fill the vacancy made by W. C. Reed, chairman, and to work with the Committee On Time, Place and Preacher.

At this time the host pastor, Rev. Fred Jurney, welcomed the association.

RECOGNITION OF NEW PASTORS

Three new pastors were recognized and welcomed by the Moderator. They were Rev. F. Stanley Hardee, Jr., pastor of First Baptist Church, Thomasville; Rev. Robert Williams, pastor of Green Needle Park; and Rev. J. C. Mangum, pastor of Calvary Baptist Church. Visitors recognized were Rev. B. V. Broadway, Rev. Horace Kinney, and Rev. W. N. Parker.

REPORT OF THE EXECUTIVE COMMITTEE

Sam J. Smith brought the report of the Executive Committee. The report:

The Committee met five times since our last associational meeting.

This report will cover only the major actions of the committee.

The first meeting was held November 11, 1957. The following were elected as officers: Chairman, Rev. Roger Williams; Vice-Chairman, Rev. Raymond Crow; Secretary, Sam J. Smith.

Rev. Guy C. Moore offered as an amendment to the Standing Resolutions of the association the following, which was passed:

"That we ordain only those who have received a definite call to become pastor, associate pastor, mission pastor or education director of a Baptist church in regular standing in the Association, or those who have felt a call to the mission field, the chaplaincy of our armed services, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved."

The Missions Committee recommended that we call Rev. Clay Barnes as Associational Missionary at a salary of $4,200.00, travel allowance $720.00, house rent $720.00, relief and annuity payments $400.00, secretary $750.00, and convention expenses $200. This was adopted.

The following motion was adopted: That the Associational Clerk be asked to add to his financial report in the minutes the following note, "The following tables show some gifts by the churches which did not pass through the hands of the Associational Treasurer."

At the second meeting on December 15, 1957:

Rev. Robert L. Bowen, Chairman of the Missions Committee, stated that Rev. Barnes had declined the call to become our Associational Missionary and that they now wished to recommend that a call be extended to Rev. J. O. Walton to become Associational Missionary, with the same salary and allowances previously stated. The motion was adopted.

At the third meeting on February 11, 1958:

It was adopted that the association participate in the Southern Baptist Simultaneous Evangelistic Crusade during April 12 to 26, 1959.

It was voted that the following persons be named as a committee to select the various associational chairmen for the crusade: the Associational Chairman of Evangelism, the Moderator of the Association, and the President of the Pastor's Conference.

Rev. Bowen informed the committee that Rev. J. O. Walton had also declined the call to become Associational Missionary. Rev. Bowen now made a motion that we extend a call to Rev. Ted Williams, pastor of the First Baptist Church at Mt. Olive, to become Associational Missionary. The motion was adopted by unanimous vote.

Motion was made and passed that the moderator of the association appoint a committee looking to the building or the purchase of a parsonage for our Associational Missionary.

The following motion was offered by Rev. Fred Duckett:

That we grant the Associational Missionary the privilege of conducting two revival meetings outside the Association each year. Further, that when the missionary is used in our churches for promotional work in line with his duties, no honorarium be offered. Further, that when he is used for supply, the church or the pastor be free to offer an honorarium. A substitute motion was made that the matter of working out this and other privileges be done by the Missions Committee of the Association. The substitute motion was passed.

It was noted that the Executive Committee of the Association ask the Missions Committee to be responsible for the School of Missions to be conducted in the churches of the Association October 19-24, 1958.

At the fourth meeting on May 4, 1958:

Greetings were extended to Rev. Ted Williams, our new Associational Missionary.

Motion was made and passed that the chairman of this committee get a letter out to each of the various churches, stressing the importance of each church keeping up with its payments to the associational funds—6 cents per member each month.

The moderator announced that the following had been appointed to the Parsonage Committee: Rev. J. O. Walton, chairman; J. N. Penninger, Rev. Chas. Young, Rev. Bennie Crawford and Beamer Barnes.

At the fifth meeting on August 8, 1958:

The above named Parsonage Committee recommended that a lot at the intersection of Highway 29 and 64, across from the Manhattan Shirt Co., said lot being 6/10 of an acre, be purchased at the price of $3,500.00.

The recommendation was approved, giving the committee power to work out plans and details for the purchase of the lot.

Motion was also made and adopted that each church contribute the sum of $1.00 per resident member to purchase the lot and initiate the building of a parsonage.

Rev. Roy Smith made a motion, which was adopted, that we recommend to the Finance Committee that they work out a realistic figure of what would be the proportionate part of each church to carry on our Associational Missionary program as now set up.

Respectfully submitted,
Sam J. Smith, Secretary

After a motion and a second the report was adopted.

MISCELLANEOUS BUSINESS

At the call for miscellaneous business, Rev. Roy Smith, pastor of Jersey Church and acting chairman of the Missions Committee, brought the following recommendation:

In concurrence with the desires of Pastor Inman Stewart and the members of Hasty Mission, and upon approval of the Missions Committee of the Liberty Baptist Association, a group of interested pastors and laymen met November 27, 1957, and duly organized the Hasty Baptist Church.

In keeping with By-Law III of this Association, on March 18, 1958, Pastor Stewart and members of the Hasty Baptist Church petitioned the Executive Committee for admittance into the Liberty Baptist Association. This request was referred to the Missions Committee.

Upon further study the Missions Committee found the credentials of the Hasty Church in order, and a wholesome and progressive atmosphere prevailing among the pastor and members.

Therefore, since the Hasty Baptist Church has met the requirements of the Association, and whereas they desire to join our fellowship, the Missions Com-

mittee recommends that the Hasty Baptist Church be admitted into the Liberty Baptist Association with the privileges and responsibilities thereunto appertaining.

There was a motion and a second passed that this church be received. The moderator called the pastor and the members who were present to the front and welcomed them into full fellowship of the Association.

Also Rev. Roger Williams stated that it might be well to consider ways and means of raising money to pay for the lot purchased for the missionary's home.

Rev. J. O. Walton stated that coin envelopes had been purchased for distribution, with the request that each member of each church in the Liberty Association contribute at least one dollar.

There was a motion that a committee be appointed to work with the Executive Committee in getting the house built. Rev. J. Roy Clifford offered a substitute motion that the present committee be continued until the house is built. This motion was adopted.

REPORT ON CHILDREN'S HOME

In the absence of Rev. John Jarratt, Mrs. John Jarratt brought the report.

The report:

June 30, 1958, marked the culmination of 15 years of progressive leadership by W. C. Reed with the Baptist Children's Homes of North Carolina. After serving as superintendent of Kennedy Home for seven years, Mr. Reed moved to Thomasville where he served as General Superintendent for eight years. Under his supervision the Children's Homes experienced one of their greatest periods of building, growth, and expansion of services. At present North Carolina Baptists probably provide more services for dependent children than any other similar group in America. Those associated with our child care program have, in the 73 years of its history, developed a program which is recognized as one of the best in the nation.

Dr. W. R. Wagoner of North Wilkesboro was elected by the trustees to succeed Mr. Reed. Dr. Wagoner assumed his duties July 1.

Since October 1, 1957, North Carolina Baptists have directly served a total of 753 children. In addition to these, our social workers have been able to place with relatives or other agencies more than 200 children where their needs are now being met. During the past year we were able to admit about one-fourth of the applicants, as compared with one-fifth admitted in 1956. Through the dedicated resourcefulness of our social workers, many homes were re-established, while others were saved from breaking.

The Baptist State Convention, at its annual meeting last November, voted unanimously to accept the recommendation of the Board of Trustees of the Baptist Children's Homes and make the Odum Home at Pembroke a part of the North Carolina Baptist Child Care Program. This work, with 16 children, has been under the care and support of your Homes since January 1958.

North Carolina Baptists have two sources for supporting the Children's Homes:

Source Number 1 is a combination of the Once-A-Month Offering and the Co-operative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the Convention.

Source Number 2 is the Thanksgiving Offering. Every dollar marked "Thanksgiving Offering" comes to the Children's Homes. Last year we asked for an increase of 10 per cent in the Thanksgiving Offering. The churches responded with a 15 per cent increase. This increase of $31,000 enabled us to support the Indian work at Pembroke and at the same time to considerably expand the Foster Home Program.

During the coming year a cottage will be erected at Mills Home for boys and a cottage at Kennedy Home for girls. These new buildings are being made possible by special gifts and bequests.

The administration and staff members also appreciate every expression of your love and concern for this Christ-ordained ministry. We, in the Liberty Baptist Association, should be especially grateful for what Mills Home does in the Association.

Respectfully submitted,
John F. Jarratt

After the reading of the report, the moderator introduced Dr. W. R. Wagoner, superintendent of Mills Home, who brought the message. This report was adopted.

Your Finance Committee recommends that the financial support of the associational program be based on 10c per resident member per month, or any other plan a church chooses that will be equal to this one. If churches are faithful in supporting this plan each month, income should be sufficient to meet this budget. Churches are urged to send in their checks monthly since most associational obligations come due each month. This cooperation will be welcomed by our Treasurer and it will also keep the treasury in better balance at all times during the year.

This report was adopted.

The Chorister, Carey Davis, led in a period of music with the congregation singing "My Faith Looks Up To Thee." Rev. Leonard Rollins, pastor of Coggins Memorial Church, read the Scripture and led in prayer. Rev. Stanley Hardee, Jr., pastor of First Baptist Church, Thomasville, introduced Dr. F. M. Powell, who preached the annual sermon. Rev. Fred Jurney led the closing prayer and returned thanks for the noon meal.

AFTERNOON SESSION

After a music prelude, conducted by Carey Davis, the meeting was called to order by the Vice-Moderator, Rev. Leonard Rollins. The congregation sang "All Hail The Power." In the absence of Rev. Don Moore, Robert Clegg, Educational Director of First Baptist Church, Thomasville, conducted the devotion.

REPORT ON CHRISTIAN LITERATURE

In the absence of Mrs. Hemphill, Rev. Carl Hemphill brought the report on Christian Literature. This report was adopted.

The report:

The contacts, impressions and surroundings of a person largely make up his mind, habits and actions. Even a worm takes on the color of the plant or leaf on which it feeds. Human beings take on the color and the nature of what they read. Never before has there been so much to read. Publishers have dressed up their

wares in rainbow colors, and used every style, trick and art of printing to make their publications look tempting to the eyes of the young and old. Much of this popular literature is bad. It pours like a stream of poison from the presses of the profit-hungry publishers. It loads down the news stands, and clogs all the mail boxes of all who will buy and receive it. Much of this unclean reading matter gets into our Baptist homes. This should never be, for no other denomination has so wide a variety of good Christian literature as Baptists have to meet the spiritual interests and needs of every member of the family.

We thank God for the immense volume of literature produced by Southern Baptists which covers the field of Bible study, Sunday School, Training Union, Woman's Missionary Union, the Brotherhood and Home and Foreign Missions. We should read and encourage our people to read all these publications which will enable us to teach others the True Way of Life.

There are at least five denominational papers and magazines which should be be made available to every Baptist family: Namely, **The Biblical Recorder, Charity and Children, The Commission, Home Mission** and the **Home Life**. All these could be placed in the church budget for a very small amount of money and we believe would pay off in rich dividends.

Brethren, let us be as enthusiastic in our efforts to propogate the Good News through the printed page as the Jehovah Witnesses are to distribute their heresy; or the devil is to advertise his wares.

Respectfully submitted,

Mrs. Carl Hemphill

Rev. Rollins now presented Rev. C. W. Bazemore, Associate Editor of the **Biblical Recorder**, who brought the address on Christian Literature.

REPORT ON ASSOCIATIONAL MISSIONS

The report on Associational Missions was brought by Rev. Roy Smith, pastor of Jersey Church. This report was adopted.

The report:

The Missions Committee met thirteen times during the year. Among other duties this year, the Committee was given the task of finding and recommending a man as Associational Missionary.

The Committee met with several men concerning this matter. On February 6, 1958, the Committee met with Rev. Ted Williams, pastor of the First Church, Mt. Olive, and counseled with him relative to the Associational Missionary's position. Following this meeting the Missions Committee recommended that the Executive Committee call Rev. Ted Williams as Associational Missionary.

At the request of the Executive Committee, the Missions Committee procured some much-needed office equipment for the Associational Missionary and Associational Clerk.

In conjunction with our missionary, the Committee sponsored and worked out plans for an Associational School of Missions to be held October 19-24, 1958.

Relative to the establishment of new churches, missions and preaching stations, the Committee is glad to report:

1. The Hasty Mission was organized as a church November 27, 1957.
2. The Gordon Town Mission, upon counsel with the Missions Committee, is formulating plans toward the organization of a church.
3. Work is now underway to organize and establish mission points and preaching stations throughout our Association in keeping with the Thirty Thousand Movement and the Commission of our Lord.

Respectfully submitted,

Roy J. Smith, Chairman

REPORT OF ASSOCIATIONAL MISSIONARY

The Associational Missionary, Rev. Ted W. Williams, now brought his report. The report was adopted.

The report:

The history of Liberty Baptist Association is one of missionary endeavor. As early as pre-Civil War days there was a missionary in the Association. In 1887 Rev. R. A. Moore was called to this field of service. These men apparently laid a foundation for future growth. Many distinguished names appear in the record—men who have served the Association long and well. We owe a debt of gratitude to what has been achieved in the past.

Paul said in Philippians 3, "Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the goal for the prize of the high calling of God in Christ Jesus."

Building upon the past we must in our day and generation press forward in meeting the challenge of kingdom building. To this end the following program of advance is presented:

There are two major activities that will claim our attention during the coming months.

1. The Schools of Missions Scheduled for October 19-24. Twenty-two of our churches are participating.
2. The Southwide Simultaneous Revival Crusade scheduled for April 12-26, 1959. Definite plans are already in operation under the able leadership of the Chairman of Evangelism. The churches should vote, in the immediate future, to participate in this great soul-winning effort.

Aside from these two endeavors and others of a routine nature, let us make this next year one of Survey and Planning. We cannot possibly project an intelligent and comprehensive Associational Program without giving serious and detailed study to the work that we are trying to do. This should be a two-fold survey as follows:

I. The Organizational Structure of The Association:

The outline for this part of the survey is found on the Organizational Structural Survey Sheet which has been distributed among the messengers and is to be considered a part of this report.

II. An Inventory In Each of The Local Churches:

The outline for this part of the survey is also found on the Organizational Structural Survey Sheet. Let it be emphasized that **there can be no progress in the Association apart from the progress and growth of its individual churches.** This principle should be a guide in the many activities which are promoted by the Association.

It is our plan (at the invitation of the churches) to conduct a leadership conference in each church. During the conference an inventory would be taken of the church organizations. A picture of the church's efficiency would be developed to be used by the church for their planning, and by the Associational Leaders in discovering ways of helping to meet the needs of the church.

After all this information has been gathered, both on the Associational level and the church level, we would then have a series of conferences with the leaders of the various Associational Organizations to study the material and project long-range plans and goals for the future—perhaps a five-year plan of work.

Working together in cooperative endeavor we will achieve that for which we exist. That is to promote all phases of kingdom endeavor and to build a fellowship which is the tie that binds our hearts in Christian love.

Respectfully submitted,
Ted W. Williams

REPORT ON STATE MISSIONS

Rev. J. O. Walton, pastor of Churchland Baptist Church, brought the report on State Missions.

The report:

When the Master said, "Tarry ye in Jerusalem until ye have received power, then go ye into Jerusalem, Judea, Samaria and unto the uttermost parts of the earth," He meant just what He said.

Among the various boards of our many institutions, there is much concern in their meetings. Each sees the needs of his particular field, and he everlastingly pleads with the leaders of our Conventions to allocate more and more funds for the support of this work.

Rightly so. For we believe the Lord calls these men and women to these places of service—all the way from the home base to the far-flung battle lines of the earth. They all ought to put their hearts into the work to which they have been called and appointed.

But, we must ever remember that the wise man said, "The eyes of the fool are on the ends of the earth." We take it that he was saying that we are indeed foolish if we try to see the ends of the earth without first getting a real good, close-up, honest-to-goodness look at the things that are very close at home.

True, we must lengthen the cords and strengthen the stakes. But we must remember that it is just as necessary for us to make and maintain a sound basis at home, to which we can anchor stakes and cords.

This, we believe, our State Mission Program is doing. Our great need at present is to make and keep our people here conscious of this great need at home, so we can go abroad with the Gospel of the God of Our Glorious Globe.

I recommend the adoption of this paper.

Respectfully submitted,
John O. Walton

This report was adopted.

The address on State Missions was brought by Rev. W. R. Grigg. At the close of the address, the moderator asked the Chorister, Carey Davis, to lead in a period of music.

REPORT ON WOMAN'S MISSIONARY UNION

In the absence of Mrs. Paul Kesler, Mrs. Bennie Crawford brought the report on the Woman's Missionary Union. This report was adopted.

The report:

"Behold, I have set before thee an open doon." Rev. 3: 8. That has been the watchword of Woman's Missionary Union for the past year. Many doors have been opened to us as we have studied and realized the needs of the people of the world.

Let us now enter an open door marked "Reports of W.M.U." and see what we have done to help meet some of these needs.

Thirty-three churches report one or more W.M.U. organizations, with a membership of 1,426 women and 1,065 young people. Our goal is a W.M.U. in every church. Ninety-five percent of these members are contributing through the Co-operative Program in their churches. Less than half of these are tithers. Our aim is "Every Member A Tither." We gave $7,189.42 to the Lottie Moon Offering for Foreign Missions; $1,472.60 to the Annie Armstrong Offering for Home Missions; and $1,255.68 for the Heck Jones Offering, which is allocated for State, Home and Foreign Mission needs. We have helped promote the State Missions Offering through our churches. The goal for next year is a ten percent increase over these.

There were 1,487 mission books read by W.M.U. members and 160 Mission Study Classes were held. Two Mission Study Classes and every member reading one mission book is another goal for this year.

Ninety-four W.M.U. organizations have planned Community Missions each quarter and many have also participated in the Associational Program of Community Missions. Our aim here is every member a soul-winner.

Prayer means much in each of our lives, and as we enter these next five years, which will be called "An Era of Prayer," our aims are:

1. To lead our people to become more prayer-minded through private devotions.
2. To help them become aware of the power of prayer through family worship.
3. To realize our need for more praying with the call to prayer, mid-week prayer services and through intercession.

To promote and inspire our work the following meetings were held during the year:

October: Two Leadership Conferences (Mills Home and Erlanger); Foreign Mission Study Institute (Churchland).

January: W.M.S. Focus Week Rally (Erlanger).

February: Home Mission Study Institute (Rich Fork).

April: Annual W.M.U. Meeting (Abbott's Creek; Y.W.A. House Party (Erlanger).

August: Sunbeam Picnic (Holloways).

Four Executive Committee Meetings (one each quarter).

"Open Doors" are still ours, and we shall enter many of them next year as we "Labor Together With God."

Respectfully submitted,
Mrs. Paul Kesler, W.M.U. Superintendent

REPORT ON HOME MISSIONS

The report on Home Missions was brought by Rev. Bennie Crawford, pastor of Reeds Baptist Church.

The report:

Home Missions program is advancing all along the line in a substantial way. The hour has come when Southern Baptists must go farward in an ever-increasing way, for the need for greater help is increasingly urgent.

We seek to enlist every church in soul-winning. Whereas in 1957 one-sixth of our churches reported no baptisms, we trust this year will reveal a large decrease in the number of non-baptizing churches.

There are now 1,214 missionaries on the Board, exclusive of 166 summer workers. This number should be increased to 1,400 by the close of our Four-Year Conquest for Christ in 1958. Of this number there are 776 missionaries working with language groups, the Good Will Centers, and in Cuba and Panama.

The Home Mission Board is cooperating with other agencies in the "30,000 Movement." Through its survey it has been discovered that there are approximately 30,000 places where churches are needed and more than 45,000 places where branch Sunday Schools should be organized.

The increase in loans from the Board has increased in the last three years from $3,130,604.94 in 1955 to $5,107,012.93. By 1964 the Board will have (at this rate) in excess of $16,000,000.00. This development will greatly aid many of the 30,000 new churches to purchase lots and build houses of worship.

We are going forward. There is much to be done. Let us pray that our rate of advance may be accelerated for the sake of our Lord.

Respectfully submitted,
Bennie Crawford

This report was adopted.

REPORT ON FOREIGN MISSIONS

The report on Foreign Missions was brought by Rev. Robert Nation, pastor of Wallburg Church.

The report:

Southern Baptists have not taken Jesus seriously. We have made the Great Commission of Christ to become the Great Omission of the Church. We have yet

to learn that it takes more than the word "missionary" in our church name to make us missionary or to put missionaries on the field.

To salve our Christian conscience, we quote figures that make us look good; but fair comparison makes us look bad. Last year the Seventh Day Adventists appointed 241 missionaries to serve in 75 countries. This year Southern Baptists, more than ten times as strong numerically, are trying to appoint 130 to serve in 38 countries. With 1255 missionaries now, we have one missionary per 7,000 church members. Canadian Baptists have one missionary per 900 church members. $14 million sounds like a huge sum for us to give to foreign missions, but it averages $1.56 per member, exactly 3c per week.

The one encouraging note is that we are making progress. To implement the work of these 1255 missionaries we now have 14 hospitals, 7 good-will centers, 5 orphanages, 13 printing establishments and 836 schools. But what are these among so many! Such a tiny trickle can never be expected to be the answer to a lost world. The church needs to:

1. Preach with power the New Testament message of world missions.
2. Pray with persistence that God will lay a lost world upon the hearts of Southern Baptists.
3. Plead with people to undergird this cause closest to the heart of our Lord.

Respectfully submitted,
Robert Nation

This report was adopted.

After an introduction by Marse Grant, Rev. Judson Lennon, a missionary home on furlough from Thailand, brought the closing address on missions. The closing prayer was led by the Vice-Moderator, Rev. Leonard Rollins, pastor of Coggins Memorial Baptist Church.

TUESDAY EVENING SESSION

After a period of music, led by Carey J. Davis, the Moderator presented a ministerial student, Rev. Haywood B. Hyatt, who conducted the devotion in the absence of Rev. W. H. Walton.

REPORT ON BROTHERHOOD

The report on the Brotherhood was brought by Clyde Morris.

The report:

Brotherhood has no specific function, as other church organizations. This does not, however, place it in a position of unimportance. It is possible to assume a place of unimportance if allowed to develop into a social or fellowship activity. Brotherhood with its potential of enlisting the manpower of our churches, to undergird the pastors in the total church program, has unlimited kingdom advancing possibilities.

Our major activities for the past church year were as follows: There was an Associational Brotherhood and Royal Ambassador Clinic held November 4, at the First Church, Lexington, and November 5, at the Mills Home Church, Thomasville. Horace Easom, Brotherhood Secretary, conducted the Brotherhood Clinic, and B. W. Jackson, Royal Ambassador Secretary, conducted the Royal Ambassador Clinic. The annual statewide Brotherhood meeting was held in Raleigh on November 18. Many pastors and laymen from this Association were in attendance. There was also a statewide layman's institute held at the Mills Home Church in January. Many of our men attended this meeting.

There are 14 Brotherhoods in our Association. Our Associational Officers for the past year were:

Program Vice-President.....D. W. Lander
Attendance Vice-President.....Ned Beck
Promotions Vice-President.....Marse Grant
Secretary.....John Penninger, Jr.
Royal Ambassador Leader.....J. G. Newman
Advisory Committee.....Rev. Carl Hemphill, Rev. Guy Moore, Rev. Fred Duckett

With the challenge of the Royal Ambassador work, and the inspiration of the additional leadership of our Associational Missionary, Liberty Baptist Association Brotherhood should experience substantial growth during the coming year.

Respectfully submitted,
C. J. Morris, President

This report was adopted.

Mr. Morris offered the services of the Brotherhood in any way it could help There being a few minutes of time, Rev. Fred Duckett stated that his church, Denton First, was organizing a Brotherhood.

REPORT ON ROYAL AMBASSADOR WORK

J. G. Newman, who was to bring the report on Royal Ambassador work, was not present. Rev. Carl Hemphill made some remarks about the work and offered his services in the organization of new units.

REPORT ON ASSOCIATIONAL DEACONS

At this time the Moderator recognized Beamer Barnes, who brought the report on the Deacons Organization. The report was adopted.

The report:

The Deacons of this Association met on four occasions. First at Holloways, with the principal speaker being Dr. J. C. Canipe, immediate past president of the N. C. Baptist State Convention. Second at Denton with Harry Caldwell, past president of the N. C. State Grange, as speaker. The third at the First Church in Lexington where Dr. LeRoy Parker, president of the State Convention, was speaker. The last meeting was at Mills Home, with Dr. W. R. Wagoner as principal speaker.

The meetings were reasonably well attended. Seventy-seven deacons were the average number present at each meeting, with an average of 15½ pastors and an average of 11½ guests, making a total of 103 average present for each meeting. From 20 to 28 churches were represented on each occasion.

The speakers on the programs were all excellent, covering a wide variety of matters. The deacons were challenged to become more active, to take the burden off their pastors, and to grow spiritually, as well as to learn more of their work as a deacon.

The deacons seriously considered better salaries for their pastors on several instances, and went on record as supporting the plan to purchase a lot and construct an Associational Missionary home thereon. The lot has now been purchased, which is located in a wooded area just across from the Howard Johnson Restaurant on the Lexington by-pass.

We feel as a whole that much interest was manifest by the deacons and while much more should and could be done that the year was a profit to the deacons, ministers and churches.

Respectfully submitted,
Beamer Barnes, Past President

The report was verbally given by Beamer Barnes on September 30, 1958, and was reduced to writing October 1, 1958. Mr. Barnes moved the report be adopted and the same was duly seconded by Rev. Hemphill and passed.

The Moderator now called for a period of music, and the Chorister, Carey J Davis, presented the Mills Home Chorus, under the direction of Miss Lucile Reed.

REPORT ON EVANGELISM

The report on Evangelism was brought by Rev. Fred A. Duckett, pastor of First Church, Denton.

The report:

Evangelism is the carrying out of the Great Commission of Jesus Christ. This includes making disciples, baptizing converts into the fellowship of a New Testament Church, and teaching them that they may mature in the faith which was once delivered unto the saints. Evangelism is the heart of God's work on earth. It

must be in the foreground of all the endeavors of individual Christians, churches and associations if we are to follow the New Testament pattern.

What are we doing in Liberty Association in response to this high call of God? Let us briefly look at the record.

All churches in the Baptist State Convention of North Carolina last year had a ratio of baptisms to membership of 1 to 25. This means that on the average it took 25 church members a whole year to win one person to Christ. In the Liberty Association last year the ratio of baptisms to membership was 1 to 24. This compares with 1 to 23 in 1956, 1 to 21 in 1955, and 1 to 18 in 1954. Total baptisms reported in our association in 1957 were only 445, a low for the past four years. Figures for 1958 were not available as this report was being prepared.

Next year we face an unparalleled opportunity in evangelism by going all the way in cooperation in the continent-wide Simultaneous Evangelistic Crusade. Seven major Baptist conventions in the United States and Canada, composed of 75,000 churches and 19,000,000 members, are cooperating in this crusade. This association has already voted to participate in the crusade. The dates are April 12-26, 1959.

On March 13 of this year a Clinic On Evangelism was held at the First Baptist Church in Lexington, led by Dr. Julian S. Hopkins, State Secretary of Evangelism, and our Associational Chairman of Evangelism. An afternoon session for pastors only was well attended and in the evening a number of laymen and ladies joined the clinic. The purpose of the clinic was to acquaint us with the 1959 Crusade and to prepare us for our part in it.

The association is committed to the crusade. The success of the effort now lies with the local churches and pastors. If your church is not already in the crusade, please go back and lead them to enter. Choose your evangelist. It is not too early to lay plans for April 1959. We seldom do as much as we plan. We never do more. Surely every church in this association will want to be a part of this great effort. We have never before faced such an opportunity to get into the stream of God's redeeming purpose.

Respectfully submitted,

Fred A. Duckett, Associational Evangelism Chmn.

This report was adopted.

After the singing of a hymn by the congregation, the Moderator asked Rev. Robert Nation, pastor of Wallburg, to introduce the speaker of the evening. The closing message on Evangelism was brought by Rev. Thomas Haggai. At the close of the message, the meeting adjourned with prayer by Rev. Haggai.

WEDNESDAY MORNING SESSION

(Held With Liberty Baptist Church)

After a music prelude led by Carey J. Davis, the second day session of the Liberty Baptist Association was called to order by the Moderator. Rev. John Mangum, pastor of Calvary Church, conducted the devotion.

The Moderator now recognized the host pastor, Rev. R. H. Kelly, who welcomed the association and made announcements.

REPORT ON CHURCH MUSIC

The Moderator now recognized Mrs. Guy Moore, who brought the report on Church Music.

The report:

"I will praise thee with my whole heart: before the gods will I sing praise unto thee." Psalm 138: 1.

Christian churches have always utilized music as a medium of worshiping. During the past few years there has come a renewed awakening to the value of music in our worship services.

Throughout the Southern Baptist Convention associations are organizing Music Committees to lead the churches in their musical program.

Our Music Committee started the year with a music planning meeting on October 8. David Early of Winston-Salem led us in making plans for the year.

During the week of October 13 a School of Music was held at the First Baptist Church of Lexington. One hundred and seventy-four people, representing thirteen churches, were enrolled. Joseph Stroud, Secretary of Church Music for the Baptist State Convention, led us in this school and Dr. Thane McDonald, Edwin Easter and Miss Nancy Martin were the teachers. We feel that a better quality of work is now being done because of the increased interest of those who attended.

During the year a suggested Hymn Sing and Commitment Service were sent to the music directors of each church.

We recommend an increased program of training in church music in individual churches with particular emphasis on the training of leadership.

Respectfully submitted,

Mrs. Guy C. Moore

This report was adopted. There being no discussion, the next report was called.

REPORT ON AMERICAN BIBLE SOCIETY

In the absence of Miss Grace Palmer, Mrs. Hugh Palmer brought the report on the American Bible Society.

The report:

Southern Baptists are aware that in every missionary advance the Bible goes forward first. Every man must have the Bible in his own language, but in most countries the people cannot afford even the cost of printing the Scriptures. The American Bible Society is an active partner of Southern Baptist Missions in that it helps to translate the Bible, publishes and distributes without profit, usually below costs, for worldwide mission work.

During 1957 the Bible Society distributed throughout the world nearly 15 million volumes of Scriptures; donated more than one million Scripture volumes for distribution to our Armed Forces; accepted a new joint responsibility, with the British and Foreign Bible Society, for the work in India, in France and in the Congo Basin of Africa.

Last year Southern Baptist Churches gave $118,815 to this work, but still stood in second place, exceeded by Methodist gifts of $136,499.

If the people in churches and Sunday Schools in North Carolina would give just ten cents each for this purpose, the total amount would be some fifty to sixty thousand dollars. Has your church given this year? The help of every Baptist church is needed in order that hungry-hearted people in mission lands will receive the Bible—people who otherwise would not have the printed word of God.

Send your gifts to our Baptist State Office and mark them "For The American Bible Society."

Grace Palmer

REPORT ON TRAINING UNION

The report on the Training Union was brought by Rev. W. H. Lewis, pastor of Mountain View and High Rock Churches.

The report:

When we examine our Training Union records we are reminded of the time Elijah ran about 280 miles from the fury of Queen Jezebel. Elijah had run that far before the Lord was able to stop him. The Lord halted Elijah by asking him this question, "What are you doing here?" As far as our Training Union is concerned we have run that far or further from where we are supposed to be. Let us look at some of the facts:

We have twenty-eight churches with Training Unions. These churches reported 841 awards. We had an attendance of 500 at our mass meeting, which was "M" night. There was one new Training Union organized. Our total enrolment shows a drop of 175.

The following juniors represented our association in the Bible Memory Work:

Center Hill, Louise Hall; Coggins Memorial, Shirley Bridges, Tommy Bridges and Linda Jarrett; First Church Lexington, Kay Albright, Molly Albright, Marie Moore, Carol Honeycutt, Linda Gallehugh, Patricia Banks, Fred Allen, Ricky Rhodes and David Sink.

Let us make 1957-1958 the last year we run backward. Let us, like Elijah, not only return to where we were, but also go beyond what we have done before.

Respectfully submitted,

William H. Lewis, Associational Director

This report was adopted.

Rev. Lewis announced the Teaching Clinic to be held at First Church, Thomasville, on Tuesday evening, October 7, at 7:30 o'clock.

REPORT ON SUNDAY SCHOOL

The report on the Sunday School was brought by the Associational Superintendent, Rev. Fred Jurney.

The report:

As time marches on we are becoming more and more conscious of the vast need of our Sunday Schools. Much is being done to provide more class rooms and better facilities. While on the other hand we are overlooking some very important factors in our Sunday Schools.

It is astonishing to know that in all our Southern Baptist Churches there are 3,600,000 adult church members who are not enrolled in our Sunday Schools. And many of them are in our own county among our own churches. According to the statistics this year, compared to those of last year, we had a loss of 337 in our Sunday School enrolment. I hope that under the very fine and capable leadership of Brother Roy Smith, who will be the Associational Superintendent for the coming year, and the program which he has outlined will prove successful in the growth of the Sunday School this year. Following is the suggested program for this year:

Twenty associational officers for the year; a one-night clinic for the officers; a goal for 1000 training awards this year, against 357 last year; enlist 20 churches to observe January Bible Study Week; reach a goal of 10% of enrolment in our Sunday Schools over last year; enlist 20 churches to observe Preparation Week; sponsor 5 new Sunday Schools this year; have 5 Standard Sunday Schools this year; and, have 40 Vacation Bible Schools this year.

I would also like to express my appreciation to each officer and leader who has worked so faithful and diligent this year in helping to make each meeting we had a more pleasant one.

Respectfully submitted,

Rev. Fred Jurney

This report was adopted.

REPORT ON RELIEF AND ANNUITY

Rev. C. M. Pegram, former pastor of Park Place Church, presented this report, with a motion for its adoption without reading. The report was adopted.

The report:

Since its organization 40 years ago, the Relief and Annuity Board has paid out benefits totaling nearly $27 million. In 1957 alone, $2,245,861.18 in benefits was received by more than 5,000 retired or disabled ministers and denominational leaders and widows.

At the close of 1957, there were approximately 17,500 active members in the Board's various retirement plans, with nearly 20,500 churches, Boards and agencies cooperating. During the year, membership in the plans increased by 2,454.

Each year continues to show an increase in the number of retirement, disability and widow annuities. Last year 503 persons were added to the Board's annuity roll, 136 more than the previous year.

Mailing of "**The Years Ahead**," the Board's official publication, was increased

to 30,000 in February 1957. A new color film, also with the title "The Years Ahead," was produced during the year. It is being used throughout the Southern Baptist Convention at state, associational and district meeting to explain the Board's work and to show the benefits provided by the various protection and retirement plans.

Presently, only 34% of our Southern Baptist ministers are enrolled in the Annuity Board's protection program. The Board's Promotion Department is constantly working to enlist the thousands of others in this vital program. A study of the retirement or pension plans of other denominations reveals an important fact. In the denominations showing the greater percentage of their preachers in the protection program, the church assumes the entire financial responsibility, paying the pastor's dues as well as its own.

Out of the approximately 11,000 Southern Baptist churches now participating with their pastor in this protection program, around 36% are paying both member and church dues. It is hoped our churches will give this matter some serious thought as a possible solution to giving these other preachers and their families the protection they need through the Annuity Board's program.

The Board's financial security is dependent on the work of the Investment Department. It is this department's duty to safeguard and increase, by interest additions, the funds belonging to members of the retirement plans. Last year, 97.55% of the Board's total assets were invested for this purpose. Because of the splendid program of investments, the Board was able to add an additional credit of ½ of 1% to all the Board's reserves at the end of 1957. The basic rate of interest is 3%.

On July 1, 1957, six hundred and two members were participating actively in the North Carolina Ministers Retirement Plan. As of the same date in 1958 M.R.P. membership stands at 553. This reflects the decreasing trend as expected since the Plan was closed to new members on January 1, 1956, when the Southern Baptist Protection Plan became operative in our state. During the year 23 annuities were set up—22 Age Annuities and 1 Disability. The balance of the decrease is accounted for by transfer to other states; to Southern Baptist Protection Plan and by death of 5 members.

At present 190 Annuitants are receiving benefits from the M.R.P. and 1 from S.B.P.P.

On July 1, 1957, we had 302 members in the Southern Baptist Proetction Plan. During the year 115 new certificates were issued; 6 M.R.P. members transferred to the Protection Plan; 20 transferred from other states to North Carolina for a total increase of 141. On the other hand, 6 North Carolina members transferred to other states and two members withdrew from the Plan, leaving a net increase of 133, so that the Protection Plan now has 435 members. We have pending and in process 38 applications, making a total of 473.

Total membership in both Ministers Retirement Plan and Southern Baptist Protection Plan now stands at 1,026. This means that about 35% of our possibilities is covered in our plans.

We are encouraged with the year's progress, but urge all pastors and workers to lead their churches to participation.

Ottis J. Hagler is Secretary of Retirement Plans in North Carolina and his address is Baptist Building, Raleigh, North Carolina. He is anxious to help pastors and churches obtain the benefits of the plan in case of disability, old age or death. Call on him.

Administrative officers of the Relief and Annuity Board are R. Alton Reed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments, and Mable H. McCartney, registrar.

Respectfully submitted,
Rev. C. M. Pegram

REPORT ON PUBLIC MORALS

The report on Public Morals was brought by Dr. F. M. Powell. After reading the report, Dr. Powell talked briefly on the subject. The report was adopted.

The report:

No man liveth unto himself. But one wonders if today too many do not die unto themselves! Human life increasingly becomes cheaper and disregarded. More and more we tend to "lump" humanity into our thinking, and to forget that the entire human race is composed of individual persons, not much better, not much worse than we are.

When tragedy strikes "close to home" or among our associates, we may become aroused for the moment. But slaughter on the highways, drunkenness, murder, robbery and all other forms of gangsterism continue to mount up as we nourish and fondle the accursed liquor traffic and encourage, at least by our negative attitude, corrupt and dilatory court proceedings, as well as questionable practices in our very midst and among our highest officials.

There is a "Teen-Age Problem" as there is an "Every-Age Delinquency." Alcohol, narcotics, murder, theft, sex debauchery and dishonesty acknowledge no respite and respect no age or circumstance, either as to the perpetrator or victim.

May the Crystal Christ of the Cross—the Jesus of the sinless life—create within us all a re-awakened and sensitive conscience in every area of our energizing, especially in our homes, our churches, our schools, our courts, our daily work, along with our leisure and our recreation.

Respectfully submitted,
F. M. Powell

REPORT OF COMMITTEES AND ELECTION OF OFFICERS

Rev. Guy C. Moore, chairman of the Committee On Nominations, read the names of suggested officers and committees for the coming year. The recommendations of this committee were accepted. The names of the elected officers are found on another page. Rev. W. N. Brookshire was elected Moderator by acclamation for another year.

Dr. E. W. Price, Jr., who was on the program to speak on Stewardship, was unable to be present because of illness. There was a motion passed that the Clerk be requested to send a letter of regrets to Dr. Price.

REPORT OF HISTORIAN

The Historian, J. Marse Grant, brought his report, which was adopted.

The report:

Last year, as we observed our 125th anniversary, the Historian's Report was quite lengthy. This year, it will be very short, since most of the so-called "history" of any association is included in the large number of reports which are given at the annual meeting.

The resignation of Missionary Van Carroll more than a year ago and the coming of the Rev. Ted Williams of Mount Olive to succeed him was one of the most noteworthy events to take place during the year. Mr. and Mrs. Williams and their two boys moved to Lexington last April to take up their new work among us.

A new church—Hasty Baptist Church—with the Rev. Inman Stewart as pastor, was organized November 27, 1957, and was formally received into the Association yesterday, September 30, 1958. This church has already launched a building program and is showing splendid progress.

Although construction tapered off during the past year, a number of churches added facilities. The church in which we are meeting today—Liberty Church—broke ground August 10 for a new educational building and other churches have expanded in other ways during the year as the letters to the clerk will show.

Respectfully submitted,
J. Marse Grant

At this time M. H. Kendall from Mars Hill College spoke to the Association.

Dr. J. Roy Clifford, pastor of First Baptist Church, Lexington, spoke to the Association concerning the activities of the Committee of Twenty-Five, of which he is a member.

After announcements by Rev. Kelly concerning lunch, the Moderator presented Rev. Earle Bradley, Secretary of Promotion of Baptist State Convention, who brought an address.

After the address by Rev. Bradley, G. W. Miller asked for five minutes in which to speak. His request was granted. Due to the fact Sheets Memorial Church had not participated in the association for the past two years, he requested that some action be taken in an effort to restore fellowship. After this talk by Brother Miller, the association was adjourned for lunch with prayer by Rev. R. H. Kelly.

WEDNESDAY AFTERNOON SESSION

After a period of worshipful music, Rev. Sammy Shoaf, pastor of Burton Street, conducted the devotion.

MEMORIAL SERVICE

The Memorial Service was conducted by Rev. R. H. Kelly. After reading the names of the deceased and a prayer, Carey Davis led in singing "What A Friend We Have In Jesus."

Rev. Leonard Rollins and Rev. Raymond Crow were appointed by the Moderator to work with the Committee On Resolutions.

REPORT ON BAPTIST HOSPITAL

The report on the Baptist Hospital was brought by Rev. Inman Stewart. The report was adopted.

The report:

Our Baptist Hospital provides a well-rounded program and medical care and training under Christian guidance and influence.

It serves our people when they are sick and need specialized medical care which requires facilities beyond those available in their own communities. Last year the hospital provided bed care for 16,000 patients. There were 120,000 visits to the clinics and offices of the medical staff and chaplains.

In the seven major operating rooms 6,728 operations were performed, an average of nineteen a day.

Preaching, teaching and healing are our Baptist Hospital's way of life. Through the Department of Pastoral Care it ministers to the patients' souls as the men of medicine minister to their bodies.

Regular worship and other services are held on Sunday and through the week in the beautiful Davis Memorial Chapel.

All the money contributed by North Carolina Baptists on Mothers Day is used to help make possible medical care for patients who cannot afford the care they need. Free service to patients last year exclusive of free doctors' care for all service patients was more than half a million dollars. Generous giving this year through the Mother's Day offering will mean an opportunity for renewed health and happy, useful lives for many suffering men, women and children.

Respectfully submitted,

Inman L. Stewart

The Moderator presented Dr. W. K. McGee, who brought an informative message on the work of the hospital.

REPORT ON HOMES FOR AGING

The report on Homes for Aging was brought by Rev. Clarence Jenkins. Rev. Jenkins asked that this report be adopted without reading in order to give the speaker more time. The report was adopted.

The Moderator presented Rev. James Hayes, Superintendent of Resthaven at Winston-Salem, who brought a message on the Baptist Homes for Aging.

The report:

The Homes for Aging are now in their eighth year of operation—Resthaven opened March 16, 1951; the Albemarle Home December 7, 1953; and the Administration Building, Winston-Salem, June 13, 1957. The three Homes have facilities for 119—counting residents and helpers. The average number of residents will exceed 100.

Efforts were launched in June to raise $100,000 to match a gift of Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home for Aging to be located at Hamilton, Martin County. It is expected that the campaign will be successfully completed this year, and the construction of the new Home will then begin. This Home will provide facilities for approximately forty residents, giving a total capacity for all three Homes of 150 persons.

The Homes have had a good year financially. The auditors' report for the year ending September 30, 1957, showed that the income was $268,924.58. When the new Administration Building was ready for occupancy, $103,000 was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds received from the Special Day Offering and the Cooperative Program have helped to meet the current cost of operation. The Homes have also received help from individual and corporation gifts. The largest individual gift for the year was $40,000.

A large number of the residents have been aided financially. Less than ten per cent of the residents have given to the Homes assets sufficient to pay their cost of keep for life. Thirteen residents have paid the monthly rate, which is less than the actual cost to the Homes. Most of the residents are paying one-third to one-half of their actual cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts by individuals and corporations.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. We think, first, of the ever-increasing number of aging friends needing larger dormitory facilities; and, secondly, of doubling the capacity of our infirmary in the Administration Building. It now accommodates fifteen patients, but we should have space for at least thirty. It is estimated that elderly people will become invalids at the rate of ten per cent annually. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

With gratitude to all who have made our present Homes possible—churches, individuals and corporations—and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way, we look to the future with great hope.

Note: The Rev. Charles P. Burchette, Jr., began working with the Baptist Homes for Aging in May, and is living at the Albemarle Baptist Home. He will devote his efforts in the field of promotion and public relations, and will be ready to answer invitations to speak at churches and group meetings as the opportunities are given him.

MISCELLANEOUS BUSINESS

Rev. Fred Duckett, pastor of First Baptist Church, Denton, offered the following motion concerning Sheets Memorial Church.

The motion:

That the Moderator be instructed to appoint a committee of five men (with the Moderator and Associational Missionary serving as ex-officio members) to seek counsel with the pastor and deacons of Sheets Memorial Baptist Church of Lexington in an effort to ascertain the desires of that church with respect to further membership in, and cooperation with, the Liberty Baptist Association, and that this committee report to the Association at its next annual meeting.

Respectfully submitted,

Fred A. Duckett

This motion was adopted.

The following committee was later appointed: Rev. John Walton, chairman; Horace Buchanan, Beamer Barnes, Rev. Stanley Hardee, Jr., and Rev. Carl Hemphill.

At this time the Moderator named the Nominating Committee for the coming year. The names appear on another page.

REPORT OF COMMITTEE ON RESOLUTIONS

Hugh Palmer brought the report of the Committee On Resolutions. The report was adopted.

The report:

The Liberty Baptist Association wishes to express sincere appreciation to South Side, First Baptist and Liberty Churches of Thomasville for entertaining the

one hundred twenty-sixth annual session. They have worked diligently and untiringly in making provisions for the needs of their guests.

We also commend the capable and consecrated leadership of our Moderator and Vice-Moderator and pledge our fullest cooperation in the year that is ahead.

To the Clerk-Treasurer for his faithfulness to the task which is ahead, the Music Director, Carey J. Davis, and his helper, Bill Davis, and pianist, Mrs. Charlie Smith, for the contribution they have made to the worshipful spirit of our sessions, we also express heartfelt gratitude.

Respectfully submitted,
Hugh Palmer, chairman
Mrs. John Jarratt
Raymond Crow
Leonard Rollins

The Moderator at this time recognized those present who had at any time served as Moderator of the Liberty Association. Those present were G. W. Miller, Rev. J. O. Walton, Sam J. Smith and Rev. J. Roy Clifford.

REPORT ON CHRISTIAN EDUCATION

In the absence of Mrs. Edgar Bridges, Mrs. Foster Call brought the report on Christian Education. This report was adopted.

The report:

Are you acquainted with our seven Baptist colleges in North Carolina? Let us introduce you to our five junior colleges: Campbell, Chowan, Gardner-Webb, Wingate and Mars Hill, all of which are co-educational. Our two senior colleges are Meredith, for women only, and Wake Forest, co-educational.

These colleges differ in some physical and spiritual qualities, but there are ways in which they are alike. We might call them the "Seven Marks of A Christian College": 1. Christian Ownership; 2. Christian Administration; 3. Christian Faculty; 4. Christian Students; 5. Christian Ideals; 6. Christian Teachings, and 7. Christian Service.

Estimated yearly costs for attending these colleges range from $800.00 in the junior colleges to $1,000.00 in the senior colleges, varying with courses pursued and individual choices. For every student who merits and needs help there are work scholarships, grants in aid, loans.

Beginning in 1957 Father's Day has been designated for our Christian Education Emphasis in North Carolina Baptist Colleges with a special offering for providing financial assistance for many students unable to attend without such help. A total of $133.45 was received from churches in the Liberty Association for the colleges this year. Six churches participated in this effort. As Baptists we must have our colleges and our colleges must have our confidence, our love, and our support.

Respectfully submitted,
Mrs. Edgar Bridges

The Moderator now introduced the college representatives. They were Dr. Bruce Whitaker, President of Chowan College, and M. H. Kendall, member of the Mars Hill College faculty. At this time the Associational Missionary, Rev. Ted W. Williams, introduced Dr. Whitaker, who brought the closing message.

There being no further business, the one hundred and twenty-sixth annual session of the Liberty Baptist Association adjourned with prayer and the congregation singing "Blest Be The Tie."

Total registration, 385.

MINUTES OF THE FIFTY SECOND ANNUAL SESSION OF THE WOMAN'S MISSIONARY UNION OF THE LIBERTY BAPTIST ASSOCIATION

The Fifty-Second Annual Session of the Woman's Missionary Union was called to order at 10:00 a. m. April 23, 1958 at Abbott's Creek Baptist Church by the Associate Superintendent, Mrs. Marse Grant. The Superintendent, Mrs. Paul Kesler, was absent due to the serious illness of her mother.

Theme: "Ye Shall Be Witnesses."

The meeting was opened by singing "We've A Story To Tell To The Nations" in unison. The devotional period, "Women Witnesses," was conducted by Mrs. M. E. Wilson. Mrs. Grant gave words of welcome to the approximately 200 present. The following associational officers had part on the program, using their subjects:

"Witnessing Where We Are".....Helen Tate

"Witness With Us".....Mrs. Marse Grant

At this time Miss Sara Ann Hobbs was introduced. She brought a wonderful message, using as her subject "The Winning Ways of Youth.'

At this time we were invited into the dining room where a most delicious meal was served by the hostess church. Rev. W. H. Walton gave the benediction.

After lunch we reassembled by singing the hymn "Jesus Saves." Mrs. Marse Grant led the opening prayer.

Very interesting reports were given by the different officers. The Nominating Committee reported as follows:

LIBERTY BAPTIST ASSOCIATION CONSTITUTION AND BY-LAWS

(Adopted September 29, 1954 — Revised September 30, 1959)

Preamble

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

Article I. Name

The name of this body shall be the LIBERTY BAPTIST ASSOCIATION.

Article II. Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years, shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association. The committee shall report and bring appropriate recommendations to the Association.

A cooperating church is one which either (1) Sends a report to the Annual Session, (2) sends messengers to the Annual Session, or (3) contributes to the financial program of the Association.

Article III. Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV. Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

Article V. Officers and Their Election

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. Other officers shall be elected on the last day of the annual meeting for terms of one year each. (Clerk one year, also.) They shall be contacted and nominated by the Committee On Nominations (By-Laws 8, Section 2, (6)), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

Article VI. Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serv-

ing terms of six years each in a rotating system. On nomination by the Committee On Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

Article VII. The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex-officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

Article VIII. Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

Article IX. Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

BY-LAWS

By-Law I. Parliamentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Kerfoot's "Parliamentary Law" shall be followed as the Association's rules for conducting its deliberative assemblies.

By-Law II. Associational Year

For the purpose of determining the period of time to be covered by the annual reports of the Associational officers and church letters to the Association, the Associational year shall begin September 1st and close August 31st.

By-Law III. New Churches

Section 1. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Committee for its study of the petitioning church's covenant, articles of faith, history, practices, cooperative spirit, its relations to other member churches of the Association and its willingness to abide by the Constitution and By-Laws of the Association. The Missions Committee shall then report to the Association, at its next annual meeting, its findings and recommendations for Associational action.

Section 2. Each new church applying for membership in the Association, upon approval shall be received under watch-care of the Association for a period of one year.

By-Law IV. Duties of Officers

Section 1. The Moderator shall preside over the meetings of the body according to the Constitution and By-Laws, appoint the Committee On Nominations at the closing session, shall be Chairman of the Executive Committee and be an ex-officio member of all other committees. As presiding officer he shall discharge such other duties as may be given him by the Association.

Section 2. The Vice-Moderator shall preside in the absence, or at the pleasure, of the Moderator and shall be Vice-Chairman of the Executive Committee.

Section 3. The Clerk shall send annual report forms to the member churches at least a month before the Association's annual meeting; distribute at the annual meetings mimeographed copies of the composite record of the member churches taken from their annual reports; make an accurate record of the proceedings of the Association; supervise the printing and distributing to the member churches copies of the minutes within sixty days after the annual meeting; keep in file and turn over to his successor the printed minutes and other records and documents of the Association; and shall be Secretary of the Executive Committee.

Section 4. (2) It shall meet once a quarter to receive a written report from the Associational Missionary and make helpful suggestions to him concerning his work.

(3) If such advice is sought, it shall advise any group seeking to organize a new church, or seek to help any member church desiring assistance in its problems.

Section 9. THE ASSOCIATIONAL COORDINATING COMMITTEE:

This Committee shall be composed of the Associational Missionary, who shall serve as chairman, the Moderator, and heads of the Associational organizations. Its duties shall be to plan and correlate the activities of the Associational organizations.

By-Law IX. Amendments

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one member-at-large from each Baptist church in the fellowship of the Association.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an association pastor, a mission pastor, or an educational director of a Baptist church in regular standing in the Association, or those who have felt a call to the mission field, the chaplaincy of our armed services, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and

being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and cooperation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later group to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing The Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, quarterly, annually.)

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be disbursed.

4. Inform member churches of their record of giving.

The roll of the churches was called, and thirty-four of the forty-two churches were represented. However, messengers from most of the churches not represented at this time were present for a later roll call. There was a motion passed that the messengers present and others who would come later be the ruling body to transact the business of the annual session. Those who were visiting with us were recognized at this time.

At the invitation of the Moderator, Rev. J. O. Walton, pastor of Churchland Baptist Church, presented the pastors who had come into the Association since we last met. These pastors were Rev. Kenneth Miller, pastor of Liberty Baptist Church; Rev. George Shore, pastor of First Baptist Church of Denton; Rev. Odell Hall, pastor of Glennanna Baptist Church; and Rev. Troy York, pastor of Clear View Baptist Church. Rev. York was not able to be present at this particular time.

REPORT OF THE EXECUTIVE COMMITTEE

Mr. Sam J. Smith, Secretary of the Executive Committee, presented the report for this Committee. He recognized Rev. Roy Smith, Chairman of the Committee On Constitutional Changes. Rev. Smith read the constitutional alterations which had been approved by the Executive Committee. He stated that another change should be made concerning the election of the Clerk. He recommended that the Clerk be elected at the beginning of the first day's session. Such action would forestall the necessity of an incoming Clerk having to work with the notes taken by a retiring Clerk. Acting upon this advice, Rev. Carl Hemphill, Chairman of the Nominating Committee, was asked to present the nominee for this office. He presented the name of Rev. Robert Nation, and the Association asked that the nominee "sit with" the present Clerk until the time of the election of officers.

The report of the Executive Committee was as follows:

Seven meetings were held during the last year.

This report will only cover the more important matters acted on at these meetings.

The first meeting was held on November 7, 1958.

At this meeting it was voted that the Moderator of the Association appoint a committee to study the revision of the Constitution and By-Laws of the Association.

The following officers for the coming year were elected:

Chairman.....Rev. Raymond Crow
Vice-Chairman.....Rev. Robert Nation
Secretary.....Sam J. Smith

Motion was passed that the State Board be asked for the same amount they gave last year for our Associational Missionary Program for 1959.

Motion was passed that the Chairman of this Committee and the Officers of the Association meet and work out a definite time for the meeting of this Committee each quarter.

The second meeting was held January 30, 1959.

A report by Mr. Wade Jarratt, Treasurer of the Association, showed our Associational Missionary Program was in a strained financial condition.

Motion was made and passed that the Chairman name a committee of five to study this situation in detail and bring a report to a future meeting.

The following were appointed to compose this committee: Dr. J. Roy Clifford, Chairman; Mr. Marse Grant, Rev. Roger Williams, Rev. Raymond Crow, and Rev. W. N. Brookshire.

The third meeting (a called meeting) was held on February 27, 1959.

Mr. Wade Jarratt, Treasurer, made a report which showed seventy cents in the treasury and that five hundred dollars had been borrowed.

The Committee named in the previous meeting made its report.

They recommended that the **Liberty News** be made a bi-monthly and the number of copies published be cut one-half.

They also recommended that the Associational Budget be revised to bring about a reduction in expenditures. The budget is as follows, on a monthly basis:

Missionary's Salary	$350.00
Missionary's housing	75.00
Missionary's car expense	75.00
Missionary's secretary	10.00
Paper and postage for **Liberty News**	5.00
Clerk's Honorarium	25.00

They also recommended that promotional expenses by all departments of work in the Association be cut to a bare minimum.

These recommendations were approved.

The fourth meeting was held on May 1, 1959.

At this meeting the report of the Treasurer showed a balance of $366.67 and that the second $500 had not been borrowed.

The Association Missions Committee made a report which was adopted. The report covered policies in regard to new mission work.

The fifth meeting was held on June 25, 1959.

It was voted that seven additional members be added to the Housing Committee and that the combined Committee be known as the Associational Pastorium Building Committee. It being understood that the appointment of this Committee does not eliminate the possibility of buying a pastorium for our Associational Missionary.

The Committee previously appointed to recommend changes in the Constitution and By-Laws of the Association made their report, which was adopted.

The sixth meeting (a called one) was held on June 28, 1959.

At this meeting Rev. W. N. Brookshire, Moderator of the Association and Acting Chairman of the Associational Parsonage Building Committee, made a motion that the Association purchase the Wallace R. Simmons home on Glenwood Drive in Lexington for a parsonage for our missionary. Price for same being $20.000. After going to the premises and viewing the property it was voted to purchase it.

The seventh meeting was held on August 21, 1959.

Mr. Wade Jarratt, Treasurer, made his report, which showed a good balance on hand.

Motion was made and passed that the matter of converting a part of the garage at the new pastorium into office space be looked into.

Motion was made and passed that the State Convention be asked to aid our Associational Missionary Program in the amount of $876.00 for 1960, the same amount they gave for 1959.

Respectfully submitted,
Sam J. Smith, Secretary

On motion and second, the report was approved.

The Moderator read a resolution which had been passed previously in regard to a committee charged with the task of visiting the Sheets Memorial Baptist Church. The purpose was to ascertain their wishes as to continued membership in the Association.

REPORT ON CHILDREN'S HOMES

Rev. Don Moore was unable to be present at this time, and the report was read by Mrs. Moore. The report follows:

It has been another busy and fruitful year at our Baptist Children's Homes. In his first full year as general superintendent, W. R. Wagoner has done a creditable job in leading and oordinating the work of the homes.

The major administrative change came at Mills Home with the resignation of Charlie Kearns and the selection of Vernon S. Sparrow to succeed him as superintendent there. Visible physical changes were seen in the beginning of construction of three new cottages: one for boys at Mills Home, one for girls at Kennedy Home, and one at Pembroke which will provide administrative offices, living accommodations as well as kitchen and dining facilities for the Indian boys and girls.

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mills Home, Kennedy Home, and Odum Home provided care for 547 children while 197 lived in foster homes. Through financial assistance of the Mothers Aid Program 40 children were able to live with their mothers. Case work supervision and financial assistance through scholarships were afforded 30 college students. Caseworkers assisted 214 boys and girls to find homes with relatives and other Social Service agencies. Case work and family counseling services were given many families from which no placement of children was made.

Charity and Children continues its masterful job of keeping Baptists across the State and elsewhere informed about all phases of our Baptist work.

For lack of sufficient income the Homes operated on a $22,000 deficit in 1958. The deficit for 1959 will be approximately $65,000. The only way the Homes have of meeting the $65,000 deficit this year is through a substantial increase in the Thanksgiving Offering. The new year affords us continued opportunity to serve these dependent children through our best support — both physical and spiritual.

Respectfully submitted,
Donald D. Moore

The Moderator recognized Rev. Roger Williams, pastor of Mills Home Baptist Church, who presented the speaker. Dr. W. R. Wagoner, general superintendent of North Carolina Baptist Children's Homes, spoke to the report. The report was adopted.

A question was raised as to the division of the salary for future Clerk and Treasurer. This matter was referred to the Finance Committee and the Nominating Committee.

The report, as follows, was approved.

Churches are urged to send in their checks monthly since most Associational obligations come due each month. This cooperation will be welcomed by our Treasurer and it will also keep the treasury in better balance at all times during the year.

The Clerk again called the roll of those churches which had not been present for the first call. Announcements were made by Rev. Bennie Crawford, host pastor, regarding available facilities for use by the messengers and visitors. Instructions were given as to the best way to expedite the serving of the noon-day meal. The Moderator recognized all former Moderators of the Association present at the time. Mr. Sam J. Smith and Rev. J. O. Walton were asked to stand and be recognized as former Moderators.

A brief period of music was led by Mr. Carey Davis, Secretary of Church Music. Rev. Carl Hemphill read from the Scriptures and led in prayer. The annual sermon, one of the high moments of the Association, was brought by Rev. Guy Moore, pastor of Erlanger Baptist Church. It was a well-prepared message and proved most helpful to all. The Moderator asked Brother Moore to dismiss us with prayer and to ask God's blessings upon the meal to follow.

TUESDAY AFTERNOON SESSION

Following the musical prelude, the Moderator called the Association to order. Rev. George Shore, pastor of Denton First Baptist Church, conducted the devotion.

REPORT ON CHRISTIAN LITERATURE

Mrs. J. Marse Grant, appointed to bring this report, was not present at this time. The Moderator recognized Rev. C. W. Bazemore, Associate Editor of the

Biblical Recorder, who was to speak to the report. He brought timely words on an important subject. By this time Mrs. Grant had arrived, and she asked that her report be adopted without a reading. It was so ordered. The report was:

"Give attention to reading," said the Apostle Paul, in writing to Timothy. In that day, the people had no newspapers, no magazines, no printing presses. But they had to read to find truth. Never before has there been so much to read, as we have today. Much of this flood of reading matter is bad; so Christian people must continually cast aside the evil and turn to that which is good. The Bible, of course, occupies first place always as we read in search for truth. All Christian literature must forever be dedicated to the furtherance of the Gospel, or it fails in its noble purpose.

The flood of obscene, degrading literature has become so heavy on news-stands and in the mails, that the U. S. Post Office Department has cracked down in its nation-wide efforts to break it up. The printed page has great power for good; and also great power for evil. Money-hungry publishers without Christian motives are pouring out obscene printed matter like a stream of poison to capture the minds of all who will stop, look and read. Baptists have no need to buy or read such literature, for they have an immense volume of clean, uplifting Christian literature coming from Baptist presses and other sources to suit every age and need.

"The promotion of missions, education, social service and the distribution of sound religious literature" was the main purpose of the Baptist State Convention of North Carolina when it was organized in 1830. In 1833 the **Biblical Recorder** was founded to help carry out these noble aims of our Baptist forefathers. Since that time, the **Biblical Recorder** has carried in its pages the Baptist message in North Carolina. It ought to be in every Baptist home in our State. No Baptist mailbox is beyond he reach of the state Baptist paper each week, for every copy is mailed direct to each subscriber in every case.

The **Biblical Recorder** has three subscription plans: Single subscription, to one person, is $2.50 a year The Club Plan, with four or more subscriptions, is $2.00 a year. The Every-Family Plan, with one subscription to each resident family or home in the church, is only $1.50 a year. Pastors, **Biblical Recorder** representatives in the churches, and others have been faithful in securing renewals and new subscribers, and we wish to thank them. Our General Secretary, the State Baptist workers, Associational Missionaries and others, have given their continued interest and support in promotion of wider circulation. We wish to express to them also, our sincere appreciation. Circulation is now over 62,000.

We earnestly urge all pastors, associational workers, Sunday School superintendents and officers, teachers, and all other local church leaders to promote in every possible way the Every-Family Plan or at least a good-sized **Biblical Recorder** club in every church. No Baptist, young or old, can keep well informed about Baptist work unless he reads his state Baptist paper.

The **Biblical Recorder** and its staff members seek to be of every possible service to North Carolina Baptists. Remember us in your prayers; call on us for any service we can render. We want to be faithful to our task; we seek to make the **Biblical Recorder** a true and faithful witness every week of what is best in our total Baptist life. On the wings of the printed page, there must be borne the message of progress, growth, and faithful witnessing unto the Lord. We must all work together in the will of God as we strive to promote every cause and object dear to the hearts of North Carolina Baptist people.

Respectfully submitted,
Mrs. J. Marse Grant

Rev. J. C. Mangum, pastor of Calvary Baptist Church and graduate of Fruitland Baptist Bible Institute, was asked to speak of the place that this school holds in the lives of many pastors who have not had the advantage of the usual secular schooling. He gave a good report of the stewardship of Fruitland.

REPORT ON ASSOCIATIONAL MISSIONS

This report was presented by Rev. Roger Williams, pastor of Mills Home Baptist Church. The following report was approved:

This has been a year of ups and downs in our Associational Program of Missions. The work started out on a high plane with a most successful School of Missions last October. We are grateful to our Associational Missionary and others who had worked out the details to enable so many of our churches to benefit from this Mission emphasis.

A few months after our Associational year had begun, it became evident that our financial situation had become desperate relative to the support of our Associational Program. Although this matter was a concern primarily of the Finance Committee of the Association, because the security of the Associational Missionary was involved, it became also a responsibility of the Missions Committee to assist in working out a temporary compromise budget for the balance of the year, and to aid in stimulating the churches of the Association to lend additional financial support. Due to the aroused interest of a number of pastors and churches we are happy to say that there has been a definite improvement along this line.

Early in the Associational Year the Gordontown Mission was organized under your Committee's guidance into a duly constituted Baptist church. After a period of sustained growth throughout the year, this church petitioned the Missions Committee, in keeping with the Associational Constitution, for admission to full fellowship with the other Baptist churches of the Liberty Baptist Association. Your Committee unanimously approves and recommends their reception at this annual meeting.

At the final meeting of the Associational Missions Committee for the closing year, the Associational Missionary was asked to assume the responsibility for conducting surveys in four of the most promising mission areas of our Associational territory. This is to be done in cooperation with churches who are willing to assume the obligation of furnishing workers and of assisting in the taking of a house to house canvass. We believe that this is a practical way of implementing our desire to participate in the 30,000 movement of the Southern Baptist Convention.

We are looking forward to the new year with the earnest prayer that all of our churches may be strengthened through mutual cooperation within the Association itself.

Respectfully submitted,
Roger E. Williams, Jr.
Missions Committee Chairman

In carrying out the directive of the above adopted report, the Moderator called Rev. Alan McGee, pastor of the Community Missionary Baptist Church (formerly Gordontown Mission), and any other representatives present from that church to come forward. This newly organized church was warmly welcomed into the Association by our Moderator, following the vote of the Association to receive her as a sister church.

REPORT OF ASSOCIATIONAL MISSIONARY

Rev. Ted Williams, Associational Missionary for Liberty Baptist Association, brought a fine and encouraging report. It was adopted. It was as follows:

By-Law V, Section 2, of Liberty Baptist Association states "The Associational Missionary shall, under the direction of the Missions Committee, promote the work of the Association and Denomination, cooperating with the churches, their pastors and officers, and the Associational committees and organizations."

During the past year in the implementation of these responsibilities, your Missionary has had the privilege of being in the churches 151 different times. He has preached in three revivals within the Association, taught seven study courses, and conducted three church community surveys. He has preached or spoken 145

times during this period. There have been 207 individual conferences, 76 group conferences, and 45 committee conferences. All of this is just an indication of the widespread responsibilities of your Missionary.

Let it be said that in spite of a heavy schedule, your Missionary stands ready to serve the churches when called upon. Remember that the only doorway to service in the churches is an invitation from the churches.

To serve the churches in a more efficient way, an office has been opened on the second floor of the Industrial Bank Building in Lexington. The Missionary maintains office hours there each morning, Monday through Friday from 9:00 to 12:00 o'clock. An arrangement is being worked out whereby he will be in Thomasville one afternoon a week for conferences. Thursday will probably be the day. The place will be determined later. Of course, these regular hours will be interrupted from time to time as other responsibilities make it necessary for the Missionary to be away.

We have said all of that ot say this: Our whole desire is to be of service to the churches of Liberty Baptist Association. If you have suggestions, please feel free to make them.

The next year has much for us to do. Aside from the regular duties and responsibilities, we will undertake a program of primary mission work. The Missions Committee has worked out a plan whereby a survey will be made in fifteen different areas of Davidson County. The plan calls for the enlistment of a sponsoring church for each of these areas. When a survey is complete, the sponsoring church and the Missions Committee of the Association will decide if new mission work would be practical in the area. It is the plan of the Missions Committee that four such surveys be conducted during this Associational year, one each quarter. This Mission Program has been approved by the Executive Committee of the Association.

Also, the Executive Committee has adopted the following policies for the establishment of missions:

1. Definite sponsorship by an established cooperating church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage the Mission from the beginning in giving a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well-defined program of Southern Baptist work in the Mission, using Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

It is extremely important that a new church be well-born, properly established and grounded, and guided toward full maturity. Only then can it render maximum service in building the Kingdom of God.

The challenge of this Missions Program ought to call forth the very best from our churches. This county is a great mission field and we can claim the victory for our Lord only as we give ourselves completely to the task.

Respectfully submitted,
Ted W. Williams
Associational Missionary

Moderator Brookshire recognized Mr. Roy Holder, Minister of Music and Education of Thomasville First Baptist Church. Mr. Holder presented his pastor, Rev. F. Stanley Hardee, who spoke on "Teaching Them To Observe All Things Through The Stewardship of Money." Brother Hardee presented an inspiring challenge to us.

After the message by Rev. Hardee, the Moderator stated that it would be necessary to alter the order of business at this point. Rev. Leonard Rollins, Chairman of the Committee On Order of Business, stated the change. In order to accommodate ourselves to the crowded schedule of the next speaker, it would be imperative that we move the missionary address up to the present hour. This change was approved.

Miss Amelia Rappold, from the Baptist Good Will Center in New Orleans, La., brought one of the most heart-touching messages that any Association was ever privileged to hear. It brought every soul to attention and challenged us to support that great cause of our Lord's.

Mr. Carey Davis led the congregation in singing one of the great old hymns of the faith.

REPORT ON WOMAN'S MISSIONARY UNION

Mrs. Paul Kesler, designated to bring this report, was unable to be present due to serious illness at home. In her absence, the report was read by Mrs. Bennie Crawford. The Association gave its approval to this report. This is the report:

"Sing unto the Lord, bless His name; Shew forth His Salvation from day to day." Psalm 96: 2. This has been the watchword of Woman's Missionary Unions for the past year. As we think of the love of God and the great privilege of serving Him; our hearts are made to rejoice. As we look at the response to this phase of our work during the year we sing joyously unto the Lord.

W. M. U. Jubilee Advance goals have been stressed during the year, with special emphasis placed on Christian witnessing. The book **Christian Witnessing** was studied by a number of Societies in the Association. Women have been supporting the establishing of new mission work through their local churches.

Three new Societies have been organized, namely Green Needle Park, Hasty and Lake View. Two other Societies have been reorganized, these being Oak Hill Memorial and Floyd. Several youth organizations have been formed during the year.

We are especially grateful for the offering for Home Missions, which exceeded the goal for the first time in a number of years.

Lottie Moon.....$7,178.03 Home Mission.....$3,351.71 Heck Jones.....$1,615.83

Throughout the year a number of meetings have been held to promote and place emphasis on the work. They were as follows:

W. M. U. Executive Committee — 5.

W. M. U. Leadership Conferences — 2; 220 attending; 28 churches represented.

One Y. W. A. Council Meeting — 100% attendance.

One Associational Y. W. A. Meeting.

Three G. A. Associational Meetings — 136 attending first one; 198 attending second; 179 attending third.

One Sunbeam Rally — 75 attending; 10 churches represented.

One W. M. S. Rally — 200 attending.

Throughout the year letters, cards, telephone calls and personal contacts have kept us in contact with each local organization. To you we say thank you for your fine cooperation and your wonderful spirit. We could not function without you.

Thanks be to God for a wonderful year and the great privilege of serving Him. But our prayer is "Lord forgive us wherein we have failed."

Respectfully submitted,
Mrs. Paul Kesler
Associational W. M. U. President

REPORT ON FOREIGN MISSIONS

The cause of Foreign Missions was presented by Rev. Raymond Crow, pastor of Greenwood Baptist Church. The following report was read and adopted:

The lifeline of Southern Baptists is our Mission Program. If we will not do abroad, God cannot use us as effectively at home. On every one of the thirty-nine mission fields where Southern Baptists now serve there are urgent needs for additional personnel. As we read statistics relating to various types of missionary services, we must remember that there are still many needs unmet. Some of these will not be met soon enough unless pastors now serving successfully in churches in the homeland, along with other men and women already established in their professions, hear and acknowledge God's call to go wherever He would send.

Including May, 1959, appointments there are 1,325 missionaries now serving with our Foreign Mission Board. These are serving in 1,374 locations, some serving in two or more.

The Mission Board will be happy to supply any church or denominational leaders with names of missionaries who may be engaged for speaking while on furlough.

The cost of carrying out the Foreign Mission Board's Program during the calendar year 1958 was $30.10 per minute — more than 15 million dollars. They have proposed greater things for this year. We need to increase our gifts and prayer support. Our Association's gifts to Foreign Missions, designated and through the Cooperative Program, last year was $19,220.00.

Our Foreign Mission Board is a good steward of our gifts, as it uses only 6.14% of the dollar for administrative, promotional and general expenses, and 93.86% goes to the foreign fields. Let us share more of our blessings with those less fortunate than we.

Respectfully submitted,
Raymond E. Crow

REPORT ON HOME MISSIONS

Rev. J. Roy Clifford, pastor of Lexington First Baptist Church, brought the report on Home Missions. It was in connection with this cause that Miss Rappold had spoken earlier. The report was adopted. This fine report read as follows:

Southern Baptists are both fortunate and unique in having such a great agency as our Home Mission Board. This board has as its prime function the winning of America for the Lord Jesus Christ.

In the spring of 1959, it had 1,282 missionaries in the field. In addition, there are 382 chaplains in the Armed Forces who are aided by the Division of Chaplaincy. In cooperation with the Sunday School Board, the Woman's Missionary Union and the Baptist Brotherhood, the Home Board is striving to help the denomination to achieve its goal of 30,000 new churches and mission stations by 1964.

In 1958, 564 new missions were started and 399 new churches constituted.

Film strips and motion pictures may be secured through the Atlanta Office of the Board.

During the last full year of Board Work, the number of missionaries serving under the Department of Direct Missions has increased seventy-four to a total of 784. Major effort is being put forth in the Southwest and Farwest.

In the area of Cooperative Missions, notable advance also has been made. In New York City the Manhattan Baptist Church has now reached a membership of over 200 and is operating three missions. In Chicago $200,000 has been set aside for the purchase of church lots and employment of Mission pastors. Other large cities in the North are calling for this type of program.

The Cooperative Program furnishes the main support for these and other Home Mission enterprises. The Sunday School Offering for Home and Foreign Missions and the Annie Armstrong Offering are additional opportunities for greatly strengthening the program. Our churches are urged to expend every effort in the direction of such mission support.

Respectfully submitted,
J. Roy Clifford

The Moderator read the names of those Committees being asked to meet at the close of this afternoon session. Rev. J. Roy Clifford brought this session to a close with prayer. The Association adjourned until 7:30 p. m.

TUESDAY EVENING SESSION

The combined choirs of Reeds and Coggins Memorial Baptist Churches furnished the musical prelude for the evening session. Following this prelude, Mr. Carey Davis led the congregation in the hymn of faith. The Moderator recognized Rev. Troy York, pastor of Clear View Baptist Church, to conduct the devotional exercise.

REPORT ON BROTHERHOOD

Rev. Carl Hemphill, pastor of Carolina Avenue Baptist Church, brought this report to the Association. The following report was read and approved:

Brotherhood and Royal Ambassador work reached new heights during the past year. In many respects the past year was one of the finest ever to be witnessed in the life and work of the Brotherhood Commission.

From that which we have seen come to pass among our men and boys during the past twelve months, it is evident that God has blessed this phase of our denominational life in a very peculiar and significant way.

From the report of the Southern Baptist Statistician we learn that during the past year Brotherhood enrolment in the Southern Baptist Convention climbed to a total af 384,686. This figure reveals that there were 37,499 new men enrolled in Brotherhood during the twelve-months' period. The report also showed that the Royal Ambassador enrolment stood at 197,811. This is a gain of 35,087 over the previous year. Combined enrolment of both groups totals 582,497.

We must confess that the Brotherhood work is not as strong as it should be in our Association. However, we can report that some progress is being made. Last year 13 Brotherhood organizations were reported, with an enrolment of 371. This year we are reporting 15 Brotherhoods, with an enrolment of 619. What are we doing to promote Brotherhood work? The 2nd and 3rd of last January a Layman's Witnessing and Personal Soul Winning Leadership Institute was held at Mills Home. Donald Adcock, our State Brotherhood President, was in charge. It was well attended. We held a Brotherhood and Royal Ambassador Clinic at the First Baptist Church in Thomasville February 23. After a period of conferences, Rev. Thomas Haggai spoke to the group. That was a very helpful meeting. Our last meeting was a joint meeting with the Deacon organization, held at Erlanger Baptist Church. Horace McKinney of Wake Forest College was the speaker for the service.

Plans are being made to enlarge and strengthen our Brotherhood and Royal Ambassador work during the next year.

Respectfully submitted,
Carl Hemphill

REPORT ON ROYAL AMBASSADOR WORK

The Associational Royal Ambassador Chairman, J. G. Newman, presented the following report. After a motion and second, the report was approved:

The R. A. Counselors met one time this year and had one conclave. There has been some gain in our work. Three churches have organized R. A. chapters. Twenty churches have one or more chapters.

The R. A. "Summer Recreation Program" was most helpful in getting boys more interested in the church program. The boys prayed together, played together, and as a result they accepted Christ and are now church members.

The Brotherhood organization has been helpful in many ways to the R. A.'s. To them we say "Thanks a lot."

Our aim for 1960 is "Each church in the Liberty Baptist Association to have at least one R. A. Chapter.

Our theme is "The R. A.'s of Today Will Be Brotherhoods of Tomorrow."

"We are ambassadors for Christ." (2 Cor. 5: 20.)

Respectfully submitted,
J. G. Newman

The report scheduled for this time, the report on the Deacons' organization, was delayed at the request of Mr. J. Marse Grant. It was re-scheduled for Wednesday afternoon, to be made in conjunction with the Historian's report. This was granted by common consent. Again, at this time, the combined choirs of Reeds and Coggins Memorial Baptist churches sang, directed by Mr. Carey Davis. This was followed by a hymn from the choirs and the congregation.

The Dedication of the Associational Pastorium, referred to as a necessary change in the order of business when the printed program was first presented as the orders of the day, was held at this time. The Moderator called on these men to have a part in this service: Mr. John Penninger, Jr., Rev. J. O. Walton, and Missionary Ted W. Williams. It was a time of rejoicing.

REPORT ON EVANGELISM

Rev. F. Stanley Hardee, Chairman of Evangelism for Liberty Baptist Association, presented this report. The Association adopted Brother Hardee's report. Here is the report:

Jesus' command to us is, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world." Matthew 28: 19-20. Here Jesus summed up God's purpose in the world and the objective toward which God's people must ever move in full dedication if they are to be in His will.

The purpose of God in which He uses His people is the evangelization of the world. Evangelization means "making disciples, baptizing them, and teaching them" to be obedient to Christ in "all things" He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and mature them. This is God's purpose and plan for His people in the world.

In the Great Commission Jesus said, "Go, teach" with the purpose of making disciples, "baptize and teach" them to be obedient to Christ in all things. The only imperative in all these mighty words of action is "to make disciples" or to teach with the purpose of making disciples. Thus Jesus puts soul winning first in His total program with a definite command.

In every church or associational program, soul winning must be in the forefront of its total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient to Christ, and therefore cannot expect His empowering and blessing upon the efforts put forth.

During the years 1959-1964, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting soul winning in the foreground of their respective programs. In 1959 it appears that real progress has been made in this direction. Reports received in the Office of Evangelism in Raleigh indicate that the Simultaneous Evangelistic Crusades over the State were the most fruitful ever. With one exception, every Association in the State participated. Most of them did more praying, planning, and working to win all the people to a full committal of Christ than ever before. Figures in the Raleigh Office for the State show about 15,000 baptisms, 20,000 total additions, and that more than 2,000 young people offered their lives for full-time Christian vocations.

In the Liberty Baptist Association reports on the 1959 Crusade reveal the following: Baptisms 206; other additions 75; total additions 271; re-dedications 782; dedication to special service 4; 43,727 people in attendance during Simultaneous Crusade.

Additions to the churches for the year in the Association were: baptisms 548; other additions 458; total additions 1,006. This is an increase over 1959 of 19 in baptisms and 42 in total additions.

The ratio of baptisms to church members is 1:22 for Southern Baptists and 1:25 for North Carolina Baptists. Our Association's ratio for 1957 was 1:20. It was 1:19 in 1958, and this year it is 1:21½. The goal of Southern Baptists in ratio of baptisms to church members is 1:8. This constitutes our greatest challenge. Only as we get soul winning in the forefront of our total program can we become obedient servants of Christ. In an effort to achieve this objective, therefore, be it resolved that the Liberty Baptist Association adopt the following goals:

1. To conduct an annual clinic devoting two sessions exclusively to evangelism, striving to have at least seventy-five per cent of the churches and pastors participating.
2. To endeavor to have at least seventy-five per cent of the churches using the church council and sustaining perennial programs of evangelism with soul winning in the forefront of the total program in every church.

Respectfully submitted,
F. Stanley Hardee

Rev. Hardee presented the speaker for the inspirational hour. He was Dr. A. E. McDowell, Professor of New Testament Interpretation, Southeastern Theological Seminary. He spoke on "Teaching Them To Observe All Things Through Training in Christian Discipleship." When this fine message was concluded, the Moderator asked Dr. McDowell to conclude the session with the benedictory prayer. The Association stood adjourned until Wednesday at 9:30 a. m.

WEDNESDAY MORNING SESSION

The musical prelude brought the Association to order and to meditation. The Moderator declared the body in session and called upon Rev. Robert E. Williams, pastor of Green Needle Baptist Church, to bring the devotional thought.

The report on Church Music was delayed temporarily, due to the late arrival of Mr. Holder.

REPORT ON THE AMERICAN BIBLE SOCIETY

Moderator Brookshire called for the next item on the agenda. This report was made by Rev. O. M. Hartman, pastor of Welcome Baptist Church. The report received the Association's approval. The report as read:

Wherever the Bible has gone civilization has followed, spiritual darkness has been dispersed, joy and deliverance from sin experienced, souls have been born again, and new creatures have lived new and different lives.

The American Bible Society has been a wielded instrument in the hands of God for the distribution of His live-giving word, to various parts of His world.

The American Bible Society believes that the Bible is the world's book and their supreme desire is to get it in the hands of all people. They believe that its messages and its Lord are the only hopes of this chaotic world. They also believe that each should have the Bible in his own language so that God can speak through the written word.

We as Southern Baptists believe the Bible to be the infallible word of God. We arm our missionaries with them. The American Bible Society has been our distribution partner in supplying the needs of thousands of people. They help translate the scriptures and distribute them without profit.

In 1958 Southern Baptist churches gave $162,199 to the American Bible Society — and for the first time stood first among all denominations, because Methodists, who led for many years, dropped from $174,447 in 1956 to $147,935 in 1958.

Publications reached 12,065,314 copies, including 705,628 Bibles, 1,303,305 Testaments, and over 9,968,436 Portions. This is an encouraging report, but it is not enough to keep up with the rise in world population and literacy.

Distribution in the United States was higher than any previous year — a record of 9,188,978 volumes.

Service personnel has been supplied with the scriptures without cost since 1818. For them and for hospitalized veterans the Society has deemed this service a primary responsibility. Chaplains requested and received a total of 1,064,104 scripture volumes for free distribution last year. Encouragement of use assisted more than one hundred million people in the United States to read from the Bible, due to the Worldwide Bible Reading Program of the American Bible Society. The **Bible Society Record**, the oldest house organ in the country, now reaches more than five hundred thousand churches in the Bible Society family.

Sharing with the blind, the Society sent to the blind a total of 61,396 volumes and Talking Book records, as compared with 55,706 the year before. This was an increase of 5,690.

In the last ten years annual circulation in Latin America has increased from 1,935,151 to 3,374,899 volumes. Annual appropriations have increased from $152,000 to $364,000. Vigorous church activity is resulting in more conversions than in any comparable area in the world.

A Bible van renders faithful service in France where interest continues to grow. The Society forwarded 119,050 "Sermon On The Mount" in seven languages for the Bible exhibit at the Brussels Fair. Scriptures continue to be supplied behind the "Iron Curtain."

Political, social, religious and economic tensions make long-range plans difficult in the Middle East. The American Bible Society, however, is undertaking a major revision of the Arabic Bible and plans to publish portions as they become available.

REPORT ON CHURCH MUSIC

Upon the arrival of Mr. Roy Holder, the Moderator called for the following report. It was given by Mr. Holder, Minister of Music of Thomasville First Baptist Church, and it was approved by the session. The report:

Music has always been a part of divine worship, and the very best of abilities, time and planning should go into the program which develops this phase of worship activity. Music education through schools and private study, music programs on radio, television, motion pictures, and the fine music recordings available have brought the general public to increasingly high levels of appreciation. The churches must bring their standards of music to these higher levels of appreciation, participation, rendition, and spiriutal significance if they expect to minister to the average individual.

To develop in the churches which would accomplish this above task, encouragement is often needed from without. Ideas, information, training and other forms of assistance are often necessary. To this end is the purpose of the Associational Missionary. One of the most outstanding projects for 1959 was the combined efforts of the Sunday School, Training Union, and Music Officers in the planning and promoting of the Central School. In the classes offered for directors and accompanists there were approximately 50 of our church musicians enrolled and studying each night. A combined choir of membership of churches in our Association rehearsed and sang for the Evangelistic Rally. Special music was fostered at various Associational Meetings throughout the year. In December the first Associational-wide Carol Sing was planned. Due to snow, ice, and unpleasantly cold weather, we were deemed wise to cancel this undertaking at the last moment. Plans have already been made for a Carol Sing to be held this December.

We have only made a beginning in the music needs of our churches. Therefore, the music needs of our churches are tremendous. As we look at the first year of organization, we are challenged with our opportunities for service. Some of our plans for 1960 are:

1. A Carol Sing in December.
2. An Associational Training School.
3. Strengthen the music ministry in all our churches in our Association.

May we in the Liberty Baptist Association build a music organization which will bring more purposefulness to the music ministry of our churches and to bring to those who lead the music a deeper sense of dedication and increased opportunity for learning that all of our people may "sing with grace in their hearts" to the Lord for His glory.

Respectfully submitted,
Roy Holder

REPORT ON THE TRAINING UNION

Rev. Don Moore, pastor of Park Place Baptist Church, read the Training Union report. The report was accepted by the Association. The report stated:

What the heart is to the human body, the Training Union is to the church. The total health and strengh of our churches depend on the proper functioning of this basic, central organization.

In 1959, our Training Union was led to view new horizons under the capable leadership of Rev. Robert Clegg, who served as Director until his departure to Burlington in May. Our main needs now are two-fold:

1. To establish the work in our 15 churches that do not presently have Training Unions.
2. To strengthen the work in the other churches.

One of the highlights this year was the well-attended M-Night service last December at Reeds Baptist Church, at which Dr. E. W. Price Jr. of High Point brought the inspirational message. The Training Union tournaments for our Association were held in March at Park Place and seemed to create a new stir of enthusiasm among the participants, the workers, and the attending congregation.

Another apex of the year's work was seen in our observance of an Associational Youth Week, climaxed with a Saturday night meeting last April at New Friendship Baptist Church. This meeting was well attended and may well prove to be an annual meeting for our young folks.

A main point of emphasis in the coming year might also be our training program as relates to our new study course system. In 1959, through the period ending June 30, twenty-four of our churches had earned 426 study course awards.

Respectfully submitted,
Donald D. Moore

REPORT ON THE SUNDAY SCHOOL

In the absence of Rev. Roy Smith, Rev. Ted Williams, Associational Missionary, brought the Sunday School report. He recognized Mr. R. E. Muth, Treasurer of the Baptist Children's Homes, to bring a part of this report, that part dealing with the Vacation Bible School.

Mr. Muth's report read:

In the Liberty Baptist Association we held two clinics in preparation for Vacation Bible Schools for the benefit of those who would lead in this program. One was a daytime clinic held at Mills Home Church, and the other was a night session at the Jersey Baptist Church. Each of these clinics was well attended. I would also like to report that 37 churches in the Association held Vacation Bible Schools. Some of these schools did not send a report to me. Of those who did, there was one A and two AA schools. These were Jersey, Park Place and First Church in Thomasville.

I wish to express my appreciation to our Associational Missionary for his efforts in arranging the clinics and also for his leadership in several of the schools.

Mr. Williams' report, read for Mr. Smith:

The primary responsibilities of the Christian community are to make disciples of all men; and to nurture each convert into a mature child of God. The Sunday School organization of the church stands uniquely qualified to achieve the objectives of this divine imperative.

The objectives of the Associational Sunday School organization are to aid the member churches in attaining their goals, and to aid in the organization of new Sunday Schools in every unreached community.

During the past year the Associational Sunday School organization held quarterly Mass Meetings, emphasizing some major phase of the Sunday School work. The Sunday School organization, in conjunction with the Associational Training Union and Music organizations, sponsored a Central Training School, with 346 awards earned. There were 649 Sunday School awards earned during the year, one Sunday School achieved the Standard of Excellence, and a 2% increase in Sunday School enrolment.

Plans and goals for the coming year include quarterly Mass Meetings, a Central Training School, a one-night Clinic for Associational Workers, 1000 training awards, 10% increase in enrolment, five new Sunday Schools, three Standard Sunday Schools, 30 churches enrolled in January Bible Study, and 40 Vacation Bible Schools.

Respectfully submitted,
Roy J. Smith
Superintendent Associational Sunday School

REPORT ON RELIEF AND ANNUITY

Rev. C. M. Pegram, interim pastor of Rich Fork Baptist Church, presented the following report to the Association:

More than 5,300 retired or disabled ministers and denominational workers or widows are receiving payments from the Annuity Board. Approximately 1,300 of these are on the relief rolls and receive a share of the $325,000 from the Cooperative Program designated for this work. The others receive a monthly check provided through their participation in one of the Board's protection plans. Total benefits paid in 1958 were $2,414,767.90.

Certificates were issued to 3,113 new members in all the Board's protection plans in 1958. This is a 27% increase over the previous year. The Southern Baptist Protection Plan showed the largest increase, 1,548 new members. A total of 1,047 new churches and employers were enlisted during 1958.

Even with the increases in new members as recorded above, there are still more than 60% of our Southern Baptist pastors not covered by the Annuity Board's protection program. Until this percentage is greatly reduced or eliminated

completely, the Board is not fulfilling its purpose of providing security and protection for every Southern Baptist minister and church. During 1958, officers of the Board met with leaders of every State Convention seeking a solution to this problem. As a result of these meetings, the Annuity Board is asking the local church's help in seeing that every pastor and church has this protection. Each church is being asked to enroll its pastor in the protection plan, paying two-thirds of the cost of the plan. The State Convention has already agreed to pay the other one-third for every pastor in its State.

When every church does this, the Board's ministry will be what it is meant to be, a protection program for the entire Southern Baptist ministry, and not just for a small percentage of pastors.

The soundness of the Board's financial structure is reflected by the report from its Investment Department. Income from investments in 1958 totaled $2,424,377.92. Of the Board's assets, 98.25% was invested in income-producing investments in 1958. The Board's newest investment endeavor is a 15-story office building in downtown Dallas completed last June. Two full floors and part of a third floor are being used for the Board's headquarters. The remaining space has been leased to business firms. Income from the building will be added to protection plan reserves.

The Plan In North Carolina

Certificate holders in the North Carolina Ministers Retirement Plan now number 536. Certifciate holders in the Southern Baptist Protection Plan number 575. This gives us a total of 1,111 pastors and denominational workers now enrolled.

We have a total of 208 annuitants now receiving benefits from the plans. In addition to the annuitants 126 aged ministers or their widows are receiving direct relief grants amounting to $17,932 annually.

Much work is yet to be done and our services are available to the pastors and churches.

O. J. Hagler is Secretary of Retirement Plans in North Carolina. His address is Baptist Building, Raleigh, North Carolina.

Officers of the Board at Dallas, Texas, are:

Executive Secretary.....R. Alton Reed
Associate Executive Secretary and Public Relations Director.....Floyd B. Chaffin
Associate Executive Secretary and Director of Relief, Disability and Annuities.....L. T. Daniel
Treasurer and Investment Director.....Fred W. Noe
Assistant Director of Investments.....Owen Henley
Registrar.....Mrs. Mable McCartney

Respectfully submitted,
C. M. Pegram

Following a period of discussion, the report was adopted.

REPORT ON PUBLIC MORALS

This report was brought to the Association by Mr. George Mauney. His report, which follows, was adopted:

We in Davidson County consider our county a very progressive county. We point with pride to our growth, our wonderful churches, schools, and fine county buildings, and roads that will carry one to any point in our county in a matter of minutes. We have every right to be proud of these accomplishments, but there is one phase of county life that is lagging far behind in our development, and it is one that should cause us the greatest concern — the morals of our citizens.

It is alarming to note that for the first six months of this year, as revealed by the Law Enforcement Agencies of our county, excluding Denton, there have been 5,023 arrests. If this rate should continue for the rest of the year, it would mean

over 10,000 arrests for the year 1959, or approximately one-sixth of our population. Our Welfare Department aids approximately 315 families, consisting of 888 children, monthly. The chief cause of this is desertion or confinement of the fathers.

An even more appalling figure concerns the number of juvenile cases. For a period of six months, there were 136 cases tried by our Juvenile Judge. Of this number, 75 — over one-half — were felonies.

This is a matter that is not only the responsibility of our law enforcement officers, but every citizen of our county. Not until this problem is met and solved, will we be able to look with pride and satisfaction at the development of our county. As our Lord said in Matthew 9: 37-38 "The harvest truly is plentious, but the labourers are few. Pray ye therefore the Lord of the harvest that he will send forth labourers into his harvest." Then and only then will we have done our part.

Respectfully submitted,
George Mauney

MISCELLANEOUS BUSINESS

After a brief period of music, led by Mr. Carey Davis, the Moderator called for miscellaneous business. Rev. J. O. Walton suggested that the Clerk send letters of appreciation to the host churches and churches of the officers of the Association. Motion passed.

Rev. L. H. Hollingsworth, Chaplain at Wake Forest College, was invited to speak to the Association. He brought greetings to the Association from Wake Forest.

REPORT OF COMMITTEES AND ELECTION OF OFFICERS

The Moderator recognized the Chairman of the Committee On Nominations, Rev. Carl Hemphill. Rev. Hemphill requested the assistance of another member of this Committee, Rev. J. Roy Clifford. They read the report, and the report was adopted in full. The results of this report are evidenced in the names of those listed as officers and committee members throughout these minutes.

Following the music period, it was noted that the next speaker had not yet arrived, and the next order of business was called for by the Moderator.

REPORT ON STATE MISSIONS

Since Mrs. Guy Moore was unable to be present, Rev. Moore read the report. The following report was read and approved:

When we think of missions we would do well to think of the words of Jesus, "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." This includes State, Home and Foreign Missions.

Our State Missions work in North Carolina is designed to help all our churches to carry out the three-fold obligation in Christ's command — evangelism, education and enlistment in discipleship.

With sixty per cent of our population above eight years of age unsaved, we in North Carolina have a ripe field for evangelism.

State Missions provides a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities. We reported 34,833 baptisms in 1958. North Carolina Baptist churches baptized more people last year than any other State except Texas.

Our people need to be taught and trained. Therefore, many of the significant phases of our State Missions work are promoted through the Sunday School, Training Union, Brotherhood, Royal Ambassadors, Church Development, Music Department and other departments.

The success of our State Missions program will depend on the willingness of all our churches to back the total program through our gifts to the Cooperative Program and State Missions. Our total State Missions needs within the budget for 1959 is $627,000.

If you as an individual will do your part through your Sunday School, W. M. U., and church this goal will be reached and your twenty ministries of State Missions will have their 1959 budget needs met.

Respectfully submitted,
Mrs. Guy Moore

MEMBERSHIP IN LIBERTY BAPTIST ASSOCIATION

The Moderator now asked the Clerk, Mr. J. Wade Jarratt, to read the proposed change in the Constitution regarding membership in the body. The Clerk read Article II, Section 2, "Membership." The proposed change, read on the previous day, was duly approved, to read as found in the current Constitution. The Moderator now gave a report of the Committee delegated to contact Sheets Memorial Baptist Church, regarding continued membership in the Association. He read a letter written to Sheets, asking for a conference; and he read the answer from Sheets. It was stated by Moderator Brookshire that the Committee had interpreted the letter to infer that Sheets no longer wished to remain in the Liberty Baptist Association.

Rev. Charles Young informed the body that there were members present from Sheets and that we should give them an opportunity to be heard. The Moderator yielded the floor to a member of Sheets Memorial Baptist Church, who gave us this opinion: Many of the older members of Sheets wish to belong to the Association, but many of the younger and newer group do not. The letter which was sent to the Association. was not sanctioned by all the church, only those who happened to be there. This important vote was not adequately advertised, and there is evidence of dissatisfaction in the church.

Various members of the Association spoke regarding the fine days of the past when there had been harmony and unity between this fine church and the Association. Rev. J. O. Walton, Rev. Sammy Shoaf and others spoke. Rev. Raymond Crow offered the motion that the Committee be continued until next year. The motion was sustained.

Rev. L. J. Morris had arrived and spoke on the subject of "Teaching Them To Observe All Things Through Visual Aids."

Dr. Douglas Branch, Executive Secretary for North Carolina Baptists, could not be present, and Dr. Earle Bradley, Secretary of Promotion, spoke on the subject assigned, "Teaching Them To Observe All Things Through Christian Cooperation." Rev. Ted Williams pronounced the benediction, and we were adjourned until 1:00 p. m.

WEDNESDAY AFTERNOON SESSION

Mr. Carey Davis, Secretary of Church Music, led in the song service, as the final session came to order. Rev. Inman Stewart, pastor of Hasty and Summerville Baptist Churches, conducted the devotions.

As the first item of business, Mr. Brookshire called for the report of the Committee On Resolutions. The Committee was not prepared to report at this time. The Committee On Constitutional Changes was asked to use this time, and Rev. Roy Smith, Chairman of this Committee, with the assistance of the Moderator, read the proposed changes in the Constitution again. All the recommendations of the Committee were accepted, and are reflected in the present Constitution in these minutes.

Rev. Stanley Hardee offered as another change to the Constitution that future Moderators and Vice-Moderators be nominated from the floor. This motion is to be voted upon in the 1960 session.

MEMORIAL SERVICE

This service was led by Rev. Robert Nation, pastor of Wallburg Baptist Church, assisted by another member of the Committee, Rev. Fred Jurney, pastor of Southside Baptist Church. The names of the deceased are found elsewhere in these minutes.

REPORT ON THE HOMES FOR THE AGING

Rev. J. C. Mangum, pastor of Calvary Baptist Church, offered his prepared report and asked that it be adopted without a reading. This was done, and the additional time was given to the speaker, Rev. James Hayes, Superintendent of the Homes for the Aging. The adopted report appears below:

The ninth year of operation of the Baptist Homes for the Aging — Resthaven, Albemarle, and Headquarters — began March 16, 1959. All three of these homes have been filled to capacity practically all year. However, when a vacancy does occur there are more applications on the waiting list than there are rooms to be filled.

There were several deaths during the year. Among the deceased was the oldest resident of the Homes, Mr. John T. Holt of Wilson Mills, N. C., who died July 13 at the age of 99.

This has been another year of God's favor and blessings upon these Homes. The future for a fourth home to be built in Hamilton is brighter. Mr. Don G. Matthews of Hamilton has given the land for the site, and most of the $50,000 which he promised, and is ready to give the balance when the other $100,000 has been raised.

Today the two greatest needs of these Homes for the Aging are:

1. To finish raising the funds to start construction of the Hamilton Home.
2. To raise the balance needed to pay for the additional families in the infirmary expansion.

When this is completed there will be 60 more bedrooms available.

I am sure that the churches of Liberty Baptist Association want to do their part in helping these Homes.

Respectfully submitted,
J. C. Mangum

REPORT ON THE BAPTIST HOSPITAL

This report was given by Rev. Richard McQueen, pastor of Stoner's Grove Baptist Church. The report was adopted. The report was:

Our Baptist Hospital seeks to serve our people with a complete program of specialized medical care for all who need it. Our people go in great numbers, with all types of serious illnesses, from all walks of life, and in all financial circumstances, to receive the ministry of our Baptist medical center. A constant effort is made to keep it personal and Christian in its care of sick people.

Last year Service Patients from 95 counties of the State made over 66,000 visits to the 31 Clinics of the Out-Patient Deparment, which is open to families not able to pay the full cost of their medical care. About the same number of office visits was made by private or full-pay patients. More than 16,000 sick persons were hospitalized for 132,000 days of bed care.

Forty per cent of the hospital service is rendered the patients who go to the Out-Patient Clinics or who enter the hospital through the Out-Patient Department. The services of the physicians are free to all these patients, but the hospital charges must be paid unless other arrangements are made by the family.

Last year the hospital spent well over one million dollars in the care of these Service Patients. The Mother's Day Fund, along with the welfare funds and assistance from other agencies and foundations, enables the hospital to provide more than half of this service free for our very poor people. The Mother's Day

Fund alone, however, has not covered the full cost of the care of even the most needy.

We need to lay upon the hearts of our members the necessity of the Mother's Day Fund, if our Baptist Hospital is to provide this important service for our poorer people.

"Verily I say unto you, inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." Matthew 25:40.

REPORT OF ASSOCIATIONAL DEACONS

The report was brought by Mr. J. Marse Grant, Editor of **Charity and Children.** The report was accepted. The report as given by Mr. Grant:

Perhaps the most important news concerning the work of the Associational Deacons Organization in the past year was an action taken August 31 at Erlanger Baptist Church.

At that meeting, the organization voted unanimously to merge with the Associational Brotherhood. The following three-point proposal was adopted by the group:

1. That the Liberty Baptist Association Deacons Organization and the Associational Brotherhood merge into one organization to be known as the Liberty Baptist Association Brotherhood and Deacons Organization.
2. That in between quarterly meetings the two organizations feel free to sponsor their separate functions when they so desire. For example, the Deacons may want to sponsor a Deacons School or the Brotherhood may want to conduct a training course.
3. That the Associational Nominating Committee present a slate of officers to the Association for approval just as officers of other Associational organizations are elected. This would be done at the annual session each year, with officers to assume their positions the first meeting after the Association meets each year.

The presidents of both organizations discussed the proposal at length before it was presented and were in hardy agreement that such a merger would greatly strengthen both groups. So far as is known, Liberty is the only Association in North Carolina having a Deacons Organization as such. It is hoped that this merger will give a strong foundation for laymen's work in our Association.

The Deacons Organization met three times during the past year with attendance averaging nearly 100 at each meeting. The first meeting of the merged organization is scheduled November 30 at Park Place Baptist Church in Thomasville. By that time, new officers will have been chosen for the organization.

Respectfully submitted,
J. Marse Grant
President Associational Deacons Organization

Mr. Marse Grant, Chairman of the Finance Committee, offered the motion that the honorarium and expenses provided in the budget be divided equally between the Clerk and the Treasurer. The motion carried.

REPORT OF THE HISTORIAN

This report was given by Mr. Grant at this time, also. It was approved as read. The adopted report:

The most noteworthy thing to take place in the past year in our Association was the purchase of a residence for our Associational Missionary in the Glenwood Heights section of Lexington at a cost of $20,000. This represents a big step forward for our Association and should be recorded in the record of accomplishments for the past year.

In view of the rather indefinite job the historian has had in the past, the following recommendation is offered to help the historian in the future:

In addition to giving a summary of the highlights of Associational progress each year, that the historian present a brief history of the churches which entertain the Association each year. The pastors or a person designated by the host churches would furnish the historian information for such a history. In this way, histories of all our churches would eventually be published in the minutes. This would prove to be valuable information for future generations to have.

This is presented in the form of a recommendation and I move its adoption.

Respectfully submitted,
J. Marse Grant, Historian

REPORT ON CHRISTIAN EDUCATION

Dr. F. M. Powell, former professor at Southern Seminary, gave this report, which the Association accepted. The report read:

One vividly recalls as a Christian teen-ager, hearing for the first time the oft-repeated euphemism of that day: "The Heart of Education is the Education of the Heart!" One rarely hears this anymore, for like any catchy slogan, it isn't entirely exact; and in an age when there's over-stressing, perhaps, of the physical, as to curriculum, equipment, athletics, etc., the inner, moral and spiritual emphases are too often neglected.

One understands that there is infinite head work and back work in this business of education of any sort, but one still believes that the Christian genius of our seven Baptist Colleges is their supreme asset and should receive special mention in our appeal for Baptist students, three out of four of whom who go to college at all, attend other institutions of learning.

Of course, our colleges have debts — they should have; and if we should ever "pay off" those debts, new ones should be made as, perhaps some day in the Providence of God, we may decide to assume even a little of our long overdue obligation for the support and patronage of our seven wonderful, loyal and dedicated Baptist colleges.

Respectfully submitted,
F. M. Powell

Dr. Powell presented the speaker for the cause of Christian Education. He was Dr. Hoyt Blackwell, President of Mars Hill College. Dr. Blackwell offered to share his time with any other college representatives present. Dr. J. T. Gillespie of Gardner-Webb College spoke briefly. Dr. Blackwell spoke on the subject "Teaching Them To Observe All Things Through Christian Education."

REPORT OF THE RESOLUTIONS COMMITTEE

The report was read by Rev. J. O. Walton, Chairman of this Committee. The report was adopted and is as follows:

The Liberty Baptist Association wishes to express sincere appreciation to Reeds, Coggins Memorial, Green Needle Park, and Clear View Baptist Churches for entertaining the 127th session. These churches have worked untiringly in making provisions for the needs of their guests — and under most difficult circumstances, having to contend with "Gracie," not a messenger — the weather.

We also commend the able and consecrated leadership of our Moderator during the year, Brother W. N. Brookshire. Also, we express appreciation for the untiring work of our retiring Clerk, Brother Wade Jarratt.

We appreciate deeply the music program provided by the Secretary of Church Music, Brother Carey Davis, and Mrs. Charlie Smith and Mrs. Clyde Snider, and the combined choirs of Reeds and Coggins Churches.

We express deep appreciation to the host pastors: Crawford and Rollins, Williams and York for their leadership in providing for our entertainment and comfort. We further commend the Program Committee for planning a very good program of high quality.

Respectfully submitted,
J. O. Walton, Chairman
Frank Graves
Mrs. Beamer Barnes

REPORT OF COMMITTEE ON TIME, PLACE AND PREACHER

Rev. Sammy Shoaf, pastor of Burton Street Baptist Church, brought this report. It was adopted.

First, on the place of the 1960 meeting of the Association: By previous vote at the annual meeting in 1957, next annual meeting will be held the first day at the Wallburg Baptist Church, and the second day at the Greenwood Baptist

Church, with the Park Place Baptist Church assisting in the entertaining on the second day.

Second, on the preacher and the alternate for the annual sermon, we recommend that the sermon be preached by Rev. Inman Stewart, pastor of the Hasty and Summerville Baptist Churches, and that the alternate be Rev. Richard McQueen, pastor of Stoner's Grove Baptist Church.

Respectfully submitted,
F. Stanley Hardee, Chairman

The Clerk was instructed to see that the schedule as set up in 1958 regarding the places where the Association would meet from year to year be reprinted.

The Moderator read the names of those on the forthcoming Nominating Committee. The names are recorded earlier in these minutes.

Retiring Moderator Brookshire turned the gavel over to the incoming Moderator Rollins, and Rev. Rollins adjourned the 127th session of the Liberty Baptist Association with prayer.

It had been a good session despite very severe weather occasioned by a hurricane. The officers of the Association, along with the many committees, had served faithfully and efficiently. The host churches had looked after our needs in a marvelous way, and there was a good spirit of fellowship in evidence.

Constitution

(Adopted September 29, 1954 — Revised September 30, 1959)

Preamble

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

Article I. Name

The name of this body shall be the LIBERTY BAPTIST ASSOCIATION.

Article II. Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to subsquent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years, shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association. The committee shall report and bring appropriate recommendations to the Association.

A cooperating church is one which either (1) sends a report to the Annual Session, (2) sends messengers to the Annual Session, or (3) contributes to the financial program of the Association.

Article III. Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV. Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

Article V. Officers and Their Election

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. Other officers shall be elected on the last day of the annual meeting for terms of one year each. (Clerk one year, also). They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6)), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations as the committee's nominees for election as the Association's Officers also.

Section 3 Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

Article VI. Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational Minutes.

Article VII. The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex-officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

Article VIII. Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the

Association remain independent and soverign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

Article IX. Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

By-Laws

By-Law I. Parlimentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Kerfoot's "Parlimentary Law" shall be followed as the Association's rules for conducting its deliberative assemblies.

The Missions Committee shall then report to the Association, at its next annual meeting, its findings and recommendations for Associational action.

The relationship between the Association and its Missionary may be terminated by either party upon the giving of reasonable notice.

Section 3. THE ASSOCIATIONAL MISSIONS COMMITTEE:

(1) This Committee shall be composed of the following Associational officers: Sunday School Superintendent, Training Union Director, Woman's Missionary Union President, Brotherhood President, Superintendent of Evangelism, Treasurer and also the Chairman of the Executive Committee, and four pastors of member churches to be elected by the Association at its annual meeting for 1, 2, 3 and 4 years respectively on a rotating system. After this election one new pastor shall be elected each year to serve for a period of four years. It shall supervise and work with the Associational Missionary in promoting the work in the Association, and lead and assist in organizing new churches.

(2) It shall meet once a quarter to receive a written report from the Associational Missionary and make helpful suggestions to him concerning his work.

(3) If such advice is sought, it shall advise any group seeking to organize a new church, or seek to help any member church desiring assistance in its problems.

(4) It shall also perform the duties prescribed for it in By-Law III and By-Law V, Section 1.

Section 4. THE COMMITTEE ON ORDER OF BUSINESS:

This Committee shall be composed of three members and the Mod-

erator, Clerk, Chorister, host Pastor or Pastors. It shall prepare a printed program for the annual meeting of the Association which shall be sent to all persons on the program and to all pastors at least thirty days before the annual meeting. It shall in the opening of the annual meeting of the Association present the printed program for adoption and serve through the session when adjustments in the order of business become necessary.

It shall study the Association's financial needs for an adequate program, present a budget to the Association for the following year, devise plans for securing the cooperation of the churches in the raising of the budget, audit the Treasurer's books at the close of each Associational year, and make a written report to the annual meeting.

Section 8. THE COMMITTEE ON MEMORIALS:

This Committee shall be composed of five members. It shall bring a suitable report at the annual meeting and shall lead in a memorial service in memory of those reported by the churches to have died since the last annual meeting.

Section 9. THE ASSOCIATIONAL COORDINATING COMMITTEE:

This Committee shall be composed of the Associational Missionary, who shall serve as chairman, the Moderator, and heads of the Associational organizations. Its duties shall be to plan and correlate the activities of the Associational organizations.

By-Law IX. Amendments

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one member-at-large from each Baptist church in the fellowship of the Association.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, a mission pastor, or an educational

director of a Baptist church in regular standing in the Association, or those who have felt a call to the mission field, the chaplaincy of our armed services, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and cooperation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.
2. The location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing The Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. Monthly, quarterly, annually).
2. Present a budget to the Association based on the finances pledged.
3. Present detailed specifications as to when, where, and how finances shall be disbursed.
4. Inform member churches of their record of giving.

TUESDAY MORNING SESSION

Wallburg Baptist Church

The musical prelude was furnished by members of the Fair Grove High School Band, under the direction of Mr. Carey Davis, Secretary of Church Music. Following this prelude, Moderator Leonard Rollins declared the one hundred twenty-eighth session of the Liberty Baptist Association convened. At the invitation of Chairman Rollins, Mr. Davis led the body in singing of "Holy, Holy, Holy." The devotional thought was led by Rev. B. V. Broadway, Pastor of High Rock and Mt. View Baptist Churches. He read from Col 1:10ff. He concluded with prayer.

Organization of the Association for business began with the election of a clerk. The Chair recognized Rev. Roy J. Smith, Chairman of the Committee on Nominations, for the purpose of placing a name in nomination. Mr. Smith offered as the nominee of the Committee, Rev. Robert Nation, Pastor of the Wallburg Church and present clerk. On motion and second that the nominations cease and Mr. Nation be elected by acclamation, the motion was sustained.

Rev. Roger Williams, Pastor of the Mills Home Baptist Church and Chairman of the Committee on Order of Business, was recognized. He presented the printed program and moved its adoption as the order of business, subject to whatever changes the body should later decree. It was so ordered. With others arriving continually, it was stated that a later report would be forthcoming. There were no new committees to be appointed at this time, and the next item of business was called for. Rev. Rev. Robert Nation, Secretary of the Executive Committee, reported on the work of the Committee for the past year. This is the report submitted for ratification:

REPORT OF THE EXECUTIVE COMMITTEE

The four meetings of the Executive Committee were held on November 23, March 28, June 7, and September 19. The account of our stewardship will be made to this Association in terms of those matters which were duly acted upon by the Committee.

November 23 — The matter of furnishing office space for the Associational Missionary was called to the attention of the Committee. Chairman Rollins asked that Rev. W. N. Brookshire, Chairman of the Pas-

torium Committee, explained the situation as it presently existed. He stated that the Pastorium Committee had been faced with the necessity of getting office equipment removed from the previous quarters. Having no suitable space available at that time, the Committee had voted to rent quarters for a period of four months, with rental not to exceed $100. The Committee now asked to be advised further. Motion and second that the Pastorium Committee continue to rent the present quarters until the $100.00 is exhausted or until quarters could be secured in a local church. The Committee was empowered to act within these limits. Motion sustained.

Motion and second that the Executive Committee rescind the former action calling for the conversion of a part of the pastorium garage into office space for the Associational Missionary. It was so ordered.

Motion and second that we make a clear and definite distinction between the general funds and the pastorium funds, and that all funds designated "pastorium funds" be used to meet present obligations relative to the pastorium and that the residue be applied to the total indebtedness. The motion received unanimous approval.

A motion and second to approve the request of the Hasty Baptist Church to the General Board of the N. C. Baptist Convention for $872 in assistance funds was passed.

March 28 — An encouraging report from Associational Treasurer John Penninger, Jr., showing a balance of more than $1,600, was approved. Chairman Rollins noted that Rev. Guy Moore had gone from our midst, leaving vacant the chairmanship of the Committee on Order of Business. The Committee on Nominations, Rev. Roy Smith, Chairman, was instructed to fill the vacancy.

The Executive Committee was asked to sit in counsel with the Finance Committee to consider a matter of common interest. At the conclusion of this joint session, the Executive Committee received the following recommendation from the Finance Committee: That the Association provide telephone service for the Associational Missionary at the new office in the Erlanger Baptist Church. The expense of this phone to be taken from the "office fund," and that an effort be made to get the phone on a party line with the Missionary's home. It was so ordered by the Executive Committee.

June 7 — It was declared that the vacancy on the Committee on Order of Business had been filled, with Rev. Roger Williams being the new chairman.

The Treasurer's report, showing a balance of $586.23 in the pastorium fund and $1,422.65 in the general fund, was approved.

The idea of an "Associational Sunday" was projected. This Sunday could be held on the first anniversary of the purchase of the pastorium, and the day would be used to give the churches an opportunity to assist with funds and, also, a day in which to inform the churches as to the work of the associational missions program.

Action taken consisted in a motion and second that the chair appoint a committee to study the facts relating to the matter. The motion was sustained.

September 19 — It was noted that the chair, under a directive issued at the previous meeting, had appointed the committee to investigate the wisdom of having an "Associational Sunday" in the churches. The composition of this committee was as follows: Rev. W. N. Brookshire, Chmn., Rev. Richard McQueen, and Rev. Kenneth Miller.

Rev. Bennie Crawford, Chairman of the Missions Committee and Rev. Ted Williams, Associational Missionary, reported that "Area 14," an area south of Thomasville, had been accepted as a suitable mission

area and the Greenwood Baptist Church had voted to accept this mission responsibility. The report was received as information.

Brother Robert Carroll, Chairman of the Finance Committee, presented two recommendations from that committee. Pursuant to these recommendations, the Associational Treasurer, John Penninger, Jr., was authorized to pay $1,000 to Jersey Baptist Church as payment on the $3,000 owed them by the Association. Half of this amount was to be taken from the pastorium fund and half from the general fund.

The second recommendation was to the effect that the Treasurer be authorized to pay the salary of the missionary each week instead of each month and that this arrangement be begun the first week in October. The recommendation received the unanimous approval of the Executive Committee.

The Committee on Order of Business submitted a recommendation advocating a change in the method of ascertaining churches represented and number of messengers registered at the annual meetings. It was pointed out that with but few exceptions the associations no longer have the roll call. Thus, it was recommended that the registration committee of the local church where meeting is being held record this information and convey it to the clerk, and the clerk shall dispense this information to the meeting at the discretion of the Moderator. Motion sustained.

Associational Missionary Ted Williams stated that the Center Hill Baptist Church would request assistance from the State Mission program for its Currytown Mission. Also, that the Hasty Baptist Church would request aid in the amount of 10% less than last year. It was so ordered.

Respectfully submitted,
Robert Nation
Sec. Executive Committee

The report was adopted. Chairman Rollins expressed the appreciation of the Association to the Erlanger Baptist Church for allowing us the use of office space for the Associational Missionary.

MISCELLANEOUS BUSINESS

Rev. Don Moore, Pastor of Park Place was granted the floor and presented another new pastor who had arrived since the others were introduced. He was Rev. Sam O'Neal, newly selected pastor of the Rich Fork Baptist Church.

The Jersey Church Pastor, Rev. Roy Smith, announced a meeting of the Committee on Nominations, following the benediction at the morning session.

The next item of business related to a matter which was first named at the closing session of the previous assembly. (Check page 43 of the 1959 minutes). Rev. Stanley Hardee, Pastor Thomasville First Church, presented the following motion:

I move that the Moderator and Vice-Moderator be elected by ballot rather than through recommendation of the nominating committee, and that the process be as follows:

1. On the morning of the first day of the annual meeting every messenger would be given a ballot on which to nominate one person for Moderator and one for Vice-Moderator.
2. A committee of tellers would be appointed to tabulate the votes and report out the six receiving the most votes — not indicating the votes per person.
3. These six would be contacted by the chairman of the tally committee to discover if they are willing to serve if elected.

4. On the morning of the second day, the messengers would vote by ballot on these six and that the one receiving the most votes be elected Moderator, and the second highest number of votes Vice-Moderator.
5. That the constitution be changed to accomodate this action.

F. Stanley Hardee, Jr.

When the motion had received a second, Rev. Hardee spoke to the resolution. Rev. Carl Hemphill, Pastor of Carolina Avenue, spoke, questioning a "weakness or two" in the proposed motion. He offered a substitute motion that we rely upon "open nominations from the floor." This substitute motion received a second and was debated. Mr. Roy Holder, Minister of Education at Thomasville First, spoke. Rev. T. U. Fogleman, Pastor at East End, pointed out that according to the original motion, the Moderator could be elected with a small minority of the votes cast.

Rev. Roy Clifford pointed out that a thorough study had recently been made of the constitution and moved to refer the matter to the Executive Committee for subsequent study. Rev. Roger Williams seconded the motion to refer and spoke to the motion. Rev. Hardee gave assent to this plan, and the body approved by a voice vote.

At 10:40 A.M., the Clerk reported that thirty-eight of the forty-two churches of the Association were represented by the presence of duly elected messengers, the total of which was 194. The names of all churches were read, with the number of messengers representing each church. Eighty-eight visitors had registered by this hour.

REPORT ON HOME FOR THE AGING

Mr. Roy Holder brought this report, which was approved. This is the report:

God's gift to the Home for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of general superintendent to his successor, William A. Poole.

The new superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the Aging. The new Infirmary Annex, constructed at a cost of $793,000, and with 28 new rooms, will be in use by September 1. It is hoped that the construction of the proposed new Hamilton Home can be started by late summer, with facilities for around 30 additional residents. Our hats are off to all who have given so liberally and worked so tirelessly in bringing this fourth Home to fulfilment!

At the present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 160 residents in our three Homes — Resthaven, 20; Albemarle, 34; Headquarters, 52. Even with our new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years. We must attempt great things for God and expect great things from God as we plan for the future in our ministering to the ever-growing number of the aging who need the loving care of North Carolina Baptists.

One of the life-lines in our work is the vital relationship that we have with the pastors and churches of our Convention. We could not operate without this very important and blessed tie that binds. We are increasingly dependent upon the prayers and the financial support of the churches. During the fiscal year, October 1, 1959, to August 1, 1960,

we have received $82,521.20 from the churches. Of this amount, $76,352.70 was contributed through the Special Day Offering in February. Although this amount is $123,000 short of our goal of $200,000, we are profoundly grateful to God and to everyone who has had a part in contributing to the worthy cause which we represent.

We are constantly experiencing mixed emotions in the Home. We rejoiced with Aunt Fannie Drumwright on her 99th birthday in July, and were saddened by the deaths of Miss Lillie Herring in October, Mrs. Mary Holder in April, Mr. J. T. Castevens in June, and Mrs. Annie Smith in July.

We shall welcome a visit to the Homes from our fellow Baptists at any time and stand ready at all times to render the service that God has called us to render to the aging.

Let it be known throughout the bounds of our fair State that there is nothing to hinder any needy aging person in our midst from coming to the North Carolina Baptist Homes for the Aging except lack of space. Let us, therefore, dedicate ourselves to the end of making more space available at the earliest possible moment.

Respectfully submitted,
Roy Holder

Rev. William A. Poole, Superintendent of the Home for the Aging, was introduced and spoke of the work being done. He shared his time on the program with Miss Gretchen Bowles, a member of the family of the Home for the Aging. She spoke glowingly of the Home.

NOTE: Your Finance Committee recommends that the financial support of the Associational program be based on 10¢ per resident member per month, or any other plan a church chooses that will be equal to this one. If churches are faithful in supporting this plan each month, income should be sufficient to meet this budget. Churches are urged to send in their checks monthly since most associational obligations come due each month. This cooperation will be welcomed by our Treasurer and it will also keep the treasury in better balance at all times during the year.

Respectfully submitted,
Robert C. Carroll
Chm. Finance Committee

The host pastor, Rev. Robert Nation of the Wallburg Church, was called upon and spoke words of welcome to the annual session. He also, made announcement relating to the facilities available for the convenience of the guests.

Mr. Carey Davis led the session in the singing of "Amazing Grace."

Rev. Richard McQueen, alternate preacher of the annual sermon to the Association, read the Scripture, in preparation for the message. He read Isaiah 6:1-8, and he led the body in prayer. Rev. Inman Stewart, Pastor of the Hasty Baptist Church, brought the inspirational message. His subject, "The Three Looks," and he urged us to look at the fields, the fields to look unto us, and for us to look at ourselves. Many fine words of appreciation were heard concerning Bro. Stewart and his message, all of them well-deserved. At the conclusion of the message, Bro. Stewart dismissed the group with prayer, asking God's blessings upon the food and fellowship of the noon hour.

TUESDAY AFTERNOON SESSION
Wallburg Baptist Church

Led by Bro. Carey Davis, the session sang "All Hail the Power." Rev. B. J. McIver, new pastor of Erlanger Baptist, read from the tenth chapter of Romans. He asked, and Rev. Stanley Hardee prayed.

Visitors from outside the Association were recognized by the Moderator. These visitors are listed previously. The Wallburg Church ex-

tended an invitation to guests to remain as guests for the evening meal and to attend the evening session.

REPORT ON CHRISTIAN LITERATURE

Mrs. Bennie Crawford brought this report. The adopted report is presented here.

As Baptist we believe we have a distinctive message. We cannot reach all the world with our message through preaching and personal witnessing alone. Many Baptists in name are woefully uninformed concerning our beliefs, our work, and our program. Good literature will aid greatly in informing our own people and reaching the world if we will use it.

In a recent report from our Sunday School Board we learn that they are now sending our Southern Baptist Literature to every state in the United States and to many foreign countries. Through periodicals, information is presented in such magazines as the Sunday School Builder, The Baptist Training Union Magazine, The Church Musician, and Church Administration. The Board publishes 80 periodicals and more than 175 books in the Church Study Course for Teaching and Training. They also give many free phamplets and tracts on various subjects upon request.

Biblical Recorder, Charity and Children, Home Life, and Open Window should be made available to everyone. Then there are The Commission, Home Missions, Royal Service, The Window, Tell, The Brotherhood Journal, and Ambassador Life proclaiming Missions. As a part of our Educational Program we should keep our church Libraries up to date with interesting books for our people, encouraging them to read, keeping the Bible on the top list of our literature.

We are very proud to report that our state paper, the Biblical Recorder, which has served us so well since 1833, in a recent study was rated among the top three in state papers in the Southern Convention, and is striving for Number One position among the 27 state papers. With J. Marse Grant as the new editor, succeeding Dr. Carpenter, many changes are taking place, although the price remains the same. Please have your finance committee to include this in their new budgets, taking advantage of church rates for every member. A progressive church must be an informed church. Therefore, let us strengthen our home front by being informed through our religious periodicals.

In this crucial year in American history with the rising tide of filth and world conditions, if religious literature is not widely circulated among the masses in this country, I do not know what is to become of us as a nation, if God and His Word is not received. You may be sure that corrupt and licentious literature will filter through even if the U. S. Post Office is trying to rid the mails of obscene matter. Why? ? ? Because evil men are making huge profits.

Respectfully submitted,
Mrs. Bennie Crawford

To speak to the report on Christian Literature, the Moderator called on Mr. Marse Grant. The Chair introduced him as a man "who goes to Europe about as often as I go to Thomasville." It was a good introduction, and Mr. Grant, Editor of the Biblical Recorder, responded with a good talk.

This has been a year of rapid advance in our Associational Mission program. This is due largely to the efficient work of our Associational Missionary and those assisting him in the surveys that have been made. We are thankful to him and others for the excellent work done in advancing the Missions cause in our Association.

The Missions Committee has met five times this year with good attendance. Work was planned and executed. Three surveys were made, with our Missionary leading the work and drawing up the maps of the work done. The first survey was of the Eller Community, which was done by the Brotherhood of New Friendship Church. This project was found to be unfavorable for a Mission Station. The second survey was of the community of Holly Grove road, south of Thomasville and was found to be most favorable for a Mission Station. This survey was sponsored by the Greenwood Baptist Church and is also sponsoring the Mission.

The third project is that of the Horneytown area, near Abbott's Creek Baptist Church but in the Pilot Mountain Association. A survey of this community proved it to be a good opportunity for a Mission. It is recommended that Abbott's Creek Baptist Church sponsored such a Mission if the church so desired.

The Currytown Mission, under the sponsorship of Center Hill Baptist Church, is led by Brother Tommie Honbrier, who reports an active Sunday School, Worship Service and increasing interest in general. A Vacation Bible School with about fifty enrolled was held in August with the Associational Missionary assisting.

Brother Bigby is leading a work in the Tyro community. He reports an active Sunday School, Worship Service, W.M.U., Brotherhood and Mid-week Prayer Service. He reports eleven for baptism received in three months.

One church was constituted this year, and that was Taylor's Grove on June 12. This church is at the intersection of Highways 8 and 49. Rev. Coy Walker was called as pastor as soon as the church was constituted.

Mission work in the Liberty Association is on the move and advancing to new frontiers. The Missions Committee covets your prayers for the work.

Bennie Crawford
Missions Committee Chm.

REPORT OF ASSOCIATIONAL MISSIONARY

The Missionary for the Association, Rev. Ted Williams, brought his report at this time. Following the giving of this report, Bro. Williams called for brief statements from Rev. Don Moore and Rev. Kenneth Miller. These pastors had had personal experiences with the church community survey this year, and they gave encouraging testimonials. The report was accepted and is reproduced below.

". . . . and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." (Acts 1:8).

What are we doing in Judea? The work within our association embraces the same general area of mission responsibility as was the Judea of old. Progress cannot be measured by a few statistics that are given in a brief report such as this. But, as a matter of record, your missionary (during the past associational year) has been in the churches 140 different times — in some capacity other than just visiting. He has preached or spoken 114 times, has had 161 individual conferences, 52 group conferences, and 50 committee meetings. He has led the singing in 1 revival,

directed 3 Church Community Surveys, and served as principal for a mission Vacation Bible School. All of this and other work has necessitated driving 27,345 actual miles.

In the thinking of your missionary, the most significant and far-reaching work this year has been the Church Community Surveys. This is a program that helps the church to discover its potential and to work out a plan whereby it can reach its potential. Displayed before you are two maps that were prepared in connection with two of the Surveys. One is a map of the Liberty Baptist Church field and the other is a map of the Park Place Baptist Church field. (I'm asking the pastors of the two churches to take one minute each to give a summary and a word of testimony concerning this program. Brother Kenneth Miller, pastor of Liberty will speak first and then Brother Don Moore, pastor of Park Place.) Other churches that have completed Surveys within the past two years are: New Friendship, Denton First, Stoner's Grove, and Coggins Memorial. Jersey Church is now in the process of doing the Survey. At least two more churches have tentatively decided to have the Survey program.

Your missionary has made the following statement before, but it is with real conviction: "If there is any contribution that can be made to the churches through the efforts of the missionary, perhaps the best contribution can be made through the Church Community Survey." We are deeply indebted to the Church Development Department, Reverend Ernest C. Upchurch, Secretary of the Baptist State Convention for developing such a program for the development of our Baptist Churches in North Carolina. May I offer to you, the churches of Liberty Association, whatever services I am able to render in helping you to develop your church to maximum service in building the Kingdom of God.

Another important phase of the work this year has been in the Mission Surveys. The areas surveyed are: Eller (on Route 52 between Lexington and Winston-Salem), sponsored by Greenwood Church, and the Horneytown section sponsored by Abbott's Creek Church. A fourth mission survey is scheduled in the Currytown section. Two missions have been established this year by churches of Liberty Association. The Currytown Mission by Center Hill Church and a mission (as yet unnamed) by the Greenwood Church, in the Holly Grove Road area, south of Thomasville. We have every reason to believe that our efforts in the 30,000 movement, are at last "off the ground." There are four other mission surveys that will be conducted during the coming year.

May we all pray that our work in "Judea" will continue to bear much fruit as we work together in the fellowship of Liberty Baptist Association.

Respectfully submitted,
Ted W. Williams, Missionary

In line with the work of Bro. Williams, Rev. Ernest Upchurch, Secretary of the Church Development Department, was presented and spoke on the "30,000 Movement," an effort of Southern Baptist to effect that number of new churches and preaching stations by 1964. The message was followed by an interlude of organ music, with Mr. Carey Davis at the organ. Then came a congregational hymn, led by Mr. Davis, "Majestic Sweetness."

REPORT ON EVANGELISM

Thomasville, First's, Rev. F. Stanley Hardee, brought this report. He moved its adoption, and the assembly concurred. The report read:

There never was a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. If circumstances

can shock us out of complacency, then every Christian should be alerted today to the urgency of evangelism in this Atomic age.

Southern Baptists have been blessed by God as few people have been blessed in all Christian history. However, along with these blessings there are inescapable responsibilities. We are Christians and we must share with those who are not Christians. We are the children of light and we must share with those who sit in darkness. In his message before the Southern Baptist Convention meeting in Miami Beach, Florida, Billy Graham said, "America is the world's greatest mission field." If this is true, and no doubt it is, and if Southern Baptists are the leading Evangelical denomination in America, we must match this hour with total dedication to evangelism.

Therefore, we recommend:

1. That we strive to reach the "Evangelism Standard of Excellence" for our association annually.
2. That our association have an evangelistic clinic on January 12, 1961.
3. That our association participate in the Baptist Jubilee Revival, and that we set Baptist Jubilee Revival dates for April 1-15, 1962 and March 29 - April 2, 1964.
4. That our Association shall recognize the associational officers to serve as the Baptist Jubilee Revival Committee.
5. That every church utilize the church council in promoting the perennial program of evangelism within the local church.
6. That every church co-operate with the Baptist Jubilee Revival, and that consideration be given to having at least one other revival during 1961, with emphasis in both revivals being placed upon every member doing personal soul-winning.
7. That each church follow the "Revival Plan Book," thus pray, plan, and work to reach the maximum number of lost souls during the Baptist Jubilee Revival and to experience a new depth of spiritual life.
8. That every church co-operate fully with the Training Union in promoting the spiritual growth program, so as to help anchor and mature every member coming into the fellowship of the church.

Respectfully submitted,
F. Stanley Hardee, Jr.
Chairman of Evangelism

Mr. Hardee presented Dr. M. Ray McKay, Professor of Homiletics at Southeastern Seminary as the speaker on Evangelism. The guest speaker read from Hebrews 11 and brought a very helpful message Motion and second that we stand adjourned until the 7:30 P.M. session. Dr. McKay pronounced the benediction.

TUESDAY EVENING SESSION

Wallburg Baptist Church

A musical prelude was furnished by Mr Carey Davis. The hymn by the congregation was "There Is a Fountain." Rev. Robert Mabe brought the devotional thought. He read from the Scripture, John 13, and offered prayer.

REPORT ON BAPTIST BROTHERHOOD

Rev. Carl Hemphill reported on the work of the Brotherhood for the past year. He moved that he edit this report and that the edited report be adopted. Motion sustained The edited report is given here.

The purpose of the Brotherhood is to discover men and their talents and to enlist them in every phase of the program sponsored by the church and denomination. The Brotherhood must strengthen the total program of the church. Evidence may be seen on every hand that the church must

become stronger in its witness. However, there will never be stronger churches until they have stronger men in their membership. It has been said that from 65 per cent to 75 per cent of the men on the rolls of Baptist churches may be classified as inactive. It is at this point that the Brotherhood will meet the greatest need of our day. When these inactive men are sought out and enlisted in the ministry of the church, the resurgence of strength will be felt on every mission field in the world. The Baptist churches have the best programs of teaching, training, stewardship, evangelism, and missions ever proposed by a Christian group since the days of the early church. Our chief weakness lies with the majority of men who have never grown beyond their willingness to be numbered among the church membership. Therefore, the Brotherhood stands at a strategic point and faces the greatest challenge ever presented to Baptist men.

The Brotherhood Department is endeavoring to bring the Brotherhood work in North Carolina to the highest level of efficiency to accomplish those things which have been set out above by a concerted effort in leadership training.

Now that the organizational structure has changed, there is a great need for Brotherhoods that make adequate provision for Royal Ambassadors. The rising emphasis upon out-door sports, camping, etc. by other groups is making a strong appeal to our boys. The Royal Ambassador program provides everything offered by other groups plus missionary training. Our churches cannot compete with other groups unless they have outstanding Christian men to lead the Royal Ambassadors. They will never have this much needed Christian male leadership without a Brotherhood which challenges men to give of their time and talents to this cause.

The Royal Ambassador program in North Carolina has been on the move and is showing signs of steady increase in number and enthusiasm. However, it is felt that the Brotherhood Department will need to provide more and more opportunities of training for Royal Ambassador leaders. Therefore, a program of leadership training is being encouraged by this Department continuously. Another great need of Royal Ambassador work is camp facilities which will serve as a place for training Royal Ambassador leaders and set the pace for camping with Royal Ambassadors in our associations and regions. The Royal Ambassador camping program is designed to capture the attention of the boy and then to lead him into a program of missionary education.

The future of the Royal Ambassador program of North Carolina is dependent largely upon the willingness of the men in our churches to give of their time, talents and possessions to a vigrous program of missionary education for boys. In a real sense the future of our churches will be influenced greatly by that which we do for our boys today. The Royal Ambassador program has a great influence on World Missions. These young men will become the laymen who will provide the necessary tithes and offerings to sponsor World Missions in the future. The increased need of well trained young men who are willing to give their lives on the mission fields increases the importance of this program. North Carolina Baptists are making a contribution to World Missions by supporting the program of Brotherhood and Royal Ambassadors.

Respectfully submitted,
Carl Hemphill

Chairman Rollins calls upon Vice-Chairman Carl Hemphill to preside over the remainder of the evening session. Rev. Hemphill asked for the report on the W. M. U., and Mrs. Paul Kesler presented this account of the W. M. U. work.

REPORT ON WOMAN'S MISSIONARY UNION

Bible teaching and training have been the special emphasis for this year in W. M. U. work in this Association and through out the Southern Baptist Convention. The book "Educating Youth in Missions" recommended for study this year has been taught in most of the churches with W. M. U. Organizations.

In October two Leadership Conferences were held with 225 women attending representing 29 churches. The Year Book was studied individually by many of the local Societies.

January 14th a W. M. S. Rally was held with 175 in attendance and 19 churches represented. April 26th, the Annual Meeting was held with 28 churches being represented and 150 present.

Meetings held to promote the Youth Work were as follows:

3 G. A. Councils. The first in October with 226 in attendance. The next one in March with 176 attending. The third one in June with 136 in attendance.

A Y. W. A. banquet was held in May.

No special meetings as such were held for Sunbeams, however, five women including the President and Sunbeam Director attended a State Sunbeam Work Shop.

In August eight of the Associational Officers attended a State Leadership Conference.

Five Executive Meetings were well attended.

The following organizations gained special Recognition for the year:

W. M. S. (Advanced) — Erlanger, Lexington First, Thomasville, First, Park Place.

Y. W. A. (Honor) — Welcome.

G. A. (Honor) — Lexington First, Intermediate; Reeds, Intermediate; Thomasville First, Intermediate and 9-10 Juniors; Coggins Memorial, Junior and Intermediates.

Sunbeams (Approved) — Reeds, Coggins Memorial.

For these we are grateful with the hope that this year we will have many more.

Although, we have majored on Leadership Training we have not neglected our tithes and offerings. The Lottie Moon offering was $6,952.89, Annie Armstrong $4,099.50, Heck Jones $1,535.26, making a total of $12,577.65.

208 Mission Study Classes were taught and 1,805 books were read by women and young people during the year. Prayer and the use of the Prayer Calendar have been effectively promoted.

As we look back it has been a wonderful year, however; as we look forward much remains to be done. Our goal is a W. M. U. in every church. Our thanks to each of the Associational Officers and those of the local W. M. U. Without you there would be no report. What a privilege it is to serve the Lord in this way. We are truly "Laborers together with God."

Respectfully submitted,
Mrs. Paul Kesler,
Associational President

The report received the approval of the session.

The report on foreign missions was called for, and there was no response. (Please note in the recordings of the Wednseday morning session that Bro. Ted Williams assumed responsibility for this silence.) The report was called for at intervals throughout the evening and finally deleted from the program.

REPORT ON HOME MISSIONS

Mr. Robert Philpott submitted the following report, which was adopted by the Association.

As of July 1, 1960, the number of missionaries working directly or indirectly under the Home Mission Board totaled 2,077. This is an increase of 502 over the same time last year — 1959. Part of the large increase in missionaries is due to the cooperative program of work with the State Conventions, whereby the language group missionaries and others formerly employed by various State Mission Boards, have for the most part, become joint missionaries of State Conventions and the Home Mission Board.

I am happy to report that from January 1st to July 31st, the Home Mission Board received four million, seventy-three thousand, nine hundred seventy-six dollars and twenty-three cents from Southern Baptists. This is an increase of five hundred forty-four thousand, seven hundred ninety-eight dollars and forty-six cents over the same period of last year. This is extremely encouraging, as it shows an increased interest on the part of Southern Baptist in the work of the Home Mission Board, and enables the Board to carry out a much wider range program than in the past. Of special interest to the ladies and to all our men, I am sure, is the increase in the Annie Armstrong Offering, sponsored by the W. M. U. So far this year, from the Annie Armstrong Offering, the Board has received two million, one hundred fifteen thousand, two hundred sixty-three, compared to two million, thirty-nine thousand, two hundred and seven dollars last year.

Two years ago, the Home Mission Board was re-organized and divided into divisions to enable the expanded work of the Board to be carried on more efficiently. Changes are still being made in the division of work in the Home Mission Board, so that they can operate more satisfactorily. The main divisions of the Board now are — Church Loaning Division — Evangelism Division — Mission Division — Chaplain Division — and Education Promotion Division.

I am certain that all of you are familiar with the work of our eight missions, and the outstanding job which has been accomplished through State Missions throughout the years.

I know you will be interested to learn that as of January 1, 1961, a new program of cooperation has been set up between the Southern Baptist Convention, Home Mission Board and the State Baptist Convention in North Carolina. As of January 1st, the State Convention will provide sixty-four percent of the monies to carry out work in North Carolina, and the Home Mission Board will carry thirty-six percent of the expense of these missionaries.

Arrangements have been made whereby the General Board of North Carolina Baptists and the Home Mission Board will work more closely together in the selection of missionaries in our State — program to be carried out by these missionaries — and the educational and promotional program which means so much to the success of the work of our missionaries.

We anticipate that this new arrangement will mean much in carrying out the work of both the Home Mission Board, and the work of our North Carolina Baptist Convention.

Respectfully submitted,
Robert Philpott

In anticipation of the missionary address, the Wallburg Baptist Church choir sang two hymns: "If You Only Knew My Saviour" and "The Battle Hymn of the Republic." Missionary Earl R. Martin, on furlough

from the field in East Africa, was the speaker for this high hour of challenge and inspiration. He offered prayer and read Acts 26:17-20. The message which followed was well delivered and very helpful to the cause of our Lord.

On motion and second, the Tuesday session adjourned.

WEDNESDAY MORNING SESSION

Greenwood Baptist Church

Following the prelude of music, Mr. Davis asked the congregation to sing "Come, Thou Almighty King." Rev. Kenneth Miller, Pastor of the Liberty Baptist Church, read from Matt. 1 and led the session in prayer to God.

Associational Missionary Ted Williams reported that Mrs. Hinkle who was supposed to give the report on Foreign Missions had spoken to him previously, reporting that she would be unable to be present and asking him to convey this message to the Association. He reported that he had forgotten it, until reminded by Mrs. Williams. He threw himself "on the mercy of the court." Mercy granted, willingly.

Rev. Raymond Crow, Pastor of the host church for the Wednesday session, was granted the floor. He welcomed the guests in a gracious manner and advised them of the church's facilities.

REPORT ON CHURCH MUSIC

Mr. Carey Davis, Secretary of Church Music, brought the report. It was approved by the vote of the assembly. Following its adoption, Mr. Davis spoke briefly of the progress of the music program within the Association. It was an interesting and encouraging view. This is the written report adopted:

Almost everyone has his own definition of music, expressed in terms of what music means to him. Music is a personal thing, for example, some might say music is the expression of thought and emotion by means of rhythmatical and harmonious sounds. There are several kinds of music, some that move the heart for glee, some that stir the very soul of man. Music is also a language that cannot be put into words: thoughts of hatred, anger, kindness, joyfulness, and many other moods can be expressed through music.

Some of our achievements this year have been, a Carol Sing December 14th at Mills Home. One feature was a Band made up of musicians from many churches of the Liberty Association, and another one of our outstanding projects was taking part in the Central Training Schools, consisting of Sunday School, Training Union and Music. There were approximately 45 of our church musicians enrolled, Roy Holder was head of the music part.

We have come a long way in church music the last few years. My convictions have been and still are:

1. We need more Christian men and women to make-up our choirs—Praying Choir members.
2. A sympathetic congregation toward our singers and directors.
3. Trained Christian accompanist.
4. Trained directors, and above all devout Christian men and women.
5. Pastors to encourage our music program.

May we strive to make this coming year the greatest Musical year for our Lord that the Liberty Association has ever experienced.

Respectfully submitted,
Carey J. Davis

REPORT ON THE AMERICAN BIBLE SOCIETY

Chairman Rollins called upon Dr. F. M. Powell to bring this report. Dr. Powell gave the report and moved its adoption. It was so ordered. The report as given:

In thinking of Liberty Baptists and the American Bible Society, one is reminded of Mark Twain's observation on the weather: "Everybody talks about it, but nobody **does** anything about it!" Year after year some messenger makes a similar report, often not read and never discussed, yet this 144 year old organization is performing one of the most gigantic, fundamental and unselfish tasks in the epic story of American service.

Baptists, of all denominations, should foster every effort to supply the Bible to the millions over the entire world who have neither message nor messenger from the Lord Jesus Christ; and without comment or profit, The American Bible Society, for nearly a century and a half, has been translating and distributing God's Word in native tongues to the ends of the earth.

When the pickpocket, caught red-handed in his nefarious trade, was asked why he did this, he said that he felt he needed the change! One feels that Liberty Baptists (and all other Christians) need the change from haphazard and occasional donations to a regular planned and budgeted support of this dedicated American Bible Society.

Respectfully submitted,
F. M. Powell

REPORT ON TRAINING UNION

Rev. George Shore, Pastor of Denton First and Associational Training Union Director, brought the following report:

As Dr. J. E. Lambdin, the former leader of our Training Union in the Southern Baptist Convention, has said many times, the Baptist Training Union is a school of Christian living, where we learn by doing and by living richly through doing. It is in the Baptist Training Union that the Christian learns about church membership, because the goal, the aim and the purpose of the B. T. U. is training in church membership. The very best possible teaching method, the method of participation, is used week by week. We learn by doing. The programs and the lesson materials used each week are the very best possible. The courses of study provided by the Training Union over the vital areas of Christian living such as: church life, the Bible, doctrines, the home, missions, stewardship, soul-winning and the denomination. The Training Union provides and stimulates a daily Bible reading and prayer program that not only cultivates a personal spiritual life but also developes a genuine intercessory prayer life and experience as the names of foreign missionaries and their fields of service are given with each day's reading selections. Thus through intercessory prayer we are sharing in the world mission program. The Training Union places emphasis on personal evangelism, personal visitation and personal everyday witnessing. Therefore, as we said in the beginning, the Training Union is a school of Christian living with a worthy program for developing the individual spiritually. No Baptist church member should be without the influence of a Training Union. To do so can only mean spiritual loss.

The Training Union is the organization of the church to support and strengthen the purpose and ministry of the church and to provide the church with leaders and leadership. Therefore, we are grateful to God for the Training Union and its function in our church program.

The highlights of the Associational Training Union program during the past year has been threefold: 1. The "M" Night program last December at the First Baptist Church of Lexington. Rev. Jack Bagwell of

Raleigh was the inspirational speaker. 2 The Training Union tournaments on March 29th at the Jersey Baptist Church. 3. The Youth Night activities in April coming at the climax of Youth Week.

The needs of the Associational Training Union program for the coming year are as follows: 1. To organize Training Unions in the churches of our Association that do not have B.T.U.'s. At the present time only 27 of our churches have a B.T.U. 2. To support, strengthen and encourage the existing B.T.U.'s in their work.

I personally wish to express my sincere thanks and deep appreciation to all who had a part in the Associational Training Union program during the past year, and to personally pledge my support during the coming year to this part of our Associational program. May we all pray that God will bless our Training Unions of the Association, and may we pledge to work diligently in and for this training organism of our churches.

Respectfully submitted,
George E. Shore

The report was accepted by a vote of the messengers.

REPORT ON SUNDAY SCHOOL

Rev. Roy J. Smith, who served as Associational Sunday School Superintendent for the past year, was recognized. He gave the report, and it received the messengers' approval. It reads as follows:

The need for a living, vital, Christian faith has never been more urgent. In a world clouded with fears and threatened with chaos, Education with Christian ends in view has increasing significance.

The Sunday School is and remains the most effective means of Christian Education for the masses God has revealed to man.

An appraisal of our stewardship in Sunday School work during the past year leaves us with mixed emotions. We are deeply grateful for the progress made; but at the same time we are made keenly aware of the need for further effort and improvement.

An Associational Vacation Bible School Clinic was held at Mills Home with 100 in attendance. Thirty eight churches held Vacation Bible Schools. The Stoners Grove Church is to be congratulated for maintaining Standard work in their School. The Mills Home and Jersey Churches maintained "A" work in their Schools.

During the year the Associational Sunday School organization held quarterly Mass Meetings, emphasizing some major phase of the Sunday School work. The Sunday School organization, in conjunction with the Associational Training Union and Music organizations sponsored a Central Training School with 400 awards earned. There were 650 awards in Category 15, 16, and 17 earned during the year The Sunday School of the Jersey Church achieved the Standard of Excellence. There were three new Sunday Schools started during the year: Currytown, Taylors Grove, and Tyro.

Plans and goals for the coming year are being made under the leadership of Don Moore, our new Sunday School Superintendent.

Respectively submitted,
Roy J. Smith

REPORT ON RELILEF AND ANNUITY

Dr. J. Roy Clifford, Lexington First Baptist Pastor, offered this report on this important phase of the minister's preparation for retirement. The following report was adopted:

In 1958 about thirty four per cent of Southern Baptist pastors were

in the protection plan of the Annuity Board of the Southern Baptist Convention. Since that time, largely because of an appeal to laymen in the churches there has been a twenty six per cent increase in the number of pastors covered.

The cost of the plan is as follows, with the percentages based on the pastor's salary up to a maximum of $4,000 per year. Five per cent is paid by the State Convention, 5% is paid by the participating church and this sum goes into the total pool for all disabled pastors and pastors in the plan in that state; and 5% paid by the pastor himself.

An increasing number of churches have gladly assumed the full 10%, shared in many cases equally by church and pastor. They have found that this is one of the best ways to give a small increase in support to their pastor and find that it also is a convenient and business-like way to handle the monthly payments. Most other major denominations already are entirely supporting the retirement program for their pastors from church funds.

Pastors, like all other human beings, die. They leave families. Churches feel responsibility for those families if they have not been provided for in the protection plan. "The Years Ahead," publication of the Annuity Board in its latest issue tells the following story, "In Mississippi, a young pastor of thirty-two is critical in a hospital some miles from his home town. At home are his wife and four children. Their means of support is gone. No provision was made for their care in case of unexpected illness like this and so they are now at the mercy of the church."

"In another state a middle-aged pastor died suddenly leaving a widow in grief. As in the preceding story nothing was done to assure her of help in case of her husbands's death . . . . . the pastor had filed application for the Southern Baptist Protection Plan with his State Retirement Secretary. It was awaiting favorable action by his church, because the pastor cannot join without the help and cooperation of his church. He died before the church acted upon the matter."

Most of our churches have deep appreciation for the pastor's wife. She encourages the pastor in all kinds of circumstances. She labors faithfully in the work of the church. She seeks to keep her home up to the highest standards of Christian home life. One of the noblest things our churches can do is to see to it that she is given this measure of protection accorded in the protection plan. Church treasurers or deacons may get complete information by writing Reverend R. T. Green, 301 Hillsboro Street, Raleigh. North Carolina continues to lag behind South Carolina, Maryland and Virginia in the percentage of pastors covered by the plan. The Old Tar Heel State needs to reach the top in this respect and may if our Baptist churches meet the challenge of this opportunity.

Respectfully submitted,
J. Roy Clifford

Following its adoption, Dr. Clifford spoke other timely words.

REPORT ON PUBLIC MORALS

Mr. Beamer Barnes, Lexington layman, reported on the state of morals in our current society. The report received the hearty endorsement of the session. The report as read:

Apart from true religion itself, it is my firm belief that the basic strength or weakness of a nation is profoundly affected by its moral standards. A nation which respects justice, promotes honesty, practices sobriety, and loves righteousness has reason to believe that its foundation is firm and secure.

Today powerful forces, encouraged from without and well financed from within, are at work — wittingly or unwittingly — sowing the seeds

of national decay and destruction. Chief among these sinister forces are:

(1) Alcohol. This vile and poisonous substance is beautifully and deceitfully advertised as being used by men of distinction and is often associated with famous historical events. More distressing is the fact that much of its advertisement is directed towards social use especially by young people and women. We are all aware — too well aware — of its tragic results. Drunkenness, hardship, broken homes, divorce, poverty, crime, and moral degradation are some of its fruits. Moreover, records reveal that during 1959 approximately ten billions of dollars were spent on alcohol while just a little over two billion dollars were spent for all religious activities. From court records and other government reports the trend of consumption is on the rise.

(2) The second greatest moral force affecting our day is the appeal to sex. Unquestionably there is much cheap and debase literature published in magazines, novels, cartoons, and movies. These are flooding our country. Recently I canvassed a newstand in our County and counted on the racks 15 different magazines, twelve of which on the cover page referred directly or indirectly to illicit love affairs. Recently there was a nudist movie shown in several North Carolina theatres under the guise of portraying art and claimed to be restricted to club members only. This type of "literature" and pictures are an appeal to the young, which warps their minds, encourages crime, and promotes unfaithfulness. Statistics from the Welfare Department definitely reveal that illegtimacy is gradually on the increase. These illicit and degrading publications and pictures are a major scandal in our day, and in my opinion, a national disgrace.

(3) Crime. Reports of the F. B. I. and from the State indicate a general increase of criminal activities. Primarily the crime rate is a general result of, and proximately caused by, the detriorating effects of the use of alcohol and the degrading appeal to sex.

(4) Gambling, use of profanity, and such allied and similar evils, from an observation of court records and other sources, appear to be on a general decline — thanks to better law enforcement and powerful forces from other sources.

(5) Excessive pleasure. A few week ago while conversing with the pastor of a rather large Baptist Church, I inquired of him about the condition of his church. Unhesitatingly but with shame, he replied that boats had taken away his Sunday morning congregation. Every working man and woman is justly entitled to reasonable rest and recreation from his daily toil. A fair share of expenditures for pleasure is desirable and encouraged. However, when more money is spent for the use of tobacco alone than for the church, and more for entertainment than religion, when boats and beaches are perferred before the Bible, and the pursuit of pleasure is more desired than the preaching of the gospel, then, I submit, we should seriously examine and reappraise where we, as a nation, are placing our values. It is the unreasonable waste of time and money which becomes detrimental and dangerous to the moral stamina of a nation as much so as the use of alcohol and other evil influences. It is suggested that the influence of the church and men of good report everywhere should encourage that more of our leisure time and resources be spent in the pursuit of studying, reading, and thinking about things which will promote better home life, schools, and things spiritual and eternal.

Our moral picture, however, is not all dark and hopeless. While evil forces are at work, there are also effective forces interested and active in the defense of the morals of our land. Among these are:

(1) The laws. Both Federal and State authorities have enacted legis-

tion to prohibit publication and distribution of degrading literature, osters, books, magazines, and movies. Federal Postal authorities are eenly alert to the use of the United States Mails for the transportation of indecent and degrading literatures. These authorities earnstly solicit your help in informing them of any violation of this regulation. They have, with your assistance, apprehended and convicted iany criminals dealing in such literature.

(2) Officers of the law and judges of the courts are in many instances irgorously pursuing and punishing violators of our moral principles.

(3) The public. The people, in general, appear to have been aroused nd are more concerned about the existing degenerating influences s never before.

(4) Others. It is encouraging that our school teachers, church leaders, nd men of good will everywhere are consciously aware of these evils bout us and have declared themselves strongly against them. This is good sign!

(5) Lastly, on our side is the powerful word of God and God Himself s revealed by His Son; Jesus Christ, whose righteousness and guidance, n this battle, is on our side. Let us, therefore, rededicate ourselves to xpose ungodliness and to expatiate righteousness which the Bible delares can "exalt a nation."

Respectfully submitted,
Beamer Barnes

Rev. Carl Hemphill moved that the Clerk be instructed to forward a opy of this report to the Biblical Recorder for wider distribution, if the editor thought it wise and space would allow. The motion was seconded nd carried.

Chairman Rollins asked Music Director Davis to lead the song service t this time. Mr. Davis selected "Break Thou the Bread of Life," and he assembly sang. Miscellaneous business was next on the program, ut no business was presented at this time.

REPORT ON TIME, PLACE, AND PREACHER

Rev. Donald Moore, Park Place Baptist Church, offered the following ecommendations from his committee. These recommendations were dopted:

By constitutional authority, our next regular annual associational meeting will be held on Tuesday and Wednesday, September 25 and 26, 1961

By previous vote at the annual meeting in 1957, the meeting will be held the first day at the Churchland Baptist Church, and the second day at the Smith Grove Baptist Church, with the Lakeview Baptist Church assisting in the entertaining on the second day.

For the preacher and the alternate for the annual sermon, we recommend that the sermon be preached by the Rev. W. H. Walton, pastor of the Abbott's Creek Baptist Church, and that the alternate be the Rev. Roy J. Smith, pastor of the Jersey Baptist Church.

Respectively submitted,
Donald D. Moore, Chairman

REPORT OF COMMITTEE ON NOMINATIONS

Chairman Roy Smith, assisted by Bro. Bennie Crawford, read the nominations. They were declared elected by the action of the messengers. All names may be found in the directory at the front of these minutes. Rev. Smith moved that all elected officers be notified by the Clerk of their election to that particular office. Motion sustained. Mr. Carey Davis asked that the name of Mrs. Charlie Smith be included as associ-

ational pianist, as she had been serving regularly without any officia status. It was done by common consent.

The session participated in congregational singing, "At the Cross." Rev. L. H. Hollingsworth, Chaplain at Wake Forest College, was asked to bring greetings from the College. He spoke of the work of the College

Rev. Raymond Crowe spoke concerning the opportunities of the Fruitland Baptist Institute. Mr. Crow is a former student at this wonderful school, and he spoke with enthusiasm of the good work constantly being done at the Hendersonville institute. Following the message, he gave arrangements for the serving of lunch.

REPORT ON STATE MISSIONS

Rev. Fred Jurney had been designated to make this report. Following its reading, it was received by a vote of the Association. This is the report:

The command of Jesus to be "Witnesses in Jerusalem — in all Judea — Samaria — to the ends of the earth" (Acts 1: 8), is still ours today. North Carolina is our "Judea." Every Baptist can be a missionary now to more than two million lost people in North Carolina through our State Mission offering.

What we have known in the past as "State Missions" is now divided into three main divisions — The Division of Missions; The Division of Evangelism; and the Division of Church Programs. All these ministeries and services are State Missions, dependent on our gifts through the Cooperative Program and special State Missions offering.

A survey indicates a need for at least 600 New Churches in our State now!

Aid in the purchase of sites for erection of churches is being extended by State Missions. This year the Division of Missions has been allocated $60,000 for this purpose. And there is on file today, request for more than $200,000 for the purchase of church lots.

In addition to this there is being expended annually $85,000 in supplementing pastor's salaries in needy situations. Also there is $60,000 annually expended for assistance to Associations through financial support for Associational Missionaries or Associational Superintendents of Missions.

In the year 1958-59 we in the Liberty Association designated to State Missions $3200.00 out of a reported resident membership of 9,345.

Respectfully submitted,
Fred Jurney

The final matter of the morning was the address of Rev. Ernest Upchurch. Mr. Upchurch had spoken on the previous day's session on the "30,000 Movement." On this day, he spoke on the work of the state program. Rev. Don Moore pronounced the benediction, and the session stood adjourned for lunch.

WEDNESDAY AFTERNOON SESSION

Greenwood Baptist Church

Mr. Davis directed the singing of the congregational hymn, "The Solid Rock." Rev. James Bolick, Pastor of Oak Hill Memorial Baptist Church, read from Luke 24 and offered the prayer.

REPORT OF RESOLUTIONS COMMITTEE

Chairman Sam J. Smith read the resolutions submitted by his Committee. The following constitutes the recommendations, adopted by the session:

The Liberty Baptist Association wishes to express sincere appreciation

to Wallburg, Greenwood, and Park Place Baptist Churches for entertaining the 128th session. These churches have worked untiringly in making provisions for the needs of each one present.

We also commend the able and consecrated leadership of our Moderator during this year, Leonard Rollins, and also we would like to express appreciation for the untiring work of our Clerk, Robert Nation.

We appreciate the work of the host Pastors, Robert Nation, Raymond Crowe, and Donald Moore, for their leadership in providing for our needs.

We further commend the Program Committee for the excellent program and our deep appreciation for each denominational worker representing the various agencies who gave of their time and talents to appear on the program.

Our appreciation also goes to the Secretary of Church Music, Carey Davis and Mrs. Charlie Smith, and all who helped with the music at this session.

Respectively submitted,
Sam J. Smith, Chairman
Resolution Committee

Moderator Rollins announced the composition of the new Committee on Nominations. These were the selections: Rev. Bennie Crawford, chairman; Rev. Richard McQueen, Mr. Sam J. Smith, Mr. Vernon Sparrow, and Dr. F. M. Powell.

MEMORIAL SERVICE

Rev. John Jarratt was unable to be present, and Rev. J. O. Walton substituted for him. A fitting service was held in memory of those who had passed from our church families and fellowship during the past year. The names of these deceased are found elsewhere in this minute.

REPORT ON CHILDREN'S HOMES

The report was accepted, having been given by Rev. W. N. Brookshire. Mr. Brookshire reported:

When Jesus said, "Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God," he set the pattern for our attitude toward all children. When "He took them up in His arms, put His hands upon them, and blessed them," He by example, showed us how we should care for children.

The Baptists of North Carolina are following the Master's example by providing Christian love and nurture for more than 800 boys and girls each year.

These children are cared for in three homes: Mills Home at Thomasville, with 311 children; Kennedy Home at Kinston, with 165; and Odum Home at Pembrook, with 24 children.

In addition to the care given in these homes, there are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid. Case work supervision is given 30 College Students each year.

The support for the Children's Homes come from four sources: the Cooperative Program 31.5 per cent, Thanksgiving Offerings 31.1 per cent, Once-a-Month Offerings 21.9 per cent, Special Gifts and Endowment 15.5 per cent.

Income from all these sources has not been adequate to meet the minimum needs. Many needy boys and girls have been denied a Christian home whom we should have cared for. The only answer to this need is an increased Thanksgiving Offering this year.

We have long associated **Charity and Children** with our Children's Homes. On June 1, 1960, John E. Roberts became the Capable Editor of this familiar publication.

As we think of the care which is being given to many needy children, and as we think of the hundreds not now receiving the care which they need and deserve, we raise the question, "What can I do?" You can present to your church the unmet needs of the many dependent children, and you can do much in leading your church to make a worthy Thanksgiving Offering in November.

Respectfully submitted,
W. N. Brookshire

Mr. Brookshire presented Mr. John Roberts, Editor of **Charity and Children,** and Mr. Roberts proved himself an interesting speaker.

REPORT BAPTIST HOSPITAL

The report on the work of the Baptist Hospital was read by Bro. Richard McQueen. Here is the adopted report:

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike — the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital receives about 3 ¾% of our Cooperative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we are going to have to become serious about our giving to the Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to give free service we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. Some of our churches over the state have been doing this, and our people have demonstrated that when this is done they will provide the necessary support. We come to ask you to do it in your church — not for the hospital, but for sick people who are in need.

REPORT OF THE HISTORIAN

Miss Sallie McCracken prepared this report and asked that her pastor, Rev. Roger Williams, read it. The report followed the recommendation of the previous session and was a brief history of one of the churches entertaining the Association for the year. The report was read and adopted and is given here:

HISTORY OF GREENWOOD CHURCH

Realizing the need for a Baptist Church in the community west of Thomasville, two men of God bowed in a wooded area of this section in 1943 and prayed that there might be a Baptist Church there in the near future. These men were Rev. F. A. Maier, retired minister in First Baptist Church of Thomasville and Rev. T. W. Bray, Pastor of Rich Fork Church.

A few months later a group from Thomasville First Church and Rich Fork Church as co-sponsors met and started a mission Sunday School, on Sunday afternoons with preaching every other Sunday. They were now meeting in a building made from rather rough lumber with an earthen floor with odd shaped and undressed small tree trunks for columns supporting its roof and plain plank benches for pews.

Dr. W. K. McGee, Pastor First Church, Thomasville, wrote Dr. M. A. Huggins, asking that he send somebody from the State Misson Department to conduct a revival for this group. Dr. Douglas Branch, Regional

Missionary with the State Department came and held a meeting at which time they organized into a mission known as West End Baptist Mission. Rev. Inman Stewart was the mission Superintendent and served for some time.

The General Board was a great help in getting this work started. They contributed one thousand dollars to buy the property and helped in many ways by giving advice and directions. Dr. McGee, Dr. Maier, Rev. J. A. Neilson, pastor Mills Home Baptist Church and Pastor Bray, of Rich Fork Church were prime movers in the beginning of this work. For about two years, until the fall of 1946 Rev. Tom B. Flowe, pastor of Southside Church, preached at the mission every other Sunday afternoon. During this period the Mission carried on its Sunday School and other services in this tabernacle type of building.

On Sunday, August 11, 1946, there was a major turning point in the formation of the Greenwood Baptist Church. Dr. Chas. F. Leek had succeeded Dr. McGee as pastor of Thomasville First Baptist Church and was invited to preach at the mission while pastor Flowe was engaged in a preaching engagement elsewhere. Dr. Leek suggested that programs and services at regular hours on Sunday would solve the problems to a great extent. He suggested that a committee of five, composed of people who lived in the community and who would logically become members of a Baptist Church eventually be elected to confer with the associational committee regarding the formation of a Baptist Church. This suggestion met with unanimous and enthusiastic approval. Their conferences along with Pastor Flowe soon resulted in the aforesaid changes and in the election of Rev. David W. Oldham as pastor of the mission.

Then on Thursday night, November 21, 1946, on request of the people of the mission and their minister, a conference was held in the mission building to consider organizing the Mission into a Baptist Church. The conference voted unanimously to go ahead with the organization of a Baptist Church at 2:30 o'clock, Sunday afternoon, November 24, 1946, which was Thanksgiving Sunday.

Those present for the conference to consider organization were Rev. Chas. F. Leek, Pastor First Baptist Church, Thomasville, who was chosen to preside, Rev. F. A. Maier and Rev. Combs, both retired and members of First Baptist Church; Rev. E. W. Sears, Pastor Rich Fork Church; Rev. N. C. Teague, Pastor Reeds Church and Moderator of the Liberty Association; Rev. Mr. Morton; Rev. Robert L. Kiser, Pastor Reid Street Church; Rev. David W. Oldham, Pastor of the Mission, and five visiting Deacons.

Dr. Leek was also asked to deliver a message for the occasion. He chose as his subject **The Church — and Five Texts Suggesting Five Characteristics Of A New Testament Church:**

1—It was of divine origin. Matthew 16:13-18.
2—It was spirit filled. Acts 2:1-4 and 37 42.
3—It was one united body of many different members. Romans 12:1-8.
4—It was the habitation of God. Ephesians 2:19-22.
5—It was worthy of personal Christian sacrifice. Ephesians 5:26-27.

One of the first steps taken by the new church was to call itself the Greenwood Baptist Church, having been known as West End Mission. It was organized with 43 charter members. It became a full time church from the beginning and elected Rev. D. W. Oldham as its pastor. Mrs. Ethel Maley was elected Clerk and Treasurer and still holds these offices, 1960. Soon thereafter they began construction on a new building and they entered for their first service Easter Sunday morning, 1948.

The church has gone forward in many ways. They have bought more

property and are now planning to add to the church building. They have recently built a very nice parsonage which is occupied by Rev. Raymond Crow, the pastor since January, 1956. The Gordontown work was started October 6, 1957. They are also sponsoring the forming of another mission in the near future.

One of the most outstanding things to be reported for this church is the ordination of nine young men to the ministry, each one now serving in some form of church work. They are as follows: R. J. Hartman, Robert Mabe, Donald Wagner, Tommy Wagner, M. T. Morton, Alan McGee, W. N. Parker, Raymond Hudson, Grady Shuler.

Respectfully submitted,
Sallie L. McCracken
Historian (Pro tem)

Motion and second that brief histories of the other two churches be included, if materials are submitted to the Clerk.

REPORT ON CHRISTIAN EDUCATION

This report was given by Mr. John Penninger, Jr. substituting for Mr. Charles Penninger. The following report was approved:

Baptists of North Carolina promote a program of Education much wider in scope than that represented in their seven colleges. There are many activities in the local churches and Sunday Schools relating to education. Through the Southern Baptist Convention, the Baptists of North Carolina and Liberty Association share in the promotion and support of the seven seminaries which are administered through trustees elected by the Southern Baptist Convention.

The work of the colleges is promoted through a Division of Christian Education in the North Carolina Baptist State Convention. Wake Forest, Meredith, Mars Hill, Gardner-Webb, Wingate, Chowan and Campbell comprise these colleges. In 1959 there were more than 8,100 students enrolled in these colleges. The annual operating cost was above $10,000,000, with some $500,000 of this coming through the Cooperative Program of State and Liberty Baptists had a part in this giving.

Recently there has been a marked growth in the interest of Baptists in their colleges. For some fifteen years the work of these colleges has been coordinated through the Council on Christian Education.

There were some 43,000 students graduated from North Carolina high schools in 1959. It is safe to estimate that 15,000 of these were Baptists. One out of three enrolled in some college last September, thus leaving 10,000 Baptists who never enrolled in college. From this we can see that a large majority of our Baptist young people will never become ministers, teachers, doctors, nor any of the many other professions open only to those having an opportunity to go to college. There were 5,000 Baptists among the 8.100 students in our seven colleges in 1959. There were about 13,000 Baptist students in other colleges in the same year. This within itself shows the great need we have for additional facilities in our own Baptist colleges.

With the continued increase in boys and girls graduating from high schools each year, it seems conservative to predict that at least 35,000 Baptists will be in college by 1970. The question is where shall we provide for their college training? Shall we continue to let the state and other denominations provide for them in their colleges, or would it be better for Baptists to face the facts and provide Christian Education for our future leaders? Let us think and pray together and ask God to guide us to do His will in whatever we do.

Respectfully submitted,
Charles H. Penninger

The Chair asked any representatives from our Baptist Colleges to stand and be recognized. Mr. Fred H. Brown was presented, representing Mars Hill College. He spoke to the session briefly.

Dr. Budd Smith, President of Wingate College, gave the address on Christian Education. The message was both inspirational and informational, and it brought a conclusion to the 128 session of the Liberty Baptist Association on a very high level. Dr. Smith was asked to pronounce the benediction, and Chairman Rollins adjourned the latest of our annual sessions.

By the time the session had drawn to a close, registered messengers numbered 239. Guests who had registered numbered 162, for a total of 401. However, some had probably failed to register. Forty of our forty-two churches had been represented by registered messengers, and one other was represented by visitors.
